Marinites Lead Off Testimony Urging Billboard Regulation

I-J SPECIAL REPORT

SAN FRANCISCO — Advocates of highway billboard regulation, with a large Marin delegation in the vanguard, testified today before a special state Senate interim subcommittee here.

Marin's State Sen. John F. McCarthy, chairman of the subcommittee, was the only committee member present. He heard more than a score of witnesses this morning urge regulation. Twenty-five or more were scheduled to oppose it this afternoon.

D. Zook Sutton, president of the California Roadside Council, opened the hearing by strongly recommending billboard control by the state. John W. Broad, legal counsel for the council, declared legislation is needed "to supplement, complement and tie in with our federal policies."

He pointed out that the state should take advantage of the "financial bonus" of one-half of 1 per cent in federal highway funds to states which comply with federal anti-billboard regulations.

In answer to a question by McCarthy, Broad said the state should not close its eyes to the practical side: "finances and aesthetics are of equal value in considering billboard regulation."

Mrs. Margaret Azevedo, member of the Marin County Planning Commission, led off a group of nine Marin residents who testified.

She read a motion passed Monday by the county planning commission supporting the "general idea" of state regulation but opposing any state legislation which would "occupy the field and thus prohibit local regulation." She said Marin has "a better ordinance than will get through the Legislature—no offense intended."

B. D. Dobbs, principal planner on the Marin County planning staff, said Marin "wants to reain the right to go further than any law the state might enact." But the state could "cross city lines like a highway," thus improving regulation, he said.

In answer to a question by McCarthy, Dobbs said he thinks the state should define and

FIREMEN SAVE HOUSE

Belvedere volunteer firemen direct hose on embers of garage at home of Philip B. Wallace, 144 Bella Vista avenue. Garage and car were destroyed by fire late yesterday, but quick action by firemen saved the house itself. A pillar of smoke from the fire was seen from Sausalito and Marin City. Damage was estimated at $5,000 to $7,000. (See story in columns 6 and 7.)

Envoy Tells Decision To Bonn Chief

BERLIN (UPI)—Soviet Ambassador Andrei Smirnov told Chancellor Konrad Adenauer today in Bonn that Russia would "liquidate" the occupation status of Berlin, the Soviet Embassy announced.

At the same time, West Berlin Mayor Willy Brandt told a city parliament meeting today that any communist attack on the city would start World War III.

Russian and East German pressure has been building slowly and steadily against West Berlin, worrying the West Berliners and bringing fears the Americans might leave the occupied city.

ASKS FOR MEETING

Today the Russian Embassy said Smirnov asked for a meeting with Adenauer and outlined for him the "measures the Soviet government plans taking with the aim of liquidating the occupation status of Berlin."

The phrase "liquidating the occupation status of Berlin" was taken here to mean the Soviet now proposes to transfer to East Germany the right of control of Western allied traffic to and from Berlin.

Until now the Russians, as well as the Americans, British and French, have considered Berlin to be under Big Four administration. Right of access to and from Berlin is governed by Big Four regulations rather than by any German rules.

TO END CONTROL

Soviet Premier Nikita Khrushchev, in a speech in Moscow last week, announced his government's intention of ending this foreign control of Berlin and Berlin-bound traffic and transferring it to the Communist east zone government.

West Germans were faced with the immediate threat of a blockade to force Western recognition of the move. The word "blockade" is one of fear in this city 110 miles deep in Communist territory.

Larkspur Man, Pal Caught In Chase After S.F. Holdup

Two improvident holdup men, one a former Larkspur resident, were nabbed yesterday afternoon by San Francisco police after an abortive attempt to rob the Provident Loan Assn. on Mission street with toy pistols.

Picked up after they crashed their stolen convertible near the scene were Albert Prowse, 31, whose address was listed as 133 King street, Larkspur, and William O'Malley, 48, of San Francisco. Prowse said he had recently been living in South of Market hotels.

IN CHECK CASE

Prowse was identified by Howard Clark, Larkspur police chief, as suspect in a $600 bad check case in September, 1957, on complaint of a San Rafael man. Clark said Prowse pleaded guilty and served six months in Marin County Jail.

Asst. Police Chief Sam N. Serio of San Anselmo identified Prowse as having been arrested also for bad checks in San Anselmo. He said Prowse was a carpenter at the time.

WIELDS TOY GUN

Police said Prowse appeared to have been drinking before the attempted robbery at the loan company.

Prowse and O'Malley entered the institution about 3:15 p.m. O'Malley went to the rear of the building and threatened the bookkeeper with his toy

NEW TAM TAX HIKE VOTE SET FEB. 17

Twice-Defeated Proposal Modified To Impose $1.90 Rate For 5 Years

Trustees of the Tamalpais Union High School District last night ordered a special tax election to be held Feb. 17 for a third attempt to have the district tax limit raised from $1.25 to $1.90 per $100.

The trustees authorized one change in the tax proposal: That it be for a term of five years rather than 10 years.

The actions came at a two-hour regular meeting at district headquarters. Absent board member was Dr. Delman D. Smith.

SHORTER PERIOD

Howard I. McGill, chairman, said that after hearing comments at recent board meetings, he was in favor of shortening the tax period to five years. A poll of other board members showed no opposition. The election was ordered unanimously.

The board authorized Supt. Chester G. Carlisle to arrange for the election. The election must be called officially by the county superintendent of schools.

Carlisle reported final tally of Nov. 4 votes showed the measure was defeated with 15,889 "No" votes and 14,415 "yes" votes. A simple majority was needed to carry.

AUDITOR STATEMENT

The board approved a request by Carlisle that the district's auditor be requested to make an objective statement as to the effectiveness of district internal and external financial operations.

Carlisle said he hoped such an investigation could clear up "once and for all" any question about whether the district was being operated efficiently.

In reply to a question of whether the district had ever been criticized in an auditor's report, Trustee E. J. Thomas Jr. said a criticism was made about 10 years ago in regard to methods of keeping the accounts of cafeteria and stu-

STATE 'APPROVES' TAM BOARD'S REQUEST FOR FUNDS—GRANTS $0

Trustees of the Tamalpais High School District last night learned their application for state disaster aid to to help pay for repair of a collapsed walkway and fence at Sir Francis Drake High School has been "approved" by the California Disaster Office.

The approval, however, was for considerably less than the requested amount.

The letter said the board's request dated June 13 "has been approved by the Office of Civil and Defense Mobilization in the amount of $0."

The letter was signed by Ralph W. Hilton, chief of the disaster office administration division.

Howard I. McGill, board chairman, said the request for $6,622 was submitted without too much hope of receiving aid.

Marin Sues Terra Linda Developers

The County of Marin is suing Terra Linda Corp. for $45,000 damages, alleging that the corporation has failed to complete sidewalks, curbs and gutters and drainage properly in Terra Linda Unit 4.

This is the sixth suit filed against Terra Linda by the county, bringing total claims sought to about half a million dollars.

County Counsel Leland Jordan, who filed the suit, said all six suits involve work which the county alleges the developers have failed to do in accordance with agreements. All six will probably be consolidated into one when the cases come to trial, Jordan said.

Mill Valley Moves To Fence Pools

The Mill Valley City Council last night, by a 4-1 vote, gave first reading to an ordinance which would require a fence "or barrier" at least three and one-half feet high around all private swimming pools in the city.

Dissenting was Councilman George W. Blackwell, who argued that the measure was impractical and difficult to enforce.

Councilman Peter Behr has been pushing the proposal for several months, contending that several Marin tragedies involving toddlers might have been prevented if fences had been in place. .

The ordinance specifies that all private pools within the city limits must be fenced within 90 days from the date of final adoption and that plans for all new pools must show provision for such protection.

City Manager A. E. Almcrants estimated there might be 100 pools in Mill Valley.

Pools at public places, hotels, motels and other locations where an attendant would be on duty are not affected.

Blaze In Belvedere Ruins Garage, Auto

Fire late yesterday destroyed the garage of a new Belvedere home and a 1955 Buick auto inside it, and did minor damage to the home itself.

Eight Belvedere volunteer firemen sped to the scene with two fire trucks at 4:15 p.m., under Fire Capt. Howard Allen. Their numbers were swelled by other volunteers at the scene.

Allen estimated damage to the home of Philip B. Wallace at 144 Bella Vista avenue on Belvedere island would run between $5,000 and $7,000.

Allen said he stepped out of the Belvedere Land Co. office, where he works, and saw a plume of smoke rising among the trees on Belvedere island. He raced to the firehouse and pulled the alarm. Several other firemen already had seen the smoke and were on their way, yet "it was going full force by the time we got there," he reported.

The blaze spread to trees surrounding the house, but only exterior boards of the kitchen were scorched on the house itself. Allen estimated damage to the house at $600.

Allen said apparently something very inflammable in the garage was responsible for the blaze, but no investigation into the cause had yet been completed today.

State Denies Plea For Strawberry Access

The state Highway Commission today denied a request for a direct connection from Belvedere drive, Strawberry, to the northbound lanes of Highway 101.

The commission, meeting in San Francisco, heard a recommendation for denial from State Highway Engineer G. T. McCoy.

The connection was requested to eliminate a left turn from Strawberry at the intersection of Tiburon boulevard and the 101 frontage road as a safety measure. McCoy pointed out, however, that there have been no accidents at that point attributable to the intersection since the frontage road was opened in August, 1957. He contended traffic there does not warrant installation of signals.

The direct connection was asked in petitions from residents of the area, and later opposed in petitions filed by other residents.

The Marin County Board of Supervisors first endorsed the request, then, after a hearing, rescinded the action and took no position.

NO CUT RATE FOR WHOLESALE SURGERY

Mrs. Ruby J. Vye, shown with her six children at St. Francis Memorial Hospital in San Francisco, will pay full rate for the mass removal of their tonsils. The youngsters, apparently unconcerned about their coming experience, are (from left, seated) Joan, 5; Carol, 6; Linda, 8, and Gary, 9. Hugging their mother's neck are John, 4, left, and James, 5. Mama says she will probably go into the hospital herself after it is all over to take a rest cure. (AP Wirephoto)

Laundry Union Organizes 3 Marin Shops

Several laundry and dry-cleaning establishments have been union organized since Nov. 10 when two representatives of Laundry Workers Union Local 26 in San Francisco came to Marin and began talking to employers and employees.

Progress of the organization drive was reported last night to the Marin County Labor Council, said Hugh Cassidy, council secretary.

THREE ORGANIZED

As of Monday, three dry-cleaning and laundry establishments had been organized, he said, with several other places about to be. None of those organized is among self-service laundries owned by J. Walter Blair of Mill Valley. "Advertising pickets" have paced in front of six of his shops since September.

Also reported at last night's meeting was a reluctance of builders to begin new construction jobs with the rainy season overdue. Work in the construction trades has slowed up slightly as a result. Lloyd Brooks of the Laborers Union reported a small unemployed list with jobs finishing up and no new ones starting.

OUT-OF-WORK LIST

Leon Ginsberg of the Carpenters Union reported that for the first time in six months that union has an out-of-work list.

The labor council endorsed the stand taken by the Democratic Central Committee to tighten up election laws on political advertising. The opinion was expressed that organized labor had been subjected to vicious attacks by the proponents of the "right-to-work" initiative, in both newspaper and radio advertising.

The council presented framed testimonials to Ralph W. Johnson of the Bartenders Union and George R. Scott of the Painters Union for their leadership in the recent election campaign.

STOCKS TODAY

NEW YORK (AP)—The stock market moved slightly to the plus side late this afternoon after weathering the shock of a court ban on the proposed Bethlehem Steel-Youngstown Sheet merger. Trading was active.

Volume for the day was estimated at 4,500,000 shares compared with 4,090,000 yesterday.

Gains of key stocks went from fractions to about a point but plenty of losers remained from the previous irregularity.

Youngstown halved a four and one-fourth point loss which followed the court news and Bethlehem canceled all but a fraction of a one-point dip. U.S. Steel was slightly lower while Republic and Jones and Laughlin added fractions.

Magna spurted two points while Anaconda and Phelps Dodge were a point or more higher.

Except for Union Carbide, which dipped slightly, chemicals did well. Gains of around a point were scored by American Cyanamid, Air Reduction and Allied Chemical.

FHA To Permit Smaller Houses

WASHINGTON (AP)— Smaller houses, lower ceilings and smaller lots will be permitted under revision of the Federal Housing Administration minimum standards for new dwellings.

The new requirements, which builders must meet if their houses are to qualify for FHA mortgage insurance, will take effect around April 1.

Inside kitchens now will be acceptable with mechanical ventilation, and with artificial light substituted for windows.

Although most of the new standards are more liberal some are more restricted.

Room sizes must be slightly larger.

Johnson 'No Candidate'

WASHINGTON (UPI)—Senate Democratic leader Lyndon B. Johnson says he's "not a candidate" for the presidential nomination in 1960.

He told reporters yesterday that not only was he not a candidate but, "I do not expect to be one and the only job I'll seek is the one I hold."

Judge Bans Merger Of 2 Big Steel Firms

NEW YORK (AP) — Proposed merger of the Bethlehem Steel Corp. and the Youngstown Sheet and Tube Co. was banned today by U.S. Dist. Judge Edward Weinbeld.

The proposed merger would have been the biggest in business history.

In an 88-page opinion, Judge Weinfeld concluded, "There is reasonable probability that the merger of Bethlehem and Youngstwon would be in violation of Section 7 of the Clayton Act, substantially lessen competition, and tend to create a monopoly in the iron and steel industry."

The corporations had sought through long and involved court proceedings for a merger which would have resulted in a company having assets totaling $2,710,000,000.

In his decision Judge Weinfeld said:

"The proposed merger would eliminate the present substantial competition between Bethlehem and Youngstown in substantial relevant markets.

"It would eliminate substantial potential competition between them. It would eliminate a substantial independent alternative source of supply for all steel consumers. It would eliminate Youngstown as a vital source of supply for independent fabricators who are in competition with Bethlehem in the sale of certain fabricated steel products.

"It would eliminate Youngstown as a substantial buyer of certain fabricated steel products."

Judge Weinfeld said the merger "offers an incipient threat of setting into motion a chain reaction of further mergers by the other but less powerful companies in the steel industry."

HEARING

designate which are scenic and landscape highways; but he pointed out that the philosophy of controlling advertising "does not limit itself only to scenic areas."

Mrs. Norman B. Livermore, president of the Marin Conservation League, called "our natural landscape a natural resource." She praised Marin's billboard ordinance and said such a law applicable to Marin "should be applicable to the whole state. We must have a state law to enforce such zoning."

Arthur K. Smart, director of the Marin Federation of Improvement Clubs, urged the committee to be "extremely cautious so as not to supersede Marin's excellent regulations." He said the federation has taken no position on proposed state legislation.

Mrs. Kent Seymour, conservation chairman of the Marin Garden Club, said members of her organization had been working for billboard regulation for 20 years and "now is the time for such a course in the state."

Mrs. Francis Owen, a director of Tamalpais Conservation Club, said that organization "heartily endorses restricted outdoor billboard advertising and urge restrictive laws."

Mrs. William Searles, conservation chairman of the Mill Valley Outdoor Art Club, said that club "heartily endorses, in principle, billboard control."

Mrs. William Newman, representing the Presidents' Assembly of Marin County, composed of presidents of women's clubs, said her group approved legislation "but don't abrogate Marin's ordinance."

"I'm sure you won't have to worry about that," said Senator McCarthy.

Lawrence Livingston Jr. of Sausalito, planning consultant, pointed out only 20 California counties have comprehensive zoning laws. Most new federal roadways would pass through other than controlled areas, he noted. He urged state regulation but assured the committee the counties still should retain their authority.

The first day of the hearing yesterday brought a sharp exchange betwen McCarthy and James Bastin, San Jose sales manager for Foster and Kleiser outdoor advertising company.

Bastin questioned the manner in which McCarthy conducted the hearing and charged the other witnesses made "unauthorized and unprovable" statements.

McCarthy told Bastin that if he thought he could run hearing in a better way, he was free to take over and try.

"But as long as I am chairman, everyone will have the right to speak and it will be up to the committee to weigh the merit of what is said," the senator added.

George F. Barry, legal counsel for the Northern California Council of Outdoor Advertising, told the committee that legisation discriminating against billboards would be unfair.

He said advertising firms have a "long established and constitutional right" to operate in any area where other industries can be located.

Dr. Siemens May Give Advice On Hospital Plan

Dr. John C. Siemens, administrator of Ross General Hospital, said today he plans to meet within two weeks with Novato doctors on their request that he act as consultant in forming a corporation to build a private hospital for Novato.

The Novato Hospital Committee, which has pressed for secession of Novato from Marin County Hospital District, met with Dr. Siemens last week and proposed that he help organize the corporation.

Dr. Siemens said today that Novato physicians have indicated willingness to contribute toward construction costs.

Dr. Joseph Sereda, who has spearheaded the Novato secession movement, emphasized today that plans for the hospital are still tentative, and must await formation of the corporation and subsequent financing. A proposed 35-bed hospital would cost $500,000, he said. Possibly it could be started within a year, he predicted.

Financing should prove no great problem, he said, "unless Novato does not secede from the Marin County Hospital District."

PLAN WOULD FLOP

"If that is not done, the whole plan would flop," he declared. "Private investors would be unwilling to take a chance that the hospital district might not build a competing hospital in the area, say 20 years from now."

A half dozen financing plans have already been offered to the hospital committee, he said.

A 10-acre site at Hill and Diablo avenues has been offered free by Dr. Betty Harris of Ross, retired physician who once practiced in Novato. Should that site prove unsatisfactory, it could be exchanged for another elsewhere, Dr. Sereda added.

DOCTOR CONTROL

Any hospital built in Novato will be under direct control of the physicians, Dr. Sereda said. "We want a top-notch hospital, and without doctor control, it could not be a certainty," he declared.

The hospital committee is awaiting a decision by the county hospital district's board of directors on a public hearing on the issue of secession. A petition calling for the separation was submitted last month. The district must either set an election or grant separation within 60 days after a public hearing.

Plea Postponed In Barn Bar Case

Mrs. Carolyn Lombardi Farnham, 48-year-old Ross socialite, won a two-week continuance yesterday before she pleads to a charge of allowing minors to drink at the plush bar on her large estate.

Judge Albert F. Scheidecker of Sebastopol, sitting in Marin Municipal Court, set Dec. 3 as time for her plea.

Nine police officers raided the Farnham barn last Oct. 25 and found a richly furnished bar in the barn, with trap doors leading into the hayloft. With Mrs. Farnham were several adults and three teen-agers, including a 17-year-old girl.

Mrs. Farnham is accused of contributing to the delinquency of minors.

Firehouse Will Have Yule Decor

Christmas decorations on the Ross Firehouse lawns will be in place by Dec. 10, Fire Chief A. T. Henrich said today.

They will include a creche with Joseph, Mary, shepherds and sheep; a family of four snowmen, and Santa in his sleigh drawn by reindeer. The roof of the firehouse will be strung with colored lights.

Mill Valley Pinpoints Harbor Site

The Mill Valley City Council agreed unanimously last night that a 10-acre parcel would be specified in a city request to the state Small Craft Harbors Commission for yacht harbor planning funds.

City Manager A. E. Almcrants and Charles E. Guichard of the parks and recreation commission were scheduled to meet with the commission at Asilomar today.

FOR PLANNING ONLY

Guichard pointed out that the requested funds would be only for planning. If the commission should find the plan feasible, a construction loan would be sought.

Guichard, whose committee has been working on the plan for more than a year, declared: "This is one of the last undeveloped potential recreation areas in Southern Marin."

NO DETAILS

Guichard said that communities would submit general letters without detail, hoping to obtain planning funds.

Councilman Elizabeth Rodman, commenting that, "The project looks very good," said, "If a county recreation commission is established, we could probably get county assistance in conjunction with the aid we need from the state."

The county supervisors yesterday authorized Planning Director Mary Summers to attend the Asilomar conference and present the plan proposed by Mill Valley developer Talcott W. Seaver as a request from the county.

25 Novato Pupils Given Awards For Scholarship

Twenty-five seventh and eighth graders at Hill School in Novato have been presented with awards and special privilege cards for outstanding scholarship.

Highest schoolwide honors went to two seventh graders, Kathy Debrecht, daughter of Mr. and Mrs. Eugene Debrecht, and Jean Fagnani, daughter of Mr. and Mrs. Eugino Fagnani.

Highest honors for the seventh grade only went to Francis Hasik. Other seventh grade students named as outstanding were Pam Saffores, Jenny Friend, Judy Cromwell, Vickie Johnson, Roy Otis, Judy Ward, Juanita Bergala, Jeryl Porter, Denise Kessler, Patricia Gendreau, Michele Wilson and Sharyn Clark.

Candace Cook was highest scoring eighth grader. Other eighth graders mentioned were Barbara Skinner, Connie Wadlington, Pamela Hanson, Nancy Sanders, Melinda Nall, Carole Upchurch, Hal Johnson, Wendy Hardcastle and Tam Metzger.

The students are given the privilege of leaving classes at their pleasure and may leave school early if desired.

John B. Laycock, assistant principal, said the awards were given to encourage enthusiasm among students for high scholarship.

Wealthy Demos May Join Exclusive Club

WASHINGTON (AP) — A new exclusive club may be in the making—open only to Democrats with a thousand dollars to spare.

The Democratic National Committee expects to discuss the club, and other fund-raising possibilities, at its Dec. 6 meeting.

The party is about $700,000 in the red. If 700 Democrats joined a proposed "700 Club" for $1,000 each, they would wipe out the debt.

Kenneth M. Birkhead, the committee's finance director, said efforts would be made to recruit club members from among Democrats wealthy enough to contribute $1,000 each. The biggest drive would be made in those states that had the biggest Democratic gains in the Nov. 4 elections.

About $600,000 of the Democratic deficit is a legacy of the 1956 elections, when Adlai Stevenson was defeated by President Eisenhower.

The Republicans, who lost this year, had all their bills paid on Nov. 1.

S.F. State To Hold Conference

San Francisco State College will hold a two-day conference on junior college programs in the humanities beginning tomorrow. Representatives from 30 colleges are expected to attend.

"Those of us teaching in the field of humanities and the arts are striving for a closer relationship between various levels of higher education—junior colleges, four-year colleges and graduate institutions," said Elias T. Arnesen, chairman of the San Francisco State College Division of Humanities.

Atlas Falls 1,000 Miles Short Of Goal

WASHINGTON (UPI) — The Air Force disclosed last night that an Atlas missile launched Tuesday fell about 1,000 miles short of its programmed 3,000-mile flight, but otherwise was "fully successful."

A spokesman said the intercontinental ballistic weapon landed about 2,000 miles from its Cape Canaveral, Fla., launching base after signaling back test data expected from it. This was the fourth successful flight in six launchings of the fully powered Atlas. The first eight Atlases tested were equipped with only two of the three liquid fuel engines which will provide its operational 5,300-mile range.

Freight Jumps Track

YUMA, Colo. (UPI)—A string of 15 to 20 cars on a Burlington Lines freight train jumped the tracks at this northwestern Colorado community early today.

Leonard Bath, telegraph operator in the Burlington's Denver office, said that no one was reported injured in the crash.

53,182 Marinites Cast Votes, Tally Shows

A complete count of absentee ballots shows that a total of 53,182 votes were cast for the Nov. 4 election, County Clerk George S. Jones announced today.

A board headed by inspector George Thierbach completed counting 1,842 absentee ballots yesterday afternoon. A total of 1,940 absentee ballots was issued instead of 2,040, as originally reported, Jones said. He said a deputy clerk had miscounted the ballots issued by 100.

About 20 ballots came back too late to be valid. One was mailed to the wrong address because one digit was left off the address. Others are trickling back because the addressees had moved from the addresses they gave, and the rest are presumably still trailing the addressees on their travels, Jones reported.

Here is the complete and official count:

GOVERNOR — Edmund G. Brown 29,096; William F. Knowland 22,832.

gun. Prowse stood by the front door with a newspaper over his face.

While taking $581 from the bookkeeper, O'Malley failed to notice a packet of nearly $3,000 on another desk and an assortment of diamonds on another counter.

After the robbery the two boarded their red convertible, stolen from a Mission street parking lot a few minutes before, and proceeded to get involved in several traffic collisions while trying to escape. Meanwhile, the alarm had been sounded by the bookkeeper at the loan office.

Both men were accosted by motorcycle officers a few moments after they zoomed down Minna street, the wrong way, and crashed into a bigger convertible coming the other way.

Prowse told reporters he purchased the two toy guns about three days ago. Yesterday morning, he ran into O'Malley and they had several drinks together before stealing the car and attempting the robbery.

dent body funds, but that the situation had been corrected and "we don't have the cafeteria any more."

The board also authorized the payment of approximately $32,000 for its full share in the Lucky Drive Assessment District, to construct the eastern access to Redwood High School from Highway 101.

A report on student government at the high schools in the district was presented by students.

In other action, the board:

1. Indicated it would be happy to discuss the matter of use of the Northwestern Pacific Railroad right of way adjacent to Tamalpais High School with the Mill Valley City Council.

2. Authorized holding of a yearly science fair by the district.

3. Appointed John Cassidy as supervisor of a sewer reconstruction project at Redwood High at $4.50 per hour.

Medic In Span Rescue Hurt In Car Crash

Four persons, including an Army psychiatrist who Tuesday night played a major role in dissuading a distraught man from jumping off the Golden Gate Bridge, were injured early today in a two-car collision at the entrance to Marinwood on Highway 101.

The psychiatrist, Dr. (Capt.) Mark Devlin Muir, 31, an Army captain who lives at 172 Cobblestone drive in Marinwood, suffered bruises and scalp cuts and was transferred to Letterman Army Hospital in San Francisco, where he is on the staff, after treatment at Hamilton Air Force Base Hospital.

WIFE INJURED

His wife, Mrs. Dolores Ann Muir, was also treated at Hamilton and transferred to Letterman. She suffered numerous cuts and bruises of the face, deep scalp cuts and an injured left hand.

Both were reported in good condition today at Letterman.

Also injured were Clarey Walker, 40, House 289, Marin City, and Joseph D. Lake, 61, of 720 B street, San Rafael.

Lake, a janitor at Hamilton Air Force Base, suffered a right knee fracture. He was reported in good condition today in San Rafael General Hospital. He was a passenger in a car driven by Walker, a laborer at the air base. Walker suffered painful facial injuries. Several of his front teeth were broken. He was treated at San Rafael General Hospital.

HIT BROADSIDE

According to the California Highway Patrol, a station wagon driven by Captain Muir turned from Highway 101 to enter Marinwood and ran in front of a southbound car driven by Walker. The Walker car struck the Muir vehicle broadside.

The accident happened at 12:13 a.m., according to the CHP.

Tuesday night, Captain Muir was one of a group of Army psychiatrists who spent nearly four hours on the wind-swept Golden Gate Bridge, talking to Air Force S/Sgt. William Cody, 33, and finally dissuaded Cody from jumping to his death.

School Merger Discussion Set

Unification of San Jose and Novato School Districts will be the topic of a panel of school administrators and trustees tonight at 8 o'clock at Marion School in Novato.

Adele McAlister, Longtime Larkspur Resident, Dies

Mrs. Adele M. McAlister, a Larkspur resident for 52 years, died yesterday in a local hospital after long illness. She suffered a broken hip two years ago and had been confined to a rest home since. She was 91 years old.

Mrs. McAlister came to Marin from New York with her husband, the late John I. McAlister, a draftsman who died 37 years ago. Mrs. McAlister made her home at 141 Ward street in Larkspur before her illness.

Two daughters, Mrs. Florence Maushardt of Larkspur and Mrs. Izora M. Kelly of Los Angeles, and a son, Lewis I. McAlister of Glendora, Los Angeles County, survive.

Funeral services will be held at 11:30 a.m. tomorrow at Keaton's Mortuary, San Rafael.

Herbert Norman Services Held

Private funeral services for Herbert A. Norman, 81, who had a summer home on Forest avenue in the Lansdale section of San Anselmo for 15 years until it burned a decade ago, were held in San Francisco yesterday.

Norman, a native and lifelong resident of San Francisco, died in Reno on Monday. Until his retirement two years ago, he operated the F. G. Norman and Sons Builders Hardware store in San Francisco. The firm was started in 1877 by his parents. It is still operated by the family.

Norman was a member of Balder Lodge 393, F&AM; California Bodies, Ancient and Accepted Scottish Rite, and Islam Temple of the Shrine.

He and his wife, Olga, celebrated 52 years of marriage this year. In addition to Mrs. Norman, survivors are two daughters and a son, Mrs. Harvie M. Freed of Larkspur, Mrs. George A. Bertram of Kentfield and Frank G. Norman of San Francisco.

Rites Tomorrow For Mrs. Dodge

A High Mass of Requiem for Mrs. Mabel W. Dodge, housemother at Fanjeaux Hall, Dominican College, will be offered at St. Raphael's Church at 9:30 a.m. tomorrow. The funeral cortege will form at Harry M. Williams Mortuary, San Rafael, at 9 a.m. Interment will be in Mt. Olivet Cemetery.

The Rosary will be recited at the Williams mortuary tonight at 8:30 o'clock.

Mrs. Dodge, 68, collapsed and died Tuesday morning while attending Mass at the Dominican Chapel. Her death was caused by a heart attack, according to a post-mortem examination.

She is survived by a daughter, Mrs. Dorothy W. De Haven of Estes Park, Colo.; a sister, Mrs. Lillian Custer of San Bernardino, and three grandchildren.

Rites Held For Marinite's Son

Funeral services for Robert Trevere Pratt of Palo Alto, son of Mrs. Emma Pratt of Corte Madera and brother of Mrs. Regina Bingley of Larkspur, will be held at 1:30 p.m. tomorrow at the Tinney Funeral Chapel at Palo Alto. Burial will be in Golden Gate National Cemetery, San Bruno.

Pratt, 47, died unexpectedly on Tuesday in a Palo Alto hospital. He suffered a heart attack a few days earlier.

He was employed by J. O. Archibald Co., engineering construction firm of Redwood City, as a truck dispatcher. He was a member of Teamsters Union Local 216 of San Francisco.

Pratt lived in Larkspur during 1949 and '50. He was a native of San Francisco.

Additional survivors are his wife, Eva, of Palo Alto; two other sisters, Mrs. Dolores Henris and Mrs. Glenola Weber, both of Klamath Falls, Ore., and his brothers, Tristan Pratt of Woodside and Don Pratt of San Jose.

Rites Set For Marinite's Brother

Graveside services for Birney Linn Jr., brother of Nelson C. Linn of 231 Laurel place, San Rafael, will be conducted at Golden Gate National Cemetery, San Bruno, tomorrow at 2 p.m., directed by Callaghan Mortuary of Livermore.

Linn, 63, died of a heart ailment at the Livermore Veterans Hospital Sunday. He had been in the Veterans Hospital in Reno for about nine months before going to Livermore several months ago.

Linn was fire chief of Westwood, Lassen County, for many years. He retired because of illness and the death of his wife, Rudie.

A veteran of World War I, he belonged to Veterans of Foreign Wars Post 6357 and American Legion Post 80 of Westwood.

Survivors besides his brother in San Rafael, are a sister and two other brothers, Mrs. Eva Sollenberger of Nice, Lake County; Ray Linn of San Francisco and Paul Linn of Paradise, Butte County.

SERVICES ORDERED TO CUT MANPOWER

Will Reduce Strength By 71,000 As Slash Delayed By War Scare Goes Into Effect

WASHINGTON (AP)—The Eisenhower administration, after postponing action because of two war scares, is beginning an across-the-board cut in military manpower.

Secretary of Defense Neil McElroy announced orders yesterday for a reduction of some 71,000 in Army, Navy, Air Force and Marine Corps manpower. At the same time, the Army reduced its draft call for January.

The Pentagon plan is to trim the over-all strength of the armed services from 2,596,282 to 2,525,000 by June 30, when the current fiscal year ends.

President Eisenhower first announced plans to reduce military manpower last winter when he sent his 1958-59 budget to Congress. But the cut was postponed because of war scares in the Middle East and the Formosa Strait.

EXTRA FUNDS

Congress sought to head off the administration's announced plans to trim Army manpower by 30,000 and the Marines by 25,000. Going beyond Eisenhower's budget requests, Congress provided extra funds to keep the Army at 900,000 men and the Marines at 200,000. Those levels weren't made mandatory, however.

Under the cutback program announced by McElroy, the Army faces the biggest cut—31,793 men—in seeking a June strength goal of 870,000.

MARINE CUTBACK

The Marines, with an estimated strength of 189,361, will have to drop about 14,000 men. The Navy must cut back by about 11,000 to reach a 630,000 level. The Air Force, now estimated at 863,000 men, must reduce by about 13,800.

The Army cut its January draft call to 9,000 men. That is 2,000 below the number it has called up the last several months.

High Hopes Voiced For TB Vaccine

CHAPEL HILLS, N.C. (AP)—Two research scientists have expressed high hopes for a new anti-tuberculosis vaccine they developed.

They announced yesterday that seven years of tests with animals and humans indicated the vaccine, R1, is safe and reasonably effective.

Dr. Stuart Willis, chief investigator in the project, said however, that six more years of testing will be required to establish the vaccine's effectiveness in humans.

Willis' co-worker, Dr. H. Mac Vandiviere, said new methods of TB treatment have drastically reduced the death rate from the disease—although the number of TV cases had declined very little.

Both men are employed by the State Sanitorium System, which embraces the state's TB hospitals.

Safety of the vaccine has been demonstrated through tests with 6,000 animals, Willis said. "At the present time, 1,600 people have been included in human studies evaluating R1, confirming the findings in animals as to its safety," he added.

"The true value of the vaccine will, of course, not be known until it has been tried with large numbers of people in a country such as Haiti where the death rate is almost 50 times greater than it is here and exposure to TB is certain," Vandiviere said.

Marin Puppeteer To Give Show

"The Three Little Pigs," a two-act puppet show conducted by Tony Urbano of 71 Twin Oaks avenue, San Rafael, and Dorothy Hayward of Oakland, will start a six-week run Sunday as the final show of the 1958 season at the Children's Fairyland Puppet Theater in Lakeside Park, Oakland. Sunday show times are 11 a.m., 2 and 4 p.m.

Train Plows Into Jet On Tracks; Pilot Saved

EL TORO, Orange County (AP)—A jet fighter plane overshot an airfield and crashed on railroad tracks yesterday. Seconds later, a seven-car passenger train plowed into the plane.

The train sent the jet cartwheeling through the air. The plane came to rest against a lounge car containing 30 passengers. Jet fuel exploded in flames.

The locomotive and four cars were derailed. Three sections of track were torn up. But no one was seriously injured.

The plane's pilot, who suffered only bruises, was the most seriously hurt.

"I'd say the good Lord had his arm around a lot of people," said a spokesman at the El Toro Marine Corps Air Station, where the jet was practicing landings.

Hero of the near-disaster was Pat Schamber, brakeman on the Santa Fe's San Diegan, bound to San Diego from Los Angeles with 130 passengers and crew.

He dragged the stunned pilot, Marine 2nd Lt. Phillip M. Schmidt, 23, from the wreckage. When they were about 50 feet away the F4D Skyray burst into flames.

Schmidt, practicing a power-off landing, overshot a steel cable across the runway on which the plane was to hook. The jet bounced over an eight-foot fence, streaked across a bean field, sheared off a power pole and slammed onto the railroad tracks.

The train was approaching at 75 miles an hour.

"I saw nothing but a cloud of dust on the tracks about 250 feet ahead of me," said engineer William Ryder, 63. "I put on the emergency brake. Two or three second later came the impact. It took another 125 yards to bring the train to a halt."

The pilot, son of Mr. and Mrs. William H. Schmidt, Cincinnati, was taken to the station hospital for observation.

William Jennings Bryan made his famed "Cross of Gold" speech before the Democratic National Convention at Chicago in 1896.

Virginia School Closure Law In Court Test

NORFOLK, Va. (AP)—A special federal court has begun its study to determine whether Virginia's school closure law is constitutional.

The three-judge court heard four hours of testimony yesterday, then adjourned without a ruling. It asked for additional briefs by Dec. 5.

A new attack on the state's massive resistance to integration legislation—this one brought as a test case by the state itself—will begin Monday before the Virginia Supreme Court of Appeals. No decision is expected before early December.

Two school officials and a veteran teacher told the federal court yesterday that unless six Norfolk white schools closed under the closure law are reopened soon, the city's public school system will suffer disastrous effects.

Virginia Atty. Gen. S. Harrison, who with Gov. J. Lindsay Almond Jr., the Norfolk School Board and its superintendent, is a defendant in the suit, said closing of the schools is a valid exercise of the police power of the state and asked for dismissal of the case.

Virginia is not trying to destroy public education, he said, but is trying to prevent trouble by removing integrated schools from the public school system so the governor can investigate to determine whether they can be returned to the system.

J. J. Brewbaker, school superintendent, said "it is very tragic" for the locked out students.

BOUNTIES PAID ON 1 SKUNK, 3 RACCOONS

Three raccoons and one skunk have met their death in the county's campaign to reduce their numbers in Marin.

Since the first dollar bounty for a raccoon tail was claimed by Mrs. Pearl OHartnett, three boys in their teens have visited the county corporation yard at 519 Fourth street, San Rafael, with fresh tails. One was a skunk tail; the others, 'coons. The animals had been caught in San Anselmo, Sleepy Hollow and Los Ranchitos area.

Agricultural Commissioner Thomas W. Peryam, who is major domo of the tail collection, said any tails should be enclosed in a bag "so we don't have to handle it."

The dollar bounty for a raccoon or skunk tail became effective Saturday and will continue until Jan. 15. Tails are accepted during weekday office hours and on Saturdays from 9 a.m. to noon.

Bishops' Clothing Drive Scheduled

Marin's Catholic Churches will join parishes of the church throughout the county next week in the Catholic Bishops' Thanksgiving Clothing Collection of usable clothing, bedding and shoes for needy persons in other lands.

The drive opens Sunday and runs through Nov. 29. Each Catholic Church will serve as a collection depot.

In charge of the program in Marin is Rev. James Cain of St. Raphael's Church, San Rafael.

Case Of Killer's Girl Friend Goes To Jury

LINCOLN, Neb. (AP)—The murder case of Caril Ann Fugate, 15-year-old ex-sweetheart of killer Charles Starkweather, went to a jury today.

The jury's task: To decide whether Caril shares the guilt which already has brought Starkweather a death penalty.

The girl is charged on two counts—one with first degree murder in the death of Bennet, Neb., schoolboy Robert Jensen and second with murder in the perpetration of a robbery of Jensen.

JUDGE'S INSTRUCTIONS

Judge Harry Spencer told jurors they may find Caril guilty of either first or second degree murder or innocent on count one.

On count two the verdict must be either guilty of first degree or innocent.

Second degree murder carries a penalty of 10 years to life imprisonment.

DECIDES PENALTY

First degree murder is punishable in Nebraska by life imprisonment or death in the electric chair. The jury specifies which penalty shall apply.

Judge Spencer told jurors that aiding or abetting would make Caril equally guilty with Starkweather under the law.

He advised jurors to use "great care and caution" in weighing the testimony of Starkweather, a principal state witness against his former sweetheart.

Court Rules Surgeon Can't Be Asked To Do Impossible

PARIS (AP) — A Paris civil court ruled today that a 56-year-old woman shouldn't demand the impossible from a plastic surgeon, and should be happy with any improvements he can make.

The suit was brought by Gita Leibman de Kassel, an American who lives in Mexico. She asked 50 million francs—$119,000—damages from France's famed plastic surgeon, Dr. Jean Voisin.

Court proceedings disclosed she came to Voisin with a request that he remove certain facial wrinkles, smooth pouches beneath her eyes, make her look more youthful and give her bosom a youthful line.

All but the last was successful, she admitted in her complaint, but that was a disaster. She claimed the surgery left her with scars which show when she wears low-cut evening dresses. She also claimed the scars adversely affected certain marriage plans, and contended the doctor had not warned her that lifting the bosom would cause some scars.

The court sided with Voisin, threw out the suit, and said: "At a certain age one should not demand the impossible."

3 Hearings Set On School Merger

Dates of three public hearings on a proposal to merge the Novato Unified and San Jose School Districts into a North Marin Unified School District were announced today by Richard L. Foster, county superintendent of schools.

Foster said the Marin County Committee on School District Organization will hold the hearings Monday, Dec. 8, at Marion School, Novato; Wednesday, Dec. 10, at Lynwood School in the San Jose district, and Monday, Dec. 15 at Novato High School. All will start at 8 p.m.

Law Officers Nominate '59 Slate

About 75 members of the Marin County Peace Officers Assn., meeting Tuesday at the Hamilton Air Force Base NCO Club, nominated a slate of officers for 1959.

Nominated were Carl Mead Jr., Mill Valley police department, president; John R. Flor, Larkspur attorney, first vice president; Earl Cummesky, sheriff's deputy, second vice president, and William Porter, California Highway Patrol, secretary-treasurer.

The officers heard Col. T. D. Harris, of the base provost marshal's office, report on problems confronting military police. They discussed the possibility of forming a county-wide roadblock system, which would include participation by all law enforcement units.

T/Sgt. Joseph Sudor, also of the provost marshal's office, was host.

The association will meet again next month to close nominations and to elect.

Reds Study West Plan

GENEVA (AP) — Communist delegates to the surprise attack conference indicated today they at least are studying the arms and detection system lists introduced by the West in an effort to get the talks down to technical matters and away from politics.

There was no indication, however, that the eastern side was prepared to get down to detailed technical studies as the West has requested.

Knights Of Pythias To Elect Tonight

Muir Lodge 136, Knights of Pythias, will elect officers at a meeting at 8 o'clock this evening at Thorn Hall, 142 Throckmorton avenue, Mill Valley.

William Spellman of Los Angeles, grand master of arms, will deliver a message to the lodge from the Grand Lodge of California, announced chancellor commander Emmett Segrue.

Coffee and cake will be served after the program.

Lost Wallet Returned

WOONSOCKET, R.I. (AP) — Thomas C. Mee Jr. lost a wallet with $100 from a boat in 40 feet of water off Watch Hill last Aug. 1.

Last Sunday, Arthur H. Des Sureault of Norwich, Conn., was clamming off Barn Island near Stonington, Conn., and found the wallet with the money still intact.

Mee said he got his money and wallet back, thanks to Des Sureault.

2-Way Traffic Ordered On Blithedale Extension

The Mill Valley City Council last night ordered resumption of two-way traffic on the East Blithedale avenue extension as soon as the outer portion is completed.

Traffic has been one way for several weeks, with the old redwood trestle of the Northwestern Pacific carrying traffic in the opposite direction.

It was pointed out at last night's city council meeting that Public Utilities Commission approval of a grade crossing at the NWP tracks early this year included a provision that the trestle be abandoned by Dec. 7. Also, county money for paving the strip was made available partly due to claims that the trestle was unsafe.

At the request of City Engineer Albert H. Siemer, the council directed city manager A. E. Almcrants to ask the PUC for an extension for 12 months before the trestle is demolished. Councilmen contended that it should be retained as a standby.

In other business, the council:

1. Approved signing a joint purchase agreement with the county for use whenever joint purchases would be mutually agreeable.
2. Asked City Atty. Thomas Nelson to pursue negotiations with Marin Municipal Water District for possible city acquisition of district property adjacent to the city hall. The city has appraised the property at $35,000 and is waiting for the district's figure.
3. Referred to the city attorney renewal of a lease with Western Greyhound Lines for the bus terminal.
4. Set for Nov. 25 a hearing before the planning commission on the revised zoning ordinance, followed by a public hearing before the council on Dec. 17.
5. Made permanent an arrangement for four-hour parking on Madrona avenue.
6. Approved a recommendation of the parks and recreation commission that teen-agers be allowed use of the golf clubhouse one night each month at no charge, provided they arrange for the services of an off-duty police officer on such nights.
7. Heard florist Normand Black offer the services of his committee to do landscape planting on Miller avenue, and accepted with thanks the offer of Herman Hein to develop a planting program for the entire Miller avenue section from Tamalpais High School to Millwood.
8. Put over until March discussion of revision of the business license ordinance.
9. Asked Almcrants and Nelson to confer with high school authorities on obtaining title to the former railroad right of way between the high school and the city limits.

Kentfielders Invited To 'Sound Off'

The Kentfield Civic League has invited residents of its area to "sound off" on problems of community interest at a meeting at 8 p.m. Monday in the science hall at College of Marin.

Sharing the agenda with the sounding off will be the yearly election of board members and two talks on civic organizations.

Philip A. Crane Jr., president of the league, said Henry Hayes, former president, will speak on the purposes and functions of the improvement group and Dr. John C. Siemens, president of the Kentfield Lions Club, will describe the position of his organization in the community.

Crane said he hopes residents will use the meeting to voice any ideas on community betterment that need to be brought to the attention of the proper authorities.

Some of the ideas already received include requests for improvement and beautification of the College avenue commercial area, drawing of a Kentfield traffic and road plan, and removal and replacement of faulty street lights in Greenbrae.

The meeting is expected to be the last for the year for the organization.

Flag ceremony for the meeting will be led by Explorer Post 11, a new post sponsored by the league.

Army Honors 2 Marinites

Mrs. Jacqueline Sowada of 24 South Knoll road, Strawberry, has been presented a $100 cash award and a citation for outstanding work during the past years at the the Army Transportation Terminal Command at Ft. Mason.

Mrs. Sowada, a teller in the finance and accounting division, was presented the award and bonus by Brig. Gen. Robert C. Tripp.

Walter R. Sutherland of 72 Valley Circle, Mill Valley, an investigator for the staff judge advocate, was honored by the same command for submitting an improved form for reporting damage and loss claims.

Demos Take 2-1 Edge In State Senate

SACRAMENTO (UPI) — Final unofficial election returns showed today the Democrats will have a better than two-to-one margin of control in the state Senate and a 14-seat edge in the Assembly when Gov.-elect Edmund G. Brown takes office in January.

The returns, still subject to the official canvass and a possible recount in a few districts showed:

Senate — 27 Democrats, 13 Republicans. Before the election, the upper house was split 20-20.

Assembly—47 Democrats, 33 Republicans. Before the election, Republicans controlled the lower house 43-37.

CLOSE MARGINS

Some of the races were decided by a hairline margin. For example, Republican Assemblyman Seth Johnson retained his 56th District seat in Los Angeles County by 48 votes over Philip J. Schlessinger (D). More than 66,000 ballots were cast.

In San Diego's 80th District, Assemblyman Jack Schrade (R) pulled out in front of Jim Baer (D) by 188 votes after the 55,548 votes, including absentees, were tallied.

Although Assemblyman H. W. (Pat) Kelly (R-Shafter) lost by 151 votes to Democrat John Williamson in the 39th District, Kelly refused to concede and filed an official request for a recount of all ballots.

WINS BY 83 VOTES

Another close race was decided when Waverly (Jack) Slattery (D) was claimed the winner by 83 votes over incumbent Sen. James E. Busch (R) in the 4th (Mendocino-Lake) District.

Other winners on the basis of late returns and a count of absentees included Assemblyman Louis Francis (R); Lou Cusanovich (R) by 411 votes over Howard Hardy (D) in the 64th; Jack A. Beaver (R) over William T. Howell (D) by 1,351 votes in the 73rd and George Crawford (R) in the 79th.

9 NEW SENATORS

There will be nine new Democratic senators in the upper house— Slattery; Virgil O'Sullivan, who defeated the veteran Sen. Louis G. Sutton (R) in the 8th; Joseph A. Rattigan, victor over another oldtimer, Sen. F. Presley Abshire (R) in the 12th; Eugene McAteer in San Francisco's 14th; John W. Holmdahl in Alameda's 16th; Albert Rodda in Sacramento's 19th; Walter W. Stiern in Kern County, replacing the late Jess R. Dorsey (R), and Hugo Fisher in San Diego County, who ousted veteran Sen. Fred H. Kraft (R).

Democrats will lose one seat in the Senate before the 1959 session convenes Jan. 5. Sen. Harold T. Johnson (D-Roseville) was elected to Congress in the November election and will surrender his 7th District Senate seat. Brown probably will call a special election to fill the vacancy.

Mill Valley Chamber Holds Dinner Tonight

The Mill Valley Chamber of Commerce will hold its annual membership dinner meeting this evening at the Mill Valley Golf Clubhouse starting at 7 o'clock, according to secretary John E. McSweeney.

Newly elected officers headed by Donald P. Geddes as president will be installed. Geddes succeeds Larry Brink.

Seniors' Fund Drive Turns To Businesses

A committee under chairmanship of Manny Charnow today began solicitation of Marin business districts in the Marin Senior Assn. fund drive.

The drive is to raise funds to maintain and expand services of the Marin Senior Center at 1825 Fourth street, San Rafael. Contributions are tax deductible, Charnow pointed out.

Funds from the business district solicitation will supplement those raised in calls on residents during "Senior Sunday" on Nov. 9, plus additional residential canvassing now under way because much of the caimpaign was rained out that day.

Charnow, a spark plug of the Senior Assn. and Marin's "Man of the Year" as chosen by the Marin Real Estate Board two years ago, said anyone missed by the canvassers may call the Marin Senior Center and a volunteer will be sent to pick up contributions.

Theater Elects At Terra Linda

Mrs. Edgar C. Smith was elected president of the newly organized Terra Linda Little Theater at a meeting of directors last night at the home of George F. Martus, 574 Idylberry road, Lucas Valley.

Clarence Liesure was elected vice president; Mrs. John Alluir, secretary, and Louis Lewis, finance manager.

The board selected an original revue by Dustin Lake of Hayward for the little theater's first production. Mrs. Smith said start of rehearsals probably will be announced at the next meeting of the little theater, Dec. 3 at 7:30 p.m. in Hoffman School. A production date in February or March is planned, she said.

Meeting Slated On Marin City

A public discussion meeting with the county planning commission prior to a formal public hearing on the plan for redevelopment of Marin City has been set for Dec. 4 at 8 p.m. at the planning commission offices in San Rafael, according to Bert Klahn, executive director of the Marin County Redevelopment Agency.

Members of the redevelopment agency and planning commission, plus representatives of the James H. Scheuer organization, who will do the development work, will participate.

PG&E Foreman Wins $75 Award For Idea

L. R. Whipple, general foreman in the electric department, Marin district, Pacific Gas and Electric Co., has received a $75 award from the company for a suggestion which has resulted in increased efficiency in the firm's field operations.

Whipple suggested that metal tie-wires used in securing electric lines be pre-cut in PG&E shops instead of at the scene of installation.

Whipple lives at 5 Mohawk avenue, Corte Madera.

Need For 2 Small Craft Harbors Told

MONTEREY (AP)—At least two small craft refuge harbors are needed along the California coast, Joseph A. Beek told the state Small Craft Harbor Commission yesterday.

Beek, chairman of the commission, said the harbors are needed at Shelter Cove in Humboldt County and at Pt. Conception near Santa Barbara. They would be used by small boats caught in coastal storms.

Beek spoke in answer to testimony opposing harbors of refuge and favoring revenue-producing, self-liquidating harbors. He said neither of the proposed harbors he proposed stood much chance of creating revenue.

Maxwell W. Willins of Stockton said the state should not spend money for harbors of refuge; that "the commission has the responsibility to build only self-liquidatinging harbors at this time."

Applications for 14 harbors totaling more than six million dollars have been filed with the commission.

Marin Stands At 69% Of Crusade Goal

Marin United Crusade division percentages for the 1958 campaign range from 52 to 96.9 per cent, R. B. Mittelstaedt, general campaign chairman, said today. Total receipts are $117,465 or 69.4 per cent of the county's $169,258 quota.

The money collected to date is about the same as last year at this time, Mittelstaedt said, but this year's quota is $20,000 more than in 1957, so Marin is actually $20,000 behind last year.

However, he expressed confidence that a final "splurge of returns" before the report meeting tonight will bring about a sharp rise in the campaign figures.

Division standings now are: San Rafael business, Walter Zurcher, chairman, 96.9 per cent; public employees, Warden Fred R. Dickson, chairman, 90 per cent; business, other towns, Woodrow W. Miller, chairman, 84 per cent; major firms, George M. Henderson, chairman, 83.8 per cent; advance gifts, John V. Baciagalupi, chairman, 78.8 per cent; professional, John G. Buresh and Dr. W. Burgett Smith, co-chairman, 75.3 per cent; education, Chester G. Carlisle, chairman, 61.4 per cent; residential, Mrs. Fred Adams, chairman, 56.7 per cent; commerce and industry, Jordan Dell'era, chairman, 52 per cent.

Marin's major firms and business divisions are leading the five counties participating in the United Bay Area Crusade, and the professional and public employees divisions rank second. The county as a whole, however, is still trailing the other four counties.

Quemoy Schools Open

TAIPEI (AP) — Quemoy's children went back to school today after a perilous three-month vacation given them by Communist guns.

All primary schools on the island fortress reopened. Shellfire damage had been repaired and shelters dug for pupils and teachers.

Student's of Quemoy's high school, which was wrecked by artillery, have been transferred to Formosa.

Marinites Win Awards For Advertising Art

Marin County artists and art directors took a major share of the awards in the 10th annual exhibition of advertising art, on display at the San Francisco Public Library in the Civic Center through Nov. 30. Of 36 awards, Marin artists won 14.

Bruce Butte of Mill Valley won awards as artist in three categories and as art director in three additional categories. With artist Charles Wertmen, he received the Foster and Kleiser medal for the best poster design.

Sausalito artists Nicolas Sidjakov and Jerrol C. Richardson, Edward Gross and Edward Renfro of Mill Valley, Donald McKee of San Rafael and Edgar Watson of Stinson Beach also received awards.

Illustrator Stan Galli of Kentfield won the editorial art award with one of his story illustrations for True Magazine.

The exhibition, sponsored by the Art Directors Club of San Francisco and the Society of Designers and Illustrators, includes 250 original works of advertising art screened from more than 1,250 entries.

B52 Lands Safely After Explosion

CASTLE AIR FORCE BASE (AP)—Two Air Force officers taking training aboard a B42 jet bomber bailed out yesterday when a minor explosion occurred.

The other five crewmen stayed on board and the plane made a safe landing here.

The trainees were Lt. Col. Herbert Hatley, flying as student radar operator, and Lt. G. B. Meyers, student navigator, both of Mather AFB near Sacramento.

An Air Force spokesman said the two landed without injury in an isolated spot 10 miles northeast of here.

The Air Force gave no explanation for the explosion.

Britain Cuts Bank Rate

LONDON (AP)—Britain today lowered the bank rate to 4 per cent, another ½ per cent notch in the fight to keep money flowing easily.

It was the fifth drop in eight months. It will mean still cheaper loans and will speed up the circulation of money in Britain.

WILL RUSS GO TO BRINK IN BERLIN?

West, Pledged To Fight If Necessary, Awaits Soviet Pullout In East Sector

WASHINGTON (UPI) — The big question in Western chanceries today is how far Russia is prepared to move toward the brink of war in its campaign to give Communist East Germany more authority and prestige.

Allied officials were braced for an anticipated Soviet move transferring the Russian sector of Berlin to the East German Communists. They thought the Kremlin probably would carry through on this Nov. 10 promise of Premier Nikita Khrushchev.

American officials promised immediate and strong Western reaction if such a move comes. But they declined to tip their hands by disclosing what they had agreed upon in consultations with Britain and France.

The critical question, U.S. officials said, was whether the Russians would go further and give their East German puppets control over the 100-mile allied corridor to Berlin. This would put the East German Reds in a position to blockade allied forces there.

PLEDGED TO FIGHT

The United States and its allies, backed by a North Atlantic Treaty Organization resolution of October, 1954, are pledged to fight a war if necessary to hold West Berlin. Officials said the Kremlin can hardly be in doubt that Washington intends to stand by this pledge.

However, officials pointed out, there are many degrees of harassment short of an effort to oust the allies from Berlin that the Russians may contemplate.

STRONG REACTION

It is such measures the allies are reported ready to meet with strong reaction, including some form of economic retaliation.

American officials said they are convinced one of the principal motives behind Russia's Berlin move is Khrushchev's intense desire to prove a Communist satellite government can maintain authority without presence of Russian guns.

Tiburon Sewer Discussion Set

A public meeting of the Tiburon Peninsula Sanitary Study Committee has been called for 8 o'clock tonight at the Belvedere Community Hall, according to Robert F. Sterling, secretary.

The committee, composed of representatives of all peninsula sanitary districts, the city of Belvedere and nearby residential sections, was formed last year to seek solution of the area's sewage disposal problem.

Engineer Harry N. Jenks will present a proposal for sanitary facilities for the peninsula at tonight's meeting, Sterling said.

West To Revise Space Program

UNITED NATIONS, N.Y. (AP) —The Western powers agreed today to revise their outer space resolution in an attempt to bring it closer in line with the latest Soviet proposals.

U.S. Delegate Henry Cabot Lodge quickly arranged a private meeting with Soviet Deputy Foreign Minister Valerian A. Zorin to discuss the problem with him.

HOPE FOR AGREEMENT

Western diplomats were reported hopeful an East-West agreement could be reached.

The Western decision was made at a meeting of the 20 countries sponsoring a proposal for international cooperation in the peaceful uses of outer space.

The group is reported to have accepted a series of changes recommended by the United States. These included one key part of the rival Soviet plan.

PERMANENT AGENCY

This was a definite commitment to have the U.N. set up a permanent outer space agency. The original Western proposal had simply called for a study of the space problem.

One major issue remained unsettled. The Soviet proposal called for a preparatory committee of 11 nations to set up tne permanent agency. The West insisted the composition of the special committee should be negotiated.

This morning's developments followed a day of consultations between Lodge and the State Department. It was reported changes finally agreed upon followed closely Lodge's recommendations to Washington.

High British Official Faces Morals Charge

LONDON (AP) — Ian Douglas Harvey, third-ranking official in the British Foreign Office, was accused in magistrates court today of committting a homosexual act with a private in the Coldstream Guards.

The hearing was adjourned until Dec. 10 to permit the police to arrange legal representation.

Neither Harvey, who is under-secretary for foreign affairs, nor the soldier, Walter Plant, 19, entered a plea. Each was released on bail of 25 pounds ($70).

The tall, graying official, a dignified man of 44, and Plant were arrested last night in St. James' Park opposite Buckingham Palace. They were charged with committting an act of gross indecency.

No details were given.

Homosexuality in Britain is a major social problem which has evoked much concern among church and social bodies. A government inquiry group recommended last year that acts of homosexuality between consenting adults no longer be a criminal offense.

Auto laundries in the U.S. will wash about 288 million cars this year.

Sudan Premier Tells Policy

CAIRO (AP) — Sudan's new strong man said today his main interest now is in internal reorganization, and foreign policy decisions will have to wait. He hinted he will seek better relations with the United Arab Republic.

Gen. Ibrahim Abboud made his comment in a brief telephone interview from Khartoum, Sudan's capital.

Abboud answered the phone while presiding over a meeting of his new 12-man cabinet.

Asked about the possibility of reaching an agreement with the U.A.R. on the division of Nile waters, long an issue between the two nations, Abboud replied: "My policy is very clear and I have emphasized it in my first declaration after taking over."

Abboud declined to amplify this. In the declaration he referred to, Abboud promised to work for better relations with the U.A.R. and the elimination of dissension.

"We need two or three days to lay down the broad lines of our policy," Abboud said. "Our main interest is in internal reorganization. Later, we will study Sudan's foreign policy."

BLOODY, BATTERED, BEATEN — This is how highly-ranked middleweight Joey Giardello looked just before Referee Vern Bybee stopped the bout with Spider Webb last night at one minute and 30 seconds of the seventh round. Severe cut of an artery over the left eye, plus other facial cuts, turned Giardello's face into a crimson mess. (AP Wirephoto)

COW PALACE UPSET

Webb Stops Joey In Bloody Battle

The city by the Golden Gate was nothing more than "Whammyville" today as far as Joey Giardello was concerned.

Last June he lost a controversial decision in the Cow Palace to Joey Giambra. Then last night, after being introduced as "The uncrowned middleweight champion of the world," he was stopped in seven rounds by Spider Webb.

A nationwide television audience plus a crowd of 8,571 cash customers sat in on Giardello's pre-fight "coronation" by Announcer Jack Reed and ultimate slaughter by the sharp workman from Chicago.

The gross gate was $42,790 and the net $39,948.66, of which Giardello took 30 per cent and Webb 25 per cent.

Referee Vern Bybee stopped the bout at 1:30 of the seventh as a river of blood coursed down the Long Islander's features from a cut left eye which he suffered in the fourth round.

It marked the first time that Giardello had failed to go the distance since 1950 when Harold Green decked him for the full count.

Rock-solid Joey, who weighed 159 pounds to Webb's 158¾, never was off his feet last night, but neither was he on his stick. He looked tired even as he squared off against Webb, a 7-5 underdog, at the opening bell.

Giardello's biggest gun was his booming right hand which exploded effectively into Webb's face at least four times and made the Spider back up midway through the fourth round. But late in that session, Webb closed in and staggered Giardello with sharp combinations to the face while backing him against the ropes. And after one of Webb's flurries there, a cut beneath Giardello's left eye turned into a nasty wound.

Webb, who turned 27 today, said after his surprisingly easy win that he should get a crack next at Ray Robinson's middleweight title.

"I don't know why they are waiting for Carmen Basilio to take another shot at it," Webb said. "He's too light. He can't lick any of the good middleweights."

Giardello, claiming that the main cut was opened when Webb butted him, conceded that he might have overtrained.

"I thought the fight was close," Giardello maintained. "If it wasn't for a busted artery over my eye it would have been different. He never hurt me."

However, Webb was leading on all three cards at the end.

Commission Physician Don Lastreto, who examined Giardello's optic midway through the sixth round, said that a supra orbiatal artery above the eyebrow was severed. Joey also suffered three other deep cuts.

"But he'll be okay in two weeks," Lastreto declared.

JOEY CORNERED — Joey Giardello, with deep cuts under and over his left eye, is cornered by Spider Webb during sixth round of their battle at Cow Palace last night. Fight was stopped in the next round and Webb declared winner by technical knockout. (AP Wirephoto)

ALONG MARIN'S SPORTS TRAIL

By JIM GILMARTIN

Little Boy Meets Brown Bomber, Wonders, 'Are You A Boxer, Too?'

Joe Louis, sitting in press row at the Giardello-Webb blood-bath last night, was approached by a man and little, wide-eyed boy.

"Say, champ," the man started off, "my little boy has always wanted to meet you and shake your hand. He thinks you're the greatest, don't you son?"

"Y-Y-Yes," answered the lad. Then, with a puzzled expression, he peered into Louis' face: "Say, are you a boxer, too?" That sent everyone into hysterics, but the somber Brown Bomber merely deadpanned: "Well, I usta be."

Sort of sad that no longer does the name Joe Louis mean the greatest fighter in history to every little boy in the world. An era has passed—please forgive the new generation.

BUSIEST MAN at the San Rafael-Vallejo championship football clash last Friday night was attending physician Dr. Edward Cook. With numerous bruises and injuries suffered by both teams in the rough and tumble battle, Dr. Cook was hustling back and forth across the field all through the game. While finally getting a breather on San Rafael's side of the field, the medic got a frantic call that someone over on Vallejo's side was unconscious.

Again Dr. Cook raced across to find, not a Vallejo player, but the team's cheer leader who fainted daid away due to all the excitement.

MAN, WAS IT ever windy at Sacramento last Thursday night during the Marin-American River junior college game. One of Marin's punter Mike Watters' punts was blown back over his head!

And cold? They had to bring the Marin bus out onto the track so frozen fans could huddle inside and still see the game.

TWO OF THE BEST quarterbacks in Marin prep football will meet in a head-on showdown at College of Marin field tomorrow night. It's Jack Sparrow of Novato against John Boccabella of Marin Catholic.

Sparrow, with much better material working with him, should come out on top, but watch that Boccabella throw that football if he gets any protection.

MILL VALLEY DeMolay rifle team won silver medals for second place in the California State Junior Rifle Championships at Fresno recently, losing the title by only one point to the Pacific Coast Junior Gun Club.

Coach Vernon Gustafson's Mill Valleyans are George Bolles, Don Marvin, Jim Overturf and Harry Hersh. They're champs of northern California, too.

BARRY HAYWARD, former Marin Catholic basketball star now at St. Mary's College, has been a surprising "find" for Frosh Coach Bob Hagler. A Galloping Gaels Newsletter says Hayward, a six-foot-five-incher, "is really giving the varsity players a tough battle on the boards."

Cage Officials' Clinic Scheduled In S. R. Saturday

San Rafael Recreation and Park Department will conduct a basketball officials clinic Saturday at Davidson School, Lindaro and Woodland streets, beginning at 10 a.m.

Instruction will be given by Hal Fischer, athletic director of the Presidio of San Francisco, on rule changes, court mechanics and positions.

Individuals interested in officiating in the San Rafael Men's Basketball League are requested to attend this clinic.

The clinic is also open to players and managers, as well as to anyone interested in the game of basketball.

Bears Claim Bukich

WASHINGTON (AP) — Rudy Bukich, former Washington Redskins quarterback, was claimed by the Chicago Bears yesterday on waivers.

Babs Romack To Join Pro Circuit

SACRAMENTO (UPI) — Barbara Romack of Sacramento, one of the world's top women amateur golfers, has announced she will join the professional tournament circuit next January.

"I no longer can afford to participate in golfing events as an amateur," Miss Romack told a press conference yesterday. She said she has devoted so much time to perfecting her game, she might as well play for money.

Miss Romack won the North and South title in 1952, the Canadian Amateur in 1953, and the National Amateur in 1954. She was runnerup in the British Amateur in 1955 and in the National Amateur this year.

The Sacramento star also has been a member of the U.S. Curtis Cup team three times and has won the California State Amateur on four occasions.

Ruttman Jailed In Wife Beating

LOS ANGELES (AP)—Race driver Troy Ruttman was jailed yesterday in a wife beating investigation.

Sheriff's deputies said Beverly Mae Ruttman, 27, told them Ruttman had punched her in the face and body with his fists during a quarrel.

RAVES FOR ROOKIE

Baylor Enters Pro Cage Like Volcano

MINNEAPOLIS (AP) — Compare Elgin Baylor with George Mikan?

The man doing the neat professional job of sidestepping that one is Coach Johnny Kundla of the Minneapolis Lakers, a battlescarred vet of 11 years in the National Basketball Assn.

"They're two different kinds of players," Kundla said.

"The man amazes me," said Kundla. "To think that a rookie could lead the club in points, assists and rebounds even at this stage of the season! And be way up among the leaders in the league to boot.

"I had a lot of hopes for him when he came to us from Seattle University. But I didn't dream he'd take hold so fast."

The 6-5 All-America college star has come onto the pro scene like a volcano. In 12 games he has averaged 23.8 points a game, snagged an average of 16 rebounds and made about five assists a game.

He's been in the league for 10 games and he's already one of the 10 best players," said Coach Fuzzy Levane of the New York Knickerbockers on the Lakers Eastern swing.

Elgin's spectacular coming-out is all the more noteworthy for this: He was a pivotman in college, seldom having to worry about corner shooting. With the Lakers he's a corner man.

International Golf Aces Stricken By Stomach Illness

MEXICO CITY (AP)—The International Golf championship and Canada Cup matches got under way today, but there was an upset before they started. Upset stomachs, that is.

Almost a dozen of the 64 players from 32 countries who teed off today in the world championship of golf suffered varying degrees of "turista"—upset stomachs—on the eve of the tournament.

Ben Hogan and Sammy Snead, the favored U.S. entries, were not hit.

Pills relieved the majority of those affected and tanks of oxygen at the ninth and 18th holes today will take care of others who have complained of the mile-and-a-half high altitude.

The brightest field yet for the International and Canada Cup matches went into action early this morning on the tough, but beautiful 7,216-yard, par 72 Club de Golf Mexico course.

The two-man team with the lowest combined score will win the Canada Cup.

BOWLING

Wally Mays led the individual scoring parade with a 591 three-game series last night in the Marin Bowl's Handicap League.

Team results: The Patio d. The Strikers, 3-0; Roll and Sons d. Bianco Motors, 3-0; Myers Plumbing d. Moore's Candy, 2-1; Currie Heating d. Swain Realty, 2-1; Marin Coffe Shop d. Marin Foreign Cars, 3-1; The Cellars d. Pelican Publishing, 2-1.

Fisher Named MVP Of Tam Grid Team

Quarterback Charles Fisher last night was honored as the Tamalpais Indians' "Most Valuable Player" as the Mill Valley high school's football players were treated to an awards dinner by the Tam Boosters Club at American Legion Hall.

Other varsity honors went to end Ron Cole as the most valuable lineman and to halfback Tim Farrell and fullback John Cleaveland as the most inspirational players.

Tam closed out its season last Frday with an upset 27-19 victory over Santa Rosa, boosting the Indians' over-all season won-lost-tied record to 4-4-1.

Center Mike Walsh was the most inspirational player and guard Harold Clements the most improved on the junior varsity while halfback Bob Albachten was named the freshman team's most improved.

Line Coach Vic Rowan of San Francisco State, the champion of the Far Western Conference, was main speaker.

Cal Beats Cards In Cross Country

BERKELEY (AP)—California beat Stanford in a cross-country race yesterday.

Cal finished with 26 points in the low-score event, Stanford 33.

The top three winners in the 4-mile race were Stanford's Keith Wallace, 19:59; Cal's Roger Price, 20:10; and Cal's Alan Gaylord, 20:11.

BIG GAME NOTES

Curtice Moans As Cards Lose Byrer

By ASSOCIATED PRESS

Moaning coaches aren't exactly unusual in Pacific Coast Conference football. But the anguished cries at the moment over injured players seem to have reached crescendo proportions in some quarters.

Stanford's Jack Curtice echoed this theme when he asked yesterday, "Don't we ever get a break?"

What he actually meant was: "Why did we have to get that break in Jim Byrer's left foot?" Curtice had scheduled no-contact drills this week in the hope none of his Berkeley-bound Indians would be hurt.

Byrer, a senior and a starter at left half, managed to get a foot bone broken anyhow in a running play. He will be replaced by Rick McMillen or Skip Face when Stanford meets California Saturday at Berkeley in their traditional "Big Game."

California's Golden Bears accented pass defense. A victory in the Big Game means a straight course to the Rose Bowl for the Bears. Cal Coach Pete Elliott is mindful that the Indians have one of the strongest aerial attacks in the PCC.

Elliott termed the two-hour practice "only fair."

Curtice's troubles at Stanford appear minor when you listen to Southern Cal's Don Clark talk about his quarterback shortage as he gets ready for UCLA.

Clark tried some passing plays even though he is short on healthy throwers. He conceded afterward that Tom Maudlin and rookie Ben Charles both looked fair. Maudlin has been having shoulder pains and Charles tossed with a split middle finger suffered earlier in practice.

UCLA came up with the bad news that first string tailback Chuck Kendall, already troubled with a sore knee, has a wrist injury, too.

Kendall, the Bruins reported, will definitely not be a starter against Southern Cal. Bill Kilmer, who has logged only 48½ minutes of varsity ball this year, was tabbed to sub for Kendall.

Also on the ailing and doubtful list at UCLA are left end John Brown and guard Dave Dabov.

Putt Tourney Won By Mrs. Lilleston

Mrs. Clay Lilleston used only 12 putts to win first place yesterday in the Mill Valley Women's Golf Club's nine-hole low putt tournament at the Mill Valley links.

Mrs. Lloyd Seitzinger was second with 13, followed by Mrs. Hugh Cavalli, Mrs. R. G. Cornelius and Marcia Lee, each with 16 putts.

Third Major League Too Costly; Not Enough Talent To Go Around

CONNOLLY

Always give the other guy the benefit of the doubt is a fine creed to follow.

But sometimes it doesn't make sense. I'm referring to the news spewed all over the sports pages of the U.S.A. about the possibilities of establishing a third major league of the old "outlaw" variety.

It is not necessary or important that we enumerate the entire list of big money men eager and willing to pour their millions into such an enterprise.

All one has to remember is that when the last "outlaw" or "federal league" or whatever you choose to call it began they had the wholehearted financial support of such millionaires as Harry Sinclair, oil tycoon; Phil Ball, machinery equipment wizard; Charley Wegemann, big restaurant fellow of Chicago; the Ward Bacon people and many other terrifically wealthy business people. These folks dumped millions into the venture and wound up with nothing but headaches.

Ball and Wegemann later joined up with organized ball, the former St. Louis Browns and the latter with the Chicago Cubs. What became of the others I don't know.

In those hectic days the outlaw circuit had Chicago, St. Louis, Kansas City, Indianapolis, Buffalo, Newark, Brooklyn and Baltimore.

THE OWNERS of clubs in those cities chunked in all sorts of money, paid fat and juicy bonuses for players to "jump" organized baseball and did a lot of silly spending they lived to regret.

A fair guess would be that an undertaking today of a third major league of the outlaw type would cost $200 millions to put in action.

And then it couldn't succeed because it wouldn't have enough experienced players to spread around.

Today baseball has a pension plan for players. And once a player chunks his money into the pension he can never take it out until he retires. After 20 years, and at the ripe young age of 65, he can haul down $550 a month. At 50 years of age, and with 20 years in service, he can collect $450. And the pension plan takes care of the players in it on a graduating scale from 10 years upwards.

ANOTHER DRAWBACK to the third major league is the elaborate farm system existing in organized ball and the far reaching minor league combine that is tied so closely to the big league clubs.

So, if you read between the lines of that outlaw or third major league story of a few days ago, you can see the fine Italian hand writing of some baseball scribe with a flare for hot stove league gossip.

But the story hit the boys right between the eyes, especially the big shots of the National League who allowed New York to be deserted at least for the nonce.

CINCINNATI and Philadelphia are the only clubs in the present National League setup that might like to move into the spot vacated by the Giants.

But the Carpenter family, in Philly, is related to the Du Pont interests and, for civic purposes, might hesitate to shift over to New York.

Cincinnati recently signed a long-term lease on its park and might be hog-tied.

Another interesting as well as complexing problem is the availability of a ball park site in New York. The closest spot, I am told, is at Long Island where the World Fair was held. And that is seven or eight miles from the heart of New York and wouldn't do for the merchants what the Giants did for them for years.

WHEN I made some inquiries from the Giants family I was pledged to secrecy about using their names. But one of 'em said:

"There aren't 50 good major league prospects in all the minors today, so how do you expect to gather 400 or more without hitting the bottom of the barrel, talent-wise?"

So in case you've any spare change on hand and want to invest it, take it someplace else besides an outlaw or third major league.

Baseball needs a third major league like a reindeer needs a hatrack.

O'Doul Rehired As Bat Coach For Giants Rookies

SAN FRANCISCO (UPI) — Lefty O'Doul took over again today as batting coach for the San Francisco Giants, and that was perfectly all right with Manager Bill Rigney.

The former National League batting hero, who led the loop's hitters twice, was signed yesterday to work with the rookies in spring training next March.

O'Doul was credited last season by Rigney with helping such rookie standouts as Orlando Cepeda, Jim Davenport and Bob Schmidt.

Lefty paced the National League batters in 1929 at Philadelphia where he hit .398 then again won the title in 1932 with a .368 mark at Brooklyn.

Belvedere Sailing Champs Crowned

Season's champions for 1958 were recently announced by the Belvedere Sailing Society.

Evan Pugh won the Allen Cup for Woodpussy class; Mrs. Dorothy Bitter, Belvedere Mayor's Cup, Sun Boat (for women); Allan Steinau, Havre Trophy, Cadet class; Robert Ferguson, King Trophy, El Toro (any age); Jim Bitter, Scott Trophy, Sun Boat, (under 16); Robert Ferguson, Steinau Trophy, El Toro (any age); Ted Chiswell, Sun Cup, Sun Class; Sally Mathews, Wiley Trophy, Blue Jay; Tom Fleming III, Wood Pussy National.

The board of directors named three delegates to the Small Boat Racing Assn. of Northern California—Commodore Nye, Gordon Pritchett and Sally Mathews.

Jackie Jensen Most Valuable Player In American League

BOSTON (AP)—Jackie Jensen, whose slugging helped the Boston Red Sox to a third place finish, today was named the American League's most valuable player in the 1958 season.

The 31-year-old outfielder ended the New York Yankees' four-year hold on the coveted award by drawing 233 points in the balloting by a 24-member committee of he Baseball Writers' Assn. of America.

TURLEY SECOND

New York right-hander Bob Turley, the major league's pitcher of the year, was runnerup with 191 points, followed by Cleveland's Rocky Colavito with 181 and Kansas City's Bob Cerv with 164.

Mickey Mantle of the Yankees, the 1956 and '57 MVP winner, failed to gain a first place vote and was fifth with 127 points. Washington's Roy Sievers was next with 95 votes followed by American League batting champion Ted Williams of the Red Sox with 89.

The voting was by three baseball writers in each of the American League cities between the end of the regular season and the start of the World Series. A first place vote was worth 14 points, a second 9 points, a third 8, down to 1 for 10th.

Jensen, who led the league in runs batted in with 122, earned a place on all but one ballot. He received nine first place votes, six second, three thirds, two fourths, two fifths and one eighth.

Turley had seven first place votes, but was not named on three ballots. Colavito picked up four firsts but failed to earn a point from two voters.

Cerv, who despite injuries crashed 38 homers, drove in 104 runs and batted .305, was the only player named on all 24 ballots. He was placed on top on three ballots and had one second.

Chicago's Nellie Fox, who trailed Williams by a single point with 88, was the only other player awarded a first place vote. He was named on 17 ballots.

Jensen tapered off after a tremendous first half in which he hit 24 homers, drove in 68 runs and batted .311 to earn a starting berth in the All-Star game. He wound up with 35 homers and a .286 average.

Told of his award at his home in Lake Tahoe, Nev., Jensen said:

"Oh, that's wonderful. This thrills me to death. You have no idea how happy this makes me. The MVP is the ultimate to all ball players."

Jensen is the first member of a non-pennant winner to be voted the American League MVP honors since New York's Yogi Berra in 1954.

A standout football back at the University of California in 1948, Jensen played in the Rose Bowl and the East-West charity game. He also participated in a World Series with the Yankees. He has been a standout for the Red Sox and one of baseball's top run producers. In five seasons with the Red Sox, he has driven in 555 runs.

OTHER VOTES

Rounding out the top 10 in this year's voting were Sherm Lollar, Chicago White Sox catcher with 57 votes, and Boston second baseman Pete Runnels with 29. Runnels battled teammate Williams down to the wire before losing the batting crown by six points.

"While this was my best year," Jensen said, "I had hoped for a better one. But winning this (the MVP award) makes it as big as you can have."

Jensen is the third Boston player to win the MVP award. Jimmy Foxx won it in 1938, and Williams in 1946 and '49.

HOW HAS FORWARD PASS RULE CHANGED? In 1906 the rules committee legalized the forward pass but soon felt that it was getting out of hand *and in 1909 ruled that no pass should be longer than 20 yards.* The restriction was removed in 1912.

Steelhead Derby In Full Swing

The annual Russian River Steelhead Derby sponsored by the Guerneville Lions Club is in full swing, with fine catches reported from various points along the river.

More than 50 prizes donated by Guerneville merchants will be awarded to fishermen making the best catches. Prizes include a 10-foot boat which will go to the non-resident landing the largest steel head. A second 10-foot boat will be awarded to the resident within a 25-mile radius of the Russian River

Grant King, derby chairman, said weighing stations are located at King's Fish and Tackle Shop, Guerneville; Ferenz' Sport Shop, Guerneville, and Fern's Grocery, Monte Rio. The derby will end Feb. 28.

M.V. Boys Club's Basketball Loop Starts Tonight

Mill Valley Boys Club basketball league for 11-13 year-olds will get under way tonight with four teams in action on the Tamalpais High School courts.

Opening games send the Royals against the Dragsters and the Dragons against the Cool Flames.

Both games will start at 7:30 o'clock. The league will be in action every Tuesday and Thursday evening throughout the season.

REDWOOD GETS TAM DISTRICT GRID TROPHY

The Tamalpais Union High School District football trophy will be presented to Redwood High School on Friday at a 10 a.m. rally assembly.

Jack Baat, assistant principal, said the trophy will be presented by Chester G. Carlisle, district superintendent.

The new school won the award on the basis of its 12-8 win over Tamalpais High and 12-7 win over Sir Francis Drake High.

The Redwood varsity and junior varsity will be honored tonight at a victory banquet sponsored by the Redwood Benchwarmers Club. The affair will be held at Hamie's Restaurant in San Rafael beginning at 6:30 o'clock.

Sportsmen Ask Marin To Lease State Land

Marin Rod and Gun Club wants the county to take long-term leases on state lands edging the creeks and shorelines of the county.

In a letter to the board of supervisors Tuesday, Paul B. Ware, secretary of the club, urged that the state lands along the bay and streams be reserved "for public hunting, fishing and general recreational purposes."

He asked the supervisors to negotiate for a lease on the lands and offered the services of the club as "custodian" of the properties.

County Clerk George Jones said Ware was referring to land along the bay which has been partly filled in. He said that farmers have been putting up dykes and draining the property, then using it for farming purposes, even though they have no lease or right to use it. Now, he declared, some of them are actually getting leases from the state when it should be public property.

The supervisors asked the Rod and Gun Club to send a delegation to one of its meetings to discuss just what property the club had in mind and what it proposed to do with it.

Pro Cage Ducats On Sale In Marin

Taveggia-Brusati Sports Shop in San Rafael will serve as Marin County ticket agency for the Boston Celtics-Minneapolis Lakers professional basketball game at the Cow Palace Jan. 11, it was announced today.

Proceeds from the game will be donated to the Salesian Boys' Club Youth Fund.

Young Actor Found Dead In Car Wreck

HOLLYWOOD (AP)—Like teenagers' idol James Dean, Tom Pittman was considered one of Hollywood's most promising young actors.

TOM PITTMAN
Career cut short

Like Dean, he was moody, a habitue of coffee houses. He never owned a suit—"I never go any place where you have to wear suits."

Like Dean, he had one love—speed. Both owned 175-m.p.h. Porsche Spyder sports cars.

Dean died in his when it crashed on a highway near San Luis Obispo three years ago.

Pittman's career was just beginning to roll. Friends say he earned at least $60,000 this year in radio, television and film roles. He appeared in "The Proud Rebel" with Alan Ladd and on TV's "Wagon Train," "Cimarron" and "Zane Grey Theater."

The 25-year-old actor wasn't exactly handsome. But his boyish charm and acting ability—in the Tony Perkins-Dean-Marlon Brando tradition—earned him good parts. Critics liked him.

Then last Halloween, Pittman disappeared.

He never showed up at his apartment after leaving a party at the home of Norma Stuart, former wife of actor Keefe Brasselle.

Pittman's father, TV-radio actor Frank Alten, filed a missing-persons report with the sheriff's office. Alten said his son, liked to drive fast around mountain grades and might have gone off a road.

Officer Roy Kerton decided to check the grades in the Hollywood Hills yesterday. At a sharp curve he found the broken railing. In the 150-foot ravine was the nearly hidden wreckage of Pittman's sports car.

Pittman, lying half in and half out of the car, had been crushed between steering post and door. Eight feet of guard rail stuck through the windshield to the rear of the car.

Police said an autopsy will have to determine whether Pittman may have lived for hours, even days, after the crash.

Pittman had just completed his most important movie role in a forthcoming picture called "Verboten."

Its producer, Sam Fuller, said: "We lost a great talent with the death of Tom."

In the picture, too, Pittman meets a violent death.

Stag Dinner To Honor Mountanos

A stag testimonial dinner honoring Louis P. Mountanos, Sausalito police chief and Marin County sheriff-elect, will be held at 7:30 p.m. Dec. 16 at the Alta Mira Hotel in Sausalito.

Principal speaker will be Sheriff Matthew J. Carberry of San Francisco. The undersheriff of San Francisco and San Francisco Judges Clarence Morris, William O'Brien and Walter Carpeneti have also indicated they will attend.

Master of ceremonies will be Ernie Smith of Sausalito, radio and television personality.

Co-chairmen of the committee arranging the dinner are Sausalito City Councilman George E. Keeney and John J. Candido of San Francisco. Other committeemen are John F. Figone, John Lunt, Dr. R. B. McKenzie, Sol Langsam, Frank Bosl, Sausalito Fire Chief Matthew J. Perry and Alan Scurfield, former Sausalito mayor.

Mountanos will be given a gold star and a 10-gallon hat "so he will be well dressed for Marin parades," Keeney said.

Husband Ignores Iron Lung Wife; She Gets Divorce

LOS ANGELES (AP)—Divorce court moved to the modest suburban home of Doris Murrill, paralyzed and in an iron lung for the past nine years.

She was granted a divorce yesterday on testimony that her husband, Robert, 36, a truck driver, didn't visit her for six months. She said he also refused to bring her their son, Jeffrey, who was born one month before Mrs. Murrill was stricken with polio in 1949.

"The boy is all I have left now," Mrs. Murrill testified. "He is the most important thing in my life."

Judge Burnett Wolfson approved a settlement giving Mrs. Murrill $17 a week support. The judge also gave her custody of Jeffrey with the provision that he remain in his father's home.

Mrs. Murrill, 29, lives with her parents in their Highland Park home.

POWER'S WIDOW IN TEARS — Mrs. Deborah Ann Power, widow of actor Tyrone Power, was in tears as she was driven from Hollywood airport after arriving last night for the actor's funeral. With her is Power's business manager, A. Morgan Maree. The widow lost her composure as she faced waiting newsmen at the airport.

Power's Body Flown Back To Hollywood

HOLLYWOOD (AP)—The body of motion picture star Tyrone Power was returned to Hollywood last night. The scene was filled with sadness for his widow, Deborah Ann.

Only a handful of newsmen and the late actor's close business associates were present when the canvas-covered casket was lowered from the cargo hold of a plane at International Airport.

Power, 44, died of a heart attack in Madrid Saturday.

Mrs. Power, 26, who accompanied the body from Spain, was escorted to a waiting limousine. She is expecting a child in February.

When flash bulbs started popping, she burst into tears and rushed into the arms of Power's business manager A. Morgan Maree.

As plans were completed for his funeral tomorrow in the Hollywood Cemetery chapel, a rift over procotol seemed over. Powers' second wife, actress Linda Christian, announced she and her two daughters would not attend the rites.

Instead, Miss Christian said, they planned to pray for him in St. Martin of Tours Catholic Church in Beverly Hills.

"Our children have a beautiful idea of death, and I wish to preserve that," she said.

Power's widow had been quoted earlier as saying, "A funeral is a private affair," and also that it was her wish that the actor's daughters—Romina, 8, and Taryn, 6—remember their father as he was in life.

Power's body will be interred near the crypt of Rudolph Valentino—movie idol of an earlier era.

S. Thompson Walker Tells Of Junior Museum Activities

S. Thompson Walker, director of the Marion Junior Museum in San Rafael was the speaker at the West Novato Parent-Teacher Assn. meeting held recently.

The Junior Museum is housed in a building built for about $3,000 and is worth $45,000 Walker told his audience. Operation costs are kept to $11,000 annually "But needs the support of the community," he added.

He explained to the audience that "Because of the growth of population, people tend to look to intriguing things of science rather than surroundings," adding, "Marin County is lucky to have wild life and nature so close at hand." Walker emphasized to his audience that "Someplace there is something that appeals to everyone. It is the cheapest kind of hobby requiring no binoculars, just understanding and observance," speaking on studying nature.

Walker urged his audience to teach their children while they are young about nature.

Marin County, Walker told the audience, has over 200 different kinds of birds that come through this way during each year and there are over 2,000 different plants in Marin as well as many rocks and minerals and marine resources on three sides. Marin is on "Big Zoo" that is rapidly depleting, but progress is necessary, he said. Some things have to go, as in the case of the buffalo, but he urged, "We must learn to respect, preserve and protect the things that we are dependent upon."

The Junior museum has been established to educate not entertain. Animals are loaned, field trips are conducted during the summer; it was an information service; traps are loaned; stray animals and snakes are picked up and it had a television program for one year.

The museum will show a benefit movie Nov. 28, at three Marin theaters titled "The Great Adventure" which is about Norwegian wild life. This film is recommended for the whole family.

The museum has a membership program and is open from 9-5 o'clock Tuesday through Saturday and from 2-5 o'clock on Sunday. It is closed on Mondays.

During the business portion of the P-TA meeting the administration requested through the P-TA that no Christmas gifts from children to teachers be brought. Mrs. Nona Ritzinger mentioned the need of records to create a record library for the West Novato School and Mrs. James Cuzner, library chairman, asked for help in operating library books.

A MARIN GROUP made merry at Saturday night's Beaux Arts at the Sheraton-Palace in San Francisco and two of the members took home prizes for their costumes. In the group were (left to right) Mrs. Dudley Deane, Mr. Deane, Mrs. Arthur Dettner Jr. and Mr. Dettner, Jr.; Mrs. Marvin Wood of Sausalito, Mrs. Les Vogel of Kentfield and her husband, Miss Eleanor Judah of San Francisco and Mr. Wood. The latter won second prize and Mr. Dettner Jr., third.

Officers' Wives To Be Feted At Sausalito Club's Tea

With the wives of the men who command the Nike stations in the area as honored guests, the Sausalito Woman's Club will be hostess to the United States Army Air Defense Officers' Wives Club of the San Francisco-Travis Air Force Base area at tea following the regular business meeting of the Club on Thursday, Dec. 4.

The Sixth Region, United States Army Air Defense Command at the Presidio of San Francisco recently invited the General Federation of Women's Clubs to a meeting to introduce the members and acquaint them with the officers and their wives who command the Air Defense in the San Francisco-Travis Air Force Base area. The representatives of the Federated Women's Clubs throughout the region witnessed a parade of the men who operate and control the intricate electronic NIKE guided missile equipment.

The SF-TAFB Air Defense has 16 NIKE batteries divided into four battalions of four batteries each. Two batttalions comprise the 30th group and are stationed at Fort Barry in southern Marin with Col. Iver A. Peterson in charge. Col. M. F. Gilchrist is in charge of the 29th Group headquartered at Travis Air Base.

Maj. Gen. E. J. McGaw is in general command of this portion of the Army Air Defense on the West Coast. His headquarters are at Fort Baker, south of Sausalito.

The interesting and informative meeting was attended by Mrs. Brookner Brady and Mrs. John Koenig, Sr. of Sausalito representing the Sausalito Woman's Club.

Mrs. Koenig will head the committee in charge of the tea on Dec. 4 andt he members of the Club are urged to attend to show appreciation to the men who defend our country against enemy supersonic bombers and to welcome the wives to the area.

Team Spirit Of Models High At Tuesday 'Big Game' Luncheon

The "Big Game Hunt" of fashions scored a touchdown in originality for the popular "Fashion Focus" series of Tuesday luncheons at Rickey's Rancho Rafael.

Stepping into Rickey's spotlight were the Junior Museum Service League, leaving their natural "big game" habitat (rabbits, rats and raccoons at the Junior Museum!) and watching as eight of their members formed the "first string" modeling team.

Team spirit of the models ran high on Tuesday as each showed the glamorous holiday hair styles created by the House of Kwan Yin to compliment fashions from the Ross Valley Shop of Kentfield who carried the ball for the festive holiday ahead which traditionally begins with the California-Stanford "Big Game."

Regardless of the team they cheer in Saturday's classic, the Tuesday luncheon guests agreed on one point, the best fashion "passes" in Marin are made by the Ross Valley Shop where names like Lanz, Mr. Mort., Jerry Gilden, Eloise Curtis and Caryle offer holiday glamour for everyone whatever their figure, whether "fullback," "halfback" or too centered!

Next "Big Game Hunt," in the form of fund raising, for the Junior Museum Service League will be a special showing of "The Great Adventure," the prizewinning Swedish film on Friday afternoon, Nov. 28 at the Sequoia, Rafael and Tamalpais Theaters. Adults and children will be charmed by the fascinating film depicting life in the fields and woods surrounding a Swedish farm. Tickets are available at the Junior Museum in San Rafael, and al! proceeds from the movie will be used to further the Museum's educational fund.

GAME CHEERS

On Tuesday at show time, Marion Bellamy, coordinator of the series, welcomed the guests with a non-partisan cheer, "California, Stanford; California, Stanford, somebone's bound to fall; but a fashion "big game hunt" never fails, when Ross Valley Shop carries the ball!" Theme girls were Mrs. Preston Jones as the Stanford coed garbed in Lanz red flannel tapers, and white hooded carcoat; and Mrs. John Fraklin as the Cal rooter in black lego-tards, blue and gold plaid bermudas, white cardigan and gold scarf.

The "Big Game" fashion lineup included "Fraternity lunch," best dressed alumna Mrs. Kenneth Scott arriving in Jerry Gilden's mink collared wool jersey jacket, snug over a wool jersey sheath.

"50 yard line," cheers for the team and Mrs. John Franklin's blue and green sheer wool sheath, and perky Madcap hat.

HALF TIME

"Half Time," Mrs. Kenneth Hulme sporting Caryle's gray sheer wool, jewel detail accenting the Empire bodice.

"Big Game Dinner," eyes on Mrs. Huntley Bennet, in Mr. Mort's gamut of greens on pure silk, a satin waistband empired with a flat French bow.

"Cal Capers," causing commotion Mrs. Warren Tracy, a blend of blues, rusts, and turquoise in a silk crepe print.

"Stanford Shindig," turning heads, Lanz's pure silk Paris pink organza, unpressed pleats falling into a full skirt, the tiny waist of Mrs. Richard Bettini accented by a cumberbund; her holiday hair fashion by "Kwan Yin" a French twist.

"Victroy Dance," Mrs. Roger Thaning twirling in Jerry Gilden's cocktail dress, the bodice wool jersey, sleeves and scoop neck; thee skirt black taffeta, harem draped; wide flat wool jersey belt, the accent touch.

"Post-game magic," white crepe sheath by Eloise Curtis, deep V'd back edged with silver beads; Mrs. Preston Jones adding the interest!

Marin Women

Auxiliary Will Hear Miss Barbara Holden

Miss Barbara Holden, director of Religious Education at St. John's Episcopal Church, Ross, will be the guest speaker at the meeting of St. Mary's Chapter of the Woman's Auxiliary to be held in the parish house on Tuesday, Nov. 25 at 11 a.m.

Miss Holden will talk about her work at St. John's. Mrs. Frederick W. Wilhelmi, worship chairman, will be chairman-of-the-day. Members of the community are invited to attend and bring a box lunch. Tea and coffee will be served.

5 PERFORMANCES SCHEDULED FOR 'CHRISTMAS ON ICE'

For the second year, the Sunny Hills Junior Auxiliary will sponsor the "Christmas on Ice" presentation of the Raydine School of Ice Skating in San Anselmo. Last year's three performances were such a sellout that this year there will be five performances on Dec. 5 at 7 p.m., Dec. 6 at 3 p.m. and 7 p.m., and Dec. 7 at 1:30 p.m. and 4 p.m. Tickets will go on sale at Raydine's on Dec. 1, and proceeds from the shows will be used by the Sunny Hills Junior Auxiliary for the benefit of the children at the Sunny Hills Home in San Anselmo.

As a prelude to the show, Nadine and Ray Schramm, owners of the school and former Ice Follies stars, will skate an exhibition number. Ed McLaughlin of Radio Station KTIM will preside as master of ceremonies, and 100 children will take part in the show, which will consist of five colorful skating acts including "Santa's Workshop," "Dogpatch U.S.A.," "A Spanish Fiesta," "School Days," and "A Winter Wonderland."

Costumes are being designed by Mrs. William L. Cuneo; music, Mrs. Ralston Hodgson, and special lighting, Jack Cimino.

Sunny Hills Junior Auxiliary special chairman is Mrs. Sidney B. Ford, assisted by Mesdames Donald R. Watts, tickets; Robert Franchini, programs and posters; Robert Elliott, ushers, and Roy Farrington Jones, publicity.

WCTU Will Meet At Barstow Home

The November meeting of the Woman's Christian Temperance Union will be held on Friday at the home of Miss Irene Barstow, 824 E street, San Rafael.

The business session will begin at 11:30 a.m., followed by noontide prayer and luncheon hour.

The afternoon program will carry out the Thanksgiving spirit.

Mrs. James Lodwick will report on "For What Are We Most Thankful" from the review of the past year's work of the Woman's Christian Temperance Union, prepared by the state president, Mrs. Nellie Miller.

Mrs. Orbie S. Griffith will read an article entitled, "A Man-Eating Octopus," written by Dr. Dale Crowley, Washington's radio minister and author of a book, "The Curse of a Nation."

A questionnaire pertinent to WCTU problems will be conducted by Mrs. Minnie L. Resanovich. Taking part in a skit entitled, "The Way To Do It" will be Mesdames A. C. King, W. A. Marklinger, Lauretta L. Johnson and Miss Barstow.

Triple C Hears Talk On Park

A talk by Mt. Tamalpais State Park supervisor George E. Holmboe and welcoming of 13 new members were highlights of the Mill Valley Community Church Club's recent fall luncheon meeting.

After his introduction by program chairman Mrs. N. W. Symmes, supervisor Holmboe talked on the interesting geological aspects of Mt. Tamalpais and its camping site facitities.

Following devotionals presented by Mrs. P. R. Burris, Mrs. Walter Evernar, club president, conducted a brief business meeting.

Welcomed and presented with corsages by membership chairman Mrs. Charles Crawford were new members Mesdames Victor Novacek, William Fleming, Thomas Zilka, David Reed, Art Kermoyan, Robert Matson, Fred N. Nestler, James Verby, Don Niessen, George Saxton, Richard Beedle, William Moore and Mrs. Mabel E. Moxon.

Mrs. Everhart displayed the robe the Triple C has purchased and presented to the Rev. Gordon Foster.

For the luncheon prepared by Mrs. Emma Krohn and her committee tables were beautifully decorated with fall fruits and flowers by Mrs. William Pemberton.

Assisting Mrs. Krohn were Mesdames Norval Merritt, W. B. Mason and Jean Crane.

OF INTEREST here is the wedding of Shirley Jean Hendersen, daughter of Mr. and Mrs. Archie L. Poulin of Rapid City, S. D., formerly of Marin County, to William A. Peters of Luzerne, Pa. The wedding was performed in the Ellsworth Air Force Base Chapel in South Dakota.

Shirley Henderson Becomes Bride In South Dakota

Shirley Jean Hendersen, daughter of Mr. and Mrs. Archie L. Poulin of Rapid City, S. D., formerly of Marin County, became the bride of William A. Peters of Luzerne, Pa., in a recent ceremony at the Ellsworth Air Force Base Chapel in South Dakota.

The 3 o'clock ceremony was read by the base chaplin.

Given in marriage by her father, the bride wore a floor length gown of white lace over satin fashioned with scalloped neckline and net over tulle skirt. Her shoulder length veil was attached to a sequin and pearl coronet and she carried a bouquet of carnations and red roses.

Mrs. Jim Yonchewski of Rapid City, as matron of honor, wore a blue velvet sheath gown fashioned with net overskirt and she had white elbow length gloves. She carried a colonial bouquet of white carnations.

Jim Yonchewski of Rapid City was best man.

For her daughter's wedding, Mrs. Poulin wore a beige linen sheath dress with brown accessories and a yellow rosebud corsage.

A reception followed the ceremony at the Ellsworth Non-Commissioned Officers' Club.

The bride was graduated from Tamalpais High School. She is now employed at City Hall in Rapid City.

The bridegroom is a graduate of Luzerne High School and is with the U. S. Army.

The couple will make their home in Rapid City.

Jolene Ferrari Becomes Bride At Picturesque Bavarian Rites

Like a scene in fairyland was the wedding of Jolene Marie Ferrari and Gerhard Walter Scholten on Saturday at St. Peter's and Paul's Catholic Church in Tutzing-am-See, Bavaria, on Saturday morning. Snow was falling on the beautiful baroque church, built in 1659, as the young couple exchanged vows at the 11 o'clock nuptial mass.

Deep red velvet were the princess-styled gowns of the two attendants who preceded the bride down the aisle and they wore white ermine headbands and sprays of holly were caught to the mock ermine muffs they carried. Mrs. Karl Schreiber and Mrs. Eberhard Ketterer, the bridegroom's sisters, were matron of honor and bridesmaid respectively.

Two children, both two years old, whose uncle is the bridegroom, were in the wedding party. They were Ulrika Schreiber, flower girl, and Stefan Ketterer, ring bearer.

The bride, who was given in marriage by Dr. Hans Garrelt, a close family friend, wore an intermission length gown of white Duchess satin, designed with a deep square neckline, three quarter length sleeves and full paneled skirt studded with rhinestones. The gown was designed by Mrs. Richard Merriam, a fashion artist of San Rafael, a close friend of the bride, and of her mother, Mrs. Florence Ferrari of San Rafael. A Juliet cap of white satin held the bride's fingertip length illusion veil. White roses and lilies of the valley were in the bride's bouquet with a background of ivy and her crystal and silver rosary beads were a gift of her friend since childhood, Sister M. Gilbert, O.P. of the Dominican Convent, San Rafael.

The bridegroom's brother, Gustav Scholten, was best man. Mr. and Mrs. Richard A. Anderson (Sari Borden) of San Rafael, who are staying in Switzerland, came to Bavaria for the wedding and he was an usher. Other ushers were Eberhard Ketterer and Karl Schreiber.

The Rev. Karl Katzenchwanz officiated at the double ring ceremony before an altar decorated with laurel plants and white pompon chrysanthemums. White satin covered the kneeler.

The reception following the ceremony took place at the bridegroom's home in Tutzing.

The three tiered colonnaded wedding cake was topped with two white doves and a golden ring and decorated on the sides with white roses and silver leaves. Gardenias centered the bride's table. Mrs. Anderson, who speaks German fluently, was in charge of the guest book. It had been sent by the bride's mother and before it was mailed sisters at Dominican and other friends of the bride, had written their names in it.

The bridegroom's mother, Mrs. Gustav Scholten of Tutzing, wore a black and white flower print peau de soie sheath and black satin hat. The white orchids in her corsage were sent by Mrs. Ferrari who also sent white orchids to the bridegroom's grandmother, Mrs. Herman Fischer. Her husband, the late Dr. Fischer, was a member of the German Reichstag and president of the German Bank. The bridegroom's father, the late Dr. Scholten, was chief of the Gynecological Hospital in Munich.

The newlyweds left by automobile for a two weeks' honeymoon at Garmisch-Partenkirchen, a famous skiing resort in the Bavarian Alps. They will reside at Sprungleitenweg 3, Tutzing.

The bride whose, father is Milton Ferrari of San Francisco, is a graduate of Dominican Convent and Dominican Upper School and Stanford University and she received the B.A. degree in German at Munich. She was president of the German Club at Stanford and was a member of Sigma Phi Sigma and Stanford Ski Club. She was also one of the Pink Ladies at Marin General Hospital. The bride is now a private secretary with Radio Free Europe in Munich. She is the granddaughter of Mrs. Joseph Ferrari of San Francisco

The new benedict was graduated from Wittelsbach High School in Munich, University of Freiburg and will be graduated from the University of Munich, where he is studying for a degree in law, in the spring. He will then engage in the practice of corporate and industrial law.

WSCS Hears Review By L. E. McCormick

Thirty members of the Women's Society of Christian Service of the Novato Community Methodist Church heard Leonard E. McCormick review "Something To Stand On" by Dr. Lewis Dunnington recently.

The book is a compilation of sermons by Dr. Dunnington specifically intended to satisfy students of the University of Iowa that the basic principles of the Bible, if approached with intelligence, are completely acceptable in the light of modern science.

Prior to the review reports were given by Mesdames James Melmic, Dan Andersen and Mark Wills.

The devotion for the afternoon was led by Mrs. Jack Lewis and Mrs. Ray Laird introduced the guest speaker.

The next meeting of the society will be held on Dec. 8, at 8 p.m. at the church, located at 1413 South Novato boulevard.

THE FIRST METHODIST Church in Napa was the setting for the recent wedding of Yvonne Maria Barri of San Rafael and Kenneth Richard Hymer of Napa. The bride is the daughter of Mr. and Mrs. Andrew F. Sandusky of San Rafael. (Stutzman photo)

IN NAPA

Yvonne Barri Bride Of Kenneth Hymer

Pedestal baskets of white stock, white chrysanthemums and snapdragons were at the altar of the First Methodist Church in Napa for the recent marriage of Yvonne Maria Barri, daughter of Mr. and Mrs. Andrew F. Sandusky of San Rafael, and Kenneth Richard Hymer of Napa.

The bridegroom is the son of Mr. and Mrs. George R. Hymer of Napa.

The Rev. Andrew Juvinall officiated for the 2 o'clock double ring ceremony.

Robert Burris sang "Because" and "The Lord's Prayer" preceding the ceremony. Helen Ayers was at the organ.

Given in marriage by her stepfather, the bride wore a full length gown of white Chantilly lace fashioned with modified sweetheart neckline and Empire bodice. The full skirt ended in a chapel train. Her fingertip veil of illusion was attached to a coronet of seed pearls and lace. Her only jewelry was a single strand of pearls with pearl earrings. She carried a cascade shower bouquet of white carnations and stephanotis.

Vilma Bremmer of Kentfield, as maid of honor, wore a capucine ballerina length taffeta gown fashioned with insert panels of embroidery. She wore short white gloves and shoes to match her gown. A velvet bandeau with circular veil matched her dress and she carried a bouquet of tangerine carnations.

Gowned like the maid of honor were bridesmaids, Mabel Kehl, Berniece Robello and Ruth Madsen of San Rafael. Marina Brignoli, cousin of the bride of Napa, was junior bridesmaid. Her gown was identical to the honor attendants.

Ronald Keith Stukey of Napa was best man and ushers were James Barri of San Rafael, the bride's brother, Michael Sandusky of San Rafael and Gene Hymer, the bridegroom's brother, of Napa, and Charles Stumpf of San Rafael.

For her daughter's wedding, Mrs. Sandusky wore a dress of steel blue lace over satin with mauve accessories and an orchid corsage.

The bridegroom's mother wore an aquamare taffeta dress with black accessories and an orchid corsage.

A reception for 300 guests followed the ceremony at the Eagle's Hall in Napa. White chrysanthemums were carried out in arrangements. A buffet luncheon was served and prepared by Mr. and Mrs. Vincent Denegri of San Rafael and music was provided for dancing.

The bridal table was covered with a hand crocheted tablecloth made by the bride's maternal grandmother, Mrs. Mary Quaini of Napa. She made the cloth for Yvonne's wedding.

The guest book was in charge of Ronda and Kathy Quaini of Napa, cousins of the bride.

For a wedding trip to Lake Tahoe, the bride wore an Italian silk print dress of gold and green with black accessories and fur stole. She had an orchid corsage.

The bride was graduated from San Rafael High School.

In 1956, Yvonne won a beauty contest sponsored by the San Rafael Junior Chamber of Commerce and was the original Miss Marin. She was "Miss Bridge Fiesta Queen" for the opening of the Richmond-San Rafael Bridge. She has been employed by Bank of America in San Francisco for three years and transferred to the Napa branch in October.

The bridegroom is a graduate of Napa High School and served four years with the U. S. Navy. He is now employed at Travis Air Force Base.

The couple will reside in Napa.

Dorcas Says Lunch-Bazaar Big Success

The semi-annual bazaar and luncheon of the Dorcas Society of the Congregational Community Church of Fairfax was held last week. So many people came to the luncheon that extra tables had to be set up in the bazaar hall.

The tables were decorated with fall leaves and grapes. The sales at the bazaar booths moved quickly from early in the morning until the closing hour. More money was taken in at this event than at any previous bazaars, which have been held semi-annually for 38 years. The Dorcas Society was started in 1920.

Booth committees were Mesdames C. B. Brook, sewing; A. P. Wurz and Thomas Humphry, plants; L. B. Curtis and John Campbell, white elephant; Thomas Teare and Florence Diercks, Christmas decorating; Louis Dallara, Christmas cards. The Women's Fellowship booth conducted by Mrs. J. C. Uhte, sold food, pies, cakes, cookies, etc. The Couplers Club booth, conducted by Mrs. Don R. Miller, sold Christmas wrapping paper. The serving committee for the luncheon, home-cooked by nearly all the members of the society, included Mrs. W. J. Bennis, chairman, and Mesdames D. B. Johnson, Robert Roy, W. J. Fisher, G. W. Hiltabrand, Austin Boulter, Mary Hightower, Charles McLain and C. F. Campbell.

The next meeting of the society will be on Tuesday, Nov. 25 beginning at 1:30 p.m. Refreshments will be served first. The hostess committee includes Mesdames Johnson, Fisher and Roy. The meeting will be conducted by the president, Mrs. C. J. Bergstrom.

Guild To Hold Holiday Bazaar

The Blessed Sacrament Women's Guild will hold its regular meeting Nov. 24 at 8 p.m. in the Parish Hall in Santa Venetia.

A final report will be made on the fashion show held recently. This very successful event had as its chairman Mrs. Roberta Carlson, and as co-chairman Mrs. Jackie DeNevers.

The Guild will hold a Christmas Bazaar Dec. 7 from 8 a.m. to 2 p.m. in the Parish Hall. All types of interesting and decorative articles will be for sale.

Christmas cards and wrappings are being sold in the hall after each Mass on Sundays.

Baby Is Christened In Episcopal Rite

Mr. and Mrs. James T. Pinkard and their baby daughter, Mary Katherine, have returned to their home in Santa Maria after a visit with Mrs. Pinkard's parents, Mr. and Mrs. John K. Taylor of San Rafael.

Highlight of their visit was the christening of Mary Katherine at St. Paul's Episcopal church in San Rafael, with the Rev. Henry Getz, rector, officiating. Afterwards Mr. and Mrs. Taylor entertained the christening party at a dinner at their home in Loch Lomond.

This was a triple celebration, as it was Mrs. Pinkard's birthday and the day before her husband's birthday.

Godparents of the baby are Mr. and Mrs. V. E. Haley of San Francisco and Mrs. Thomas Beyers (Carol Desimore) of San Rafael.

'JUST FOR FUN' PARTY PLANNED BY GREENOAKS UNIT DEC. 13

"Just For Fun," will be the no-host cocktail party for members of the Greenoaks Unit of the Friends of Arequipa, and their husbands, to be held Saturday, Dec. 13, at the home of Mr. and Mrs. Frank Cox in Greenbrae. The party, which has become a Holiday tradition with the Greenoaks Unit, was held originally in combination with the dress rehearsal for the Christmas show with which, each year, the members of this group entertained the patients at the Arequipa Sanatorium.

Since Arequipa this year is being used as a recreation center for the Society of Crippled Children and Adults, and as such has no resident patients, there will be no Christmas show and no dress rehearsal. However the Unit, under the chairmanship of Mrs. Max Boone, decided to hold the party anyway, as a combination Christmas celebration and a reward for a year's work well done.

Scout Groups Set Semi-Formal Dance

The annual fall semi-formal dance of Marinership No. 132, Girl Scouts and Explorer Post, No. 39, Boy Scouts, will be held tomorrow night at 8:30 through 12 p.m. at the San Rafael Improvement Club.

Chairman of the dance arrangements is Barbara Cassin who is assisted by Jean Lang, Tanya Lazar, Skippy Shapiro, Sally Withero and Bunny Brown.

On the Post committee are Richard Pingatore, advisor and Pete Dawson, Mike Standish and Larry Grubert.

Chaperons for the dance will be Mr. and Mrs. Leonard Schoff, advisors for Marinership No. 132 and Mr. and Mrs. Edwin E. Brown and Mr. and Mrs. Richard Pingatore.

Mrs. Stout Marks Birthday At Party

The 85th birthday of Mrs. Mamie Stout of San Francisco was the occasion for the gathering of five generations, including residents of Novato as well as San Francisco.

Her birthday party was held at the home of Mrs. Stout's son, Virgil Stout, in San Francisco. Completing the group were her grandson, James Kimbell Sr., of Novato; her great grandson, James Kimbell Jr., of Novato, and her five-weeks-old great great granddaughter, Julie Marie Kimbell.

News Of Newborn

A son, Kurt Walton, was born Nov. 7 to Mr. and Mrs. Arthur Sears of Novato. He is the first brother of Linda 8 and Teri, 5.

Mr. and Mrs. Sears have lived in Novato for six years. Art, who was born and reared in Marin, is branch manager for Pepsi-Cola Beverages of Marin County. Mrs. Sears (Ann) was born in Georgia but her father, Lt. Col. Shirley H. Workman, now of Los Altos, retired from the Air Force at Hamilton Air Force Base in 1950, where he was executive officer of the Overseas Replacement Depot there.

In addition the children's maternal grandparents, Lt. Col. and Mrs. Workman, his paternal grandparents are Mr. and Mrs. F. W. Lawrence of San Rafael and Walton Sears, for whom the baby was named, of Mill Valley.

IN PETALUMA

Patricia Louise Kohl Weds Martin Thomas Guide Jr.

The First Baptist Church in Petaluma was the setting for the recent wedding of Patricia Louise Kohl of Novato and Martin Thomas Guide Jr. of Great Falls, Montana.

The bride is the daughter of Mr. and Mrs. Robert F. Kohl of Novato, and the bridegroom is the son of Mr. and Mrs. Thomas Guide of Avoca, Pa.

The Rev. Fred Brock officiated for the 3 o'clock ceremony. Mrs. Marjorie Peek sang "The Lord's Prayer," and "Because" preceding the ceremony.

Given in marriage by her father, the bride wore a ballerina length gown of Chantilly lace and net fashioned with a full skirt, scalloped neckline and long lace sleeves. Her fingertip veil of illusion fell from a coronet of seed pearls and she carried a bouquet of white carnations and stephanotis centered with a white orchid.

Mrs. Monty Kirkland of Petaluma, as matron of honor for her sister, wore a ballerina length gown of pink lace and net fashioned with a large bow at the back. She carried a bouquet of pink and white carnations.

Bridesmaids, Mrs. Don Peterson of Santo Rosa, and Roberta Melberg of Petaluma, wore gowns like the matron of honor and carried bouquets of pink and white carnations.

Louise and Carolyn Nissen were candle lighters.

For her daughter's wedding, Mrs. Kohl wore a navy blue wool dress with pink accessories and an orchid corsage.

The bridegroom's parents were unable to attend the ceremony.

Hall Shrieves of Santa Rosa was best man and ushers were Monty Kirkland of Petaluma and Bill Jocoby of Novato.

A reception followed the wedding in the church parlors.

Landra Levensaler, Caron Moyer and Lorraine Nissen were aides at the reception. Mrs. Polly Dixon served the wedding cake.

For a wedding trip to Pennsylvania, the bride wore a black and white tweed suit with fur collar and black accessories and a white orchid corsage.

The bride was graduated from San Rafael High School. She is employed at the Matson Navigation Co., in San Francisco.

The bridegroom was graduated from Avoca High School and is an instructor with the U. S. Air Force at Malstrom Air Base, Great Falls.

After Dec. 1, the couple will take up their residence in Great Falls.

CUTTING the cake following their recent marriage in the First Baptist Church in Petaluma are Mr. and Mrs. Martin Thomas Guide Jr. The bride was the former Patricia Louise Kohl, daughter of Mr. and Mrs. Robert F. Kohl of Novato. (Deckers photo)

Janice Gade Places At Exposition

Janice Gade, daughter of Mr. and Mrs. Harold A. Gade of Sleepy Hollow, placed second in the 3-gaited, Ladies to ride, class at the Grand National Livestock Exposition, on her mare "Party Doll."

She was also winner of her class at the recent Menlo Circus Club, and placed fourth at the Sacramento State Fair. Her 5-gaited mare, "Lobell's Silhouette," placed eighth in the $500.00 Amateur Stake at the Grand National, and was third in her class at Menlo. Janice's horses are in training at the Lee Sole Stables in Sacramento.

In addition to her gaited horses, Janice owns and shows a registered pinto, "Comanchero," in Western classes. He has over 20 blue ribbons to his credit this season, and placed second in the Model Children's Mount Class at Sacramento in competition with 35 others. Jim McCann, at the Circle V Stables in Fairfax, trained Comanchero for Janice.

Booth Planned At Kaffee Klatsch

Friends gathered at the home of Mrs. Frank Solomon in Greenbrae recently for a "Kaffee Klatsch," at which grocery booth plans were discussed for the St. Sebastian's "Carnival de Noel," Dec. 5, 6 and 7.

A large selection of groceries have been gathered.

Present at the "Kaffee Klatsch" were Mesdames Manlio Micheletti, C. Stanley Lawrence, Andrew Pansini, Charles Schroth, Constantine Bricca, Robert Meyer, Peter Sarocke, Nello Ragghianti, and Henry Kruger.

Check Your Tax Bills If You Were Given Reduction

In recent weeks many letters have been written to the Board of Supervisors complaining that tax adjustments given either by reappraisal officials or the supervisors themselves were not reflected in tax bills now being received.

What shall we do? wail the overcharged taxpayers.

They have a wail coming.

Not only that, there is something they and the supervisors can do about it.

This is the problem. Not many days remain between now and Dec. 10, deadline for the first tax installment. Some of the taxpayers are threatening to withhold payment.

Don't do it, says County Counsel Leland Jordan. If the payment isn't made, there will be a penalty on the properly due amount and no one can get you out of that.

But payment can be made under protest, Jordan noted. Any taxpayer who is unhappy about his taxes can pay but protest that portion of the taxes which he thinks is unfair.

This is important! You can't protest the whole payment and then expect to get part of it refunded. Protest only that part which you think is unfair. If you protest the whole thing and the case should go to court, a court would rule you either owed it all or none, Jordan said. So you'd be stuck. Protest only that part which is in dispute. You're willing to pay your fair share, aren't you?

What this does is give you time. It gives you six months to either work it out with the assessor and/or the supervisors, go to court for legal redress, or forget the whole thing.

Most of the cases which have come before the board recently need never get to court. Most of them are actual clerical errors, mistakes in omitting or exceeding the instructions of the supervisors in adjustments granted during regular equalization hearings. They may be rectified either before or after the deadline for first half payments. If before, no excess payment will be demanded, if after, a refund can be made of excess taxes paid.

There are certain steps you should go through if you plan to pay under protest. You can get these steps from the county tax collector; he'll be glad to help you.

But the important thing right now is to examine your tax bills and make sure you got all the adjustments granted you. If not, you better get in touch with the supervisors right away.

Why The Attack On Raccoons?

EDITOR,
Independent-Journal:

I hope that Mrs. O'Hartnett enjoyed spending the dollar she earned for presenting the tail of a 'coon.

These little animals come to our door every evening for food. They mean as much to us as our house pets.

I can not understand how anyone could so cruelly kill one of these little creatures for a dollar.

What, oh Board of Supervisors, have they done to deserve your condemnation?

Marin is one of the few counties in the Bay Area where the fast dwindling wildlife still runs free. What is the reason for this unprovoked attack on these harmless animals?

Tale To End Tales Of Appraising

EDITOR,
Independent-Journal:

Here is a letter to all Marin County Taxpayers:

Let us tell you a tale that will end ALL tales on the accuracy of our so-called "tax appraisers." In 1956, the City of San Anselmo had a "tax" sale, and the undersigned bought a "swimming pool," aptly named by Chief Don Wood, who conducted the sale for the city.

Now this lot was appraised by the City of San Anselmo as not worth more than $50. There were no other takers, so more as a gag we bid $50 and became the legal owners of this lot, located on Butterfield Road, and upon examination found it to be a creek, extending from the street and back the entire length of the lot.

We have laughed many times about it and called it our "Midsummer Night's Dream." Our city and county taxes were fixed last year at $13, excessive, but who could get hurt?

BUT, just let our appraisal committee, from the comforts of their desks (paid by you, Taxpayers) — well, a lot on Butterfield Road, surely must be valuable — so, dear Taxpayers, they just at random jot down the figure that they had been appraising the rest of the lots on Butterfield Road — $3,500.

Now mind you, if the undersigned had received that little notice mailed in April with this RIDICULOUS figure, there would have been a marathon race to the county office, but as with many others this important document never reached us. Every taxpayer cannot check these things each and every year, they must believe in the integrity of their appraisers. Imagine our surprise when we received tax bills in the amount of $66.67, more than we paid for the lot. The county had placed a marketable value on it of $3,500 and adding insult to injury, the City of San Anselmo must copy the mistakes of the county and place a value of $1,250 on their $50 lot.

If this is an example of the ability of the appraisers to place a MARKETABLE VALUE on Marin County properties then we say, Heaven help us all, Taxpayers.

RAINBOW HANDS A GIVEAWAY

An 8-year-old boy was caught "red and purple" handed after turning in a false alarm in Portland, Me., not long ago.

Local firemen had been fooled by a bogus alarm. So, they devised a plan that would surely identify the next culprit. They covered the handle of the alarm box with a red and purple dye. Anyone attempting to turn it would be left with a tell-tale double-colored smear on his hands.

When the second false alarm was sounded the next day, firemen closely checked the youngsters gathered to watch the fire trucks. It wasn't difficult to spot one small boy with "rainbow" hands. The surprised youngster was turned over to police for a lecture.

Those who indulge in any form of mischief or wrong-doing seem at times to fool everybody and give the impression that "crime does pay." But in their hearts they realize that the Lord knows them for what they are.

Live up to your obligations to God and man and you will always have peace of mind and heart.

"Man seeth those things that appear, but the Lord beholdeth the heart."

Another Family Storm Survived: Faith In Santa Still Strong

NEW YORK (AP) — We have just survived one of those storms of doubt that shake family life to the roots.

It was a new crisis in an old belief — a crisis for which I was quite unprepared.

Without any warning my daughter, Tracy, who is nearly half-past 5, looked up from the floor, and asked: "Daddy, do you think there's a Santa Claus?"

"Well, if there isn't," I replied absent - mindedly, "I don't know what the Democrats will do in 1960."

"Well, you know what I hear? I hear there ain't really any Santa Claus at all. It's just your father and mother all the time."

"Where did you hear that?"

"Never mind," said Tracy, leering up craftily. "But the word's going around. All the kids are talking about it."

There was a lengthy silence as my mind churned frantically.

"Well, Daddy, what do you think about Santa Claus?" prodded Tracy. "Tell me truly."

"WHEN I WAS a little boy we used to hang up our stocking every Christmas eve," I replied evasively. "And we always tried to get the biggest stocking we could find. We hoped Santa Claus would fill it up.

"The next morning, sure enough, it was full of nuts and candy — and right at the bottom of the sock was a great big orange, the best gift of all. People didn't have an orange every day then. What do you think of that?"

"It sounds to me like Santa Claus was pretty hard up in those days," said Tracy in one of the classic understatements of the 20th century.

BUT SHE DROPPED the subject. The other night when I came home she climbed up next to me on the sofa. She held a pencil and paper.

"Daddy, there are an awful lot of liars in this neighborhood," she said, smoothing out her dress.

"I mean about Santa Claus. They been saying it's just your father and mother. But I went to the department store with Mommy this afternoon. And guess who I saw.

"Santa Claus himself! He's even fatter this year. He's even fatter than" — words failed her for a moment — "He's even fatter than you."

Legislature Faces Problems In Switching To Continuous Session

SACRAMENTO (CNS) — Transition of the working operations of the state Legislature must be made from the old and established practice of having a 30-day recess, to a continuous session, as voted by the people in Prop. 9 at the Nov. 4 general election. It is going to take quite a bit of effort, and much work on the part of the Rules Committees of the Assembly and Senate.

Alan Miller, chairman of Assembly Rules, says, however, that he believes the transition can be accomplished without too much trouble. Miller has been holding hearings on the subject and announced he would call another meeting about the middle of December to wind up the details.

THE FIRST problem encountered is that of bill introduction. In the past, senators and assemblymen were permitted to introduce all the bills they wanted to introduce during the 30 day period following the opening of the session on the first Monday in January.

Under the new constitutional amendment, however, bills may be introduced at any time, and may not be acted upon until 30 days following introduction. This means, of course, that the legislators will have ample opportunity to introduce as many bills as they choose during the first 30 days, and theoretically, at least, could complete action on these bills in 60 days after the opening of the session.

HOWEVER, LEGISLATORS do not look for any such Utopia, because of the normal delays on bill action, the hearing demanded before committees and the many changes that are effected during the course of a bill's trail through the Legislature.

And then the fact that legislators can continue to introduce bills following the opening 30 days presents another problem to the Rules Committee.

The discussion now is to permit unlimited introduction of bills during the first 90 days of the session, and following that period, adopt a rule not actually limiting introduction, but requiring a two-thirds vote to permit introduction of a new bill, and accompany the bill with a statement of purpose, a digest and other information legislators and the public might want.

THIS PROCEDURE undoubtedly would keep the bills down and give legislators more of an opportunity to spend their time on the measures already before the house.

"The public," said Miller, "has mandated the Legislature to get busy and get its work done. Many of us feel that a rule is necessary which will make the introduction after a 90-day period a highly important event, and require much explanation and a consent before the measure comes before the two houses."

Many other problems will arise, primarily the printing of a bill digest, but Miller expects that all will be solved before January.

Firemen About Break Up Council Meeting, Find Only The Police Car

Corte Madera Council meetings, noted for their generation of heat, but not always light, acquired a new diversion Monday night.

At precisely 9:40 p.m. the alarm horn atop the town hall started booming out its signal. The 50 council meeting spectators sitting below were somewhat startled.

Twenty seconds later a fire truck engine had been started. (This statistic is contributed by Councilman Edward Colthurst, who is a volunteer fireman.)

The fire truck rolled up to the top of Corte Madera grade and found Police Officer William Anderson standing some what sheepishly next to his patrol car. The car wiring had caught fire but it was out on arrival of the fire crew.

THE GROUP that turned up at the council meeting was made mostly of old friends and familiar protestors. Even when you are on different sides of the fence, familiarity seems to breed a sort of affection.

Adolph E. Lubamersky got chuckles from the audience with his impassioned plea against extending Tamal Vista drive, on which he happens to live. Armed with a pointer he stood in front of a Corte Madera map and declared:

"Yes, we do object to through traffic.

"You're telling us the state goofed and now we should be nice citizens and let the road go through.

"Two buses went through the other day and it felt like an earthquake. Our house is built on fill, you know."

Lubamersky pictured himself as a constant do-it-yourselfer with sheet rock in one hand and a hammer in the other if heavy trucks made a habit of going along Tamal Vista to get to industrial property to the north.

The council, for this and other reasons, turned down an agreement to extend Tamal Vista through the Charles E. Paganini property and into the Fifer industrial tract.

The residents of Tamal Vista were safe for a while longer from earthquakes on wheels going by outside their doors.

WHILE THE COUNCIL was still talking about Tamal Vista, Planning Commission Chairman John Adlard stood up, puffed his cigar and began to pontificate on the subject of good planning.

In measured words he gave his opinion that "extension of Tamal Vista is the one logical route . . . better than Lakeside drive."

One part of the now-discarded agreement with Paganini had provided for 10 days notice to the town whenever Paganini had a use permit pending before the County Planning Commission. (The 14-acre Paganini property is an unincorporated island surrounded by Corte Madera.)

Adlard declared that notification was not apt to do Corte Madera much good because "the county planners aren't in sympathy with our problems."

He has recently found that the county planners don't entirely go along with the Corte Madera general plan, but still hopes that the county supervisors will.

President, Congress, Governors Must Act To Resolve Integration

Current headlines read: "Little Rock Ordered To Resume Integration"; "Little Rock School Board Quits"; "Catholics, Protestants Support Integration"; "Integrated School Dynamited."

One thing is excruciatingly evident: It is that the problem of public school integration is not going to be resolved by continuing to ignore it, to neglect it, to try to pretend that it doesn't exist.

It is simply no longer good enough for the President and Congress to base policy on the wishful hope that if they close their eyes tight enough, it will go away.

It won't, and it is reckless to tranquilize our minds longer to the fact that what is now a national danger will soon become a national calamity unless something is done about it.

THE NEED IS to replace a policy of neglect and default with positive action by the President, the Congress, and the governors.

As the basis for useful federal-state action, it seems to me that these facts must be fixed clearly in mind:

The integration ruling can only be changed by a reversal of the Supreme Court's unanimous decision or by constitutional amendment. Neither of these things is going to happen.

Either the 14th Amendment, as interpreted by the court, is going to be carried out or massively evaded and if at any level of government citizens are to accept only those decisions of the Supreme Court they like, then our very system of law and order is on the way to breaking up.

WISE, PATIENT, prudent but steady enforcement is attainable but only if the President, the Congress and the governors act to attain it.

Already 400,000 Negro students are attending integrated Southern schools and nearly 800 — about 27 per cent — of the South's bi-racial school districts have some desegregation.

Two conclusions emerge.

It is wishful to expect that mass integration is possible of early attainment in the South, but it is equally untrue to contend that no integration in the South is possible, because it is already taking place and being slowly extended.

What, then, needs to be done?

The need is to further the judicious extension of the desegregation process while at the same time making it clear that integration is not going to be imposed massively overnight before local opinion has been prepared.

This process will not be furthered by just hoping for it. It demands positive action by the President and Congress in cooperation with the governors.

One proposal which reaches in this direction is that of Gov. Leroy Collins of Florida, which would set up federal-state commissions to recommend how, where and at what pace integration can be carried forward.

The alternative to some such action is chaos.

North Marin Consuming More Water

Water consumption in North Marin Water District is at a rate twice that of this time last year, district directors have been informed.

Jerome B. Gilbert, district engineer, reported consumption for October and thus far in November is 100 per cent above the rate for the corresponding period of 1957. For this year to date, he said, consumption exceeds that of last year by about 20 per cent.

Gilbert reported also that the Coyote Dam project in Sonoma County, being developed by the Sonoma County Flood Control and water Conservation District, should be considered as a possible new source of water for Novato. Several other new potential sources are being studied also, he said.

Al Jackson, district auditor, reported that $132,000 was advanced by subdividers for pipeline extension work during the first four months of this year.

Bolinas School To Invite Parents

Parents in Bolinas School District will be invited to some night meetings at the school to discuss curriculum standards and possible changes, Trustee Gene McDaniel announced today.

McDaniel said that there will probably be a meeting before the holiday and one following and that Principal David Probert will send notices to parents asking them to attend.

Rape Charge Against Olema Man Dropped

Rape charges will be dismissed against Billy Gene Gravette, a 21-year-old Olema mill worker accused by a 40-year-old Inverness Park housewife last Saturday.

As a result of lie detector tests, voluntarily taken by both Gravette and the woman, the district attorney announced that evidence is insufficient to press the charge.

Asst. Dist. Atty. Roger P. Garety said the woman agreed to drop the accusation.

Fairfax Schedules Dec. 4 Hearing On Apartment Zoning

A public hearing on apartment zoning for 5.3 acres between Sir Francis Drake boulevard and Olema road will be held at 8 p.m. on Dec. 4 by the Fairfax Planning Commission at the council chambers, 18 Bank street.

The city council on Monday evening annexed the land to the City of Fairfax. The council told developers Robert Roumiguiere and William J. Watt of San Anselmo that final action on zoning would not be taken until they presented evidence of a water connection to the property.

The council by resolution asked the planning commission to amend the present zoning ordinance to include an apartment zone designation. After the planning commission hearing the council must hold two public hearings before it may act on the proposed zoning.

Permit Sought To Dredge Channel

A group of 19 owners of property along the east shore of Strawberry Point has applied to the Army for a permit to dredge an existing channel in waters off the point and fill their tideland properties with the dredged material.

The application was filed by Peter L. Humphrey, 235 East Strawberry drive, on behalf of himself and 18 other owners.

Any objection to the plan should be filed in triplicate with the Army Corps of Engineers in San Francisco by Dec. 17, it was announced.

Auto Hits 3 Trees; Mom, 2 Kids Hurt

A 24-year-old San Rafael mother with four small children in her car hit three trees along San Rafael avenue in San Anselmo late yesterday morning. Her wrecked car had to be towed away.

Mrs. Mary Ann Good of 465 Pinewood drive, San Rafael, was given emergency treatment at Marin General Hospital for a cut lip. Her five-month-old baby, Gregory, suffered bruises on his head and a possibly more serious head injury, and Marie, 3, suffered a bruise on her head. The other two children, Lisa, 1, and Lloyd, 2, were apparently uninjured.

Delivery of the wreaths is planned for Dec. 13 and 14, he said. Profits from the sale will go to the individual Scouts, for Scouting purposes. The troop is sponsored by the Novato Rotary Club.

Sausalito Manager To Advertise For Successor To Mountanos

With Councilman George E. Keeney dissenting, the Sausalito City Council has authorized City Manager Donald A. Duerr to advertise for applicants to fill the job of Sausalito police chief when Louis P. Mountanos steps into the sheriff's office.

Duerr had set a tentative date of January 8 for close of applications.

Keeney's objection stemmed from Duerr's proposal that a combination written-oral examination for the job be held in January. Keeney contended Tuesday evening that the post should be filled by a promotion from the ranks of the Sausalito police force.

"I'm surprised that we go out for an examination," declared Keeney. "You might come up with a quiz kid. I think you're breaking morale when we have two sergeants who might qualify for the spot and thereby open another spot for others to move up."

Present police sergeants are Stanley Kelly and Howard Goerndt.

City Attorney John B. Ehlen said any examination would be required under the city's civil service ordinance. He conceded, however, that the ordinance did not specify the exact type of examination.

Duerr recommended the examination be weighted 75 per cent on written and 25 per cent on an oral tests. He proposed that Louis J. Kroeger Associates of San Francisco conduct the examination.

The oral portion of the examination, the city manager proposed, would be conducted by "three recognized authorities, including at least two police chiefs." An applicant would have to score at least 70 per cent in the written test to qualify for the oral test.

Duerr proposed qualifications for candidates, including at least five years of police work with at least three years as sergeant or better, maximum age of 50, minimum of high school graduation or equivalent education and satisfactory physical condition.

(Chief Mountanos would scarcely have made it under Duerr's proposed qualifications. When Mountanos was appointed chief on resignation of Alden Ingalls in November, 1954, he had five years of police experience only if experience in the Navy Shore Patrol were counted, and had been sergeant only one year.)

The council declined to approve the recommended qualifications until more study had been given,

Councilmen indicated they would take action on the qualifications at their Dec. 2 meeting.

Activity Seen Main Counter To Senility

By JOHN MORGANTHALER

SACRAMENTO (AP)—"Can't we get him over there somehow? He just sits around the house and mopes and nags at his grandchildren. Frankly, he's just in our hair."

The young woman on the telephone was describing her 72-year-old father to a social worker at the old folks' community center.

It took real effort to get the retired bookkeeper to the center. He didn't want charity, and he was leery of a bunch of other old has-beens.

But he finally went, and discovered a talent he never knew he had—oil painting. He got very interested and went to the center often.

After a year he was teaching other old folks—one class had an average age of 78—how to handle a paint brush, mix paints and put them on canvas. He even sold several of his own paintings—to legitimate buyers who wanted them.

He moved out of his daughter's home and took his own apartment. Last summer he took an ocean voyage—a vacation from his busy life as a painter and teacher.

That kind of success story isn't too frequent among California's old folks. But state experts see community effort to provide creative or productive activity for idle retired people as a main hope in the fight against senile depression and mental illness.

"I don't find senility here," said Miss Betty Stetler, social worker at Menlo Park's "Little House," a model project for old people. "I find it very refreshing. These people are valued and respected for what they are."

The Ford Foundation has given $50,000 for a study started last July at Little House to learn what old folks are seeking there, and how such a program should be set up.

Dr. Ernest Hilgard of Stanford's psychology department is heading the study which will take three years.

Self-respect and a feeling of importance is what people must have at any age, says Louis Kuplan, executive secretary of the California Citizens Advisory Committee on Aging.

"Much senility can be prevented by activity," he says. "Sixty-five is not old any more. It's just the latter part of middle age.

"Arbitrary retirement is ridiculous and harmful. But since we're apparently stuck with it, why not prepare for it—instead of just putting off the evil day?

"The problem can't wait until you're 65. Training has got to start in school. Retirement is a way of life, part of our modern life."

Kuplan, a vigorous, 52-year-old man with graying hair and twinkling eyes, travels up and down the state selling that philosophy.

"If we don't keep the aged occupied," he says, "there will be a terrific bill for hospitals, and we will pay for it politically.

"We will force the aged into a homogeneous political bloc. It's not what these pension promoters promise. It's that they put the old folks to work, and make them feel they belong."

Kuplan is an optimist. He doesn't think old age is a worse time now than it was in the good old days of the three-generation farm family.

"Read our literature," he says. "It shows that family life wasn't as happy then as people say it was."

Nor does he think we should copy the Orientals, where age is respected, wise or not.

"But are we going to prolong life just so people can vegetate?" he asks.

"We must find ways to help old people work and give community service."

FINDS A HOUSE

Marin's Mr. Miller Goes To Washington

WASHINGTON (AP) — Rep.-elect Clement W. Miller conferred with Democratic congressional leaders yesterday, seeking support for his bid for assignment to the House Banking and Currency Committee.

Miller, Corte Madera landscape consultant elected to succeed Rep. Hubert Scudder in the 1st District, told newsmen he believed he had a good chance to land on the banking committee and its subcommittee on housing.

He said there is no West Coast Democrat on the committee at present and only seven from west of the Mississippi River.

Seeks committee post

He said California, where one new house in every seven is being built, needs representation on the committee that handles housing legislation.

Miller said he seeks the assignment because it is a natural for his district.

Lumber, he said, is the major industry in the northern part of his district, and home building is the major activity in the southern counties.

Miller said he had been promised the support of Rep. Cecil King (D-Calif.), a member of the House Ways and Means Committee which handles committee assignments for the Democrats in the House. Miller made his desire known also to Chairman Wilbur Mills (D-Ark.) and the other Ways and Means Committee Democrats.

Meanwhile, Miller said his wife was successful in house hunting and they have rented a house in northwest Washington. The family includes five daughters ranging age from 3 to 11.

Miller will bring William Duddleson of the Santa Rosa Press-Democrat staff to Washington as his legislative assistant in January. This week in Washington, Miller is interviewing applicants for three other positions on his office staff.

He said he will engage a field representative to establish a contact office for him in Santa Rosa.

Minister Tells Correct Church

Rev. Samuel L. Banks of Marin City, whose car was damaged by his angry wife last Saturday, said today he is the minister of the Village Chapel Community Church.

Present pastor of the First Baptist Church is Rev. J. W. Harris.

Rev. Banks also noted that the car involved was a 1958 model. A typographical error gave the year as 1948 in Tuesday's Independent-Journal report.

Rev. Banks also scaled down the damage from the $1,000 first reported to $400.

Third-Graders Can't Drive In School Yard ..

Ross third-grader Marshall Swett thought he had found just the place to drive his midget car—the Ross School playground.

But Monday night the school trustees decided that even on Saturdays and Sundays, the school yard was no place for a small car with a 2½-horsepower motor. Their message to the young petitioner was: "You'll have to find another spot."

Jobless Claims Drop In Bay Area

SAN FRANCISCO (UPI)—Two state agencies have reported that unemployment claims in the San Francisco Bay Area dropped in October—although the number of persons employed in factories also declined.

Claims for unemployment insurance went from a weekly average of 26,500 in September to 23,200 in October, according to the Department of Employment.

However, industrial employment declined by 6,400 in October to a total of 190,900 workers. The Department of Industrial Relations attributed the decrease to cutbacks in fruit and vegetable canning.

Orange Count Nearly Double Jordan's Edge

SAN FRANCISCO (AP) — Secretary of State Frank M. Jordan's narrow lead over Henry P. Lopez, his Democratic opponent in the Nov. 4 election, nearly doubled yesterday with the completion of the long missing count from Orange County.

The Republican incumbent moved up to a lead of 18,923 with returns from all but 22 of California's 26,896 precincts.

The unofficial count was Jordan 2,429,641, Lopez 2,410,718. Still missing were an estimated 90,000 or more absentee ballots.

Heavily Rebublican Orange County gave Jordan a 10-7 edge. The unofficial tally had stopped there with only 590 of its 837 precincts counted. The complete Orange County total — Jordan 105,155, Lopez 70,556—was announced today by the county registrar of voters.

Leprosy Treatment Lags In Red China, Marin Medic Tells Parley

TOKYO (AP)—Communist China has between one and two million persons suffering from leprosy, two American doctors attending an international congress on leprology here said yesterday. Indications are they are not being properly treated.

"We don't know what they are doing about it," said Dr. George L. Fite, research director of the U.S. Public Health Service hospital at Carville, La.

Red China does not report to the rest of the world on leprosy. Of the 41 nations represented at the six-day congress, there were no delegates from Communist countries.

"But one delegate to the conference came by way of Russia and Communist China," said Marin County dermatologist Dr. Paul Fasal.

"He was impressed with the work being done in Russia but very unfavorably impressed in China," said the Kentfield doctor.

The Soviet Union has made several international reports on leprosy, but no clear picture has been presented, the doctors said.

"But we believe in China they are reverting to traditional herb medicine instead of modern treatment," Dr. Fasal said.

Dr. Fasal said leprosy in Nationalist China was being treated with "a modern approach," but gave no figures on the number of cases.

In the U.S., there are 1,200 leprosy patients, both doctors said. The number has been roughly stationary for years.

Congress this year made the first American government grant for leprosy research, a $91,000 allocation, Dr. Fite said. The Carville hospital is a government institution with a $1,900,000 annual budget for care, treatment and rehabilitation for leprosy.

"It is an obligation by law for the federal government to care for leprosy," said Fite. The law was passed in 1918.

The disease is endemic only in Louisiana and southernmost Texas, and most cases elsewhere were acquired outside the U.S., the doctors said.

Leprosy's seven-year incubation period made diagnosis of the disease in immigrants extremely difficult.

The Carville hospital gets about 25 new cases a year and releases about the same number, Dr. Fite said. Dr. Fasal said he found about 14 new cases a year in California, most of them originating outside the country.

"The main problems are early diagnosis and correct diagnosis," Dr. Fasal said, explaining that leprosy was sometimes mistaken for tuberculosis, skin tumors or nerve disease.

"American physicians are not too aware of or familiar with leprosy," he said. "We need a higher index of suspicion."

He stressed that the disease was not a public health problem in the United States.

"We must not make these people outcasts," he said. Some with contagious leprosy are capable of working and visiting their families "as long as there is no prolonged intimate contact."

Fairfax To Decorate For Yuletide

Dec. 1 is the target date of Fairfax merchants to have 30 giant "candy canes" in place around the Fairfax Parkade, complete with outsized toy soldiers, strings of lights and a 30-foot Christmas tree.

Holes for placement of the 14-feet-tall poles painted red and white are to be drilled on Nov. 28 by Pacific Telephone and Telegraph Co. crews. The poles will be placed by Pacific Gas and Electric Co. workmen. The Fairfax City Council this year gave $1,000 for the decorations which can be used more than once.

The plywood soldiers will be fastened to the poles and colored lights will be strung between the poles. The decorating is a project of the Fairfax Merchants Assn.

Explorer Program To Be Explained

Adults interested in the new Marin Boy Scout Explorer program for teen-agers will have an opportunity to learn about it Saturday and Sunday at orientation sessions to be held from 1 to 6 p.m. in Scout Hall, Second and A streets, San Rafael.

The Sunday session will duplicate that held on Saturday, said James Tomlinson of San Rafael, chairman of Explorer planning for the Marin Boy Scout Council.

The Explorer program is for high school age boys. They need not have been Scouts to qualify for participation. It includes social events, vocational exploration and outdoor, citizenship and service experiences. Personal fitness is emphasized.

State Probing Hopps' Link With New Firm

The state Insurance Department is attempting to learn whether Belvedere financier Stewart Hopps has any connection with a proposed new insurance firm headed by a former associate of his.

The company is Key Insurance Exchange, which last May filed for a permit to do business in California and, four months later, amended the application by denying "any present business or financial connection whatsoever" with Hopps.

President of the proposed firm is Harold Burk of San Francisco, onetime official with Hopps' United States Marine and Foreign Securities, Ltd., in San Francisco.

Key's application was amended Sept. 29 after the Insurance Department became curious about a possible link with the firm. The amendment said the Belvedere financial wizard "has no interest, direct or indirect," with the company and claimed "no arrangements of any type exist whereby Mr. Hopps will acquire" such interest.

In 1956, another proposed insurance company headed by Burk gave up attempts to secure a state permit when the Insurance Department started checking into the possibility Hopps had some connection with it. The company, Union Insurance Exchange, was financially backed by an Alabama insurance firm in which, the department learned, Hopps held some 400,000 shares of voting stock.

The department recently concluded its investigation of International Guaranty and Insurance Co., a Tangier, Morocco, firm Hopps allegedly controls. California assets of the company were seized by the state on grounds it was operating without a state license. The department now is seeking to liquidate these assets.

Meanwhile, Asst. State Atty. Gen. Harold Haas disclosed he will fly to Providence, R. I., next week to oppose a compromise offer by Hopps for settlement of a $7,040,351 damage suit involving the Rhode Island Insurance Co. Hopps has proposed a $170,000 settlement. The suit originally was filed in Marin Superior Court. It charged Hopps mismanaged the firm and caused its failure.

Precious, Fleeting Baby Days— Safeguard Memories With Camera

Our children's baby days are precious. So are their toddler days. Are you keeping graphic records of your children's growth? I hope so. Don't trust your memory. Today your wee one can hardly lift her head. Tomorrow she lies on her tummy, raises her noggin confidently, and grins at the world. By next year you've forgotten the thrill. Right?

Take lots of pictures. Not just posed pictures, through they're better than none. Keep a simple camera loaded with film on a handy shelf. Good pictures don't wait for fancy adjustments. Be sure to have Grandma and Grandpa in front of the lens frequently. Don't forget snapshots of yourself with the children. Take the trouble to put the pictures in albums. Organize them by months and years. They'll mean more to you with each passing season.

Use a movie camera if you can. Catch those wonderful first steps. And the first big birthday party. Sound recordings are easily made. I took some of my children talking and singing. The recordings are only six years old, but they're worth their weight in gold. The baby lisps and odd pronounciations still are there. They'd be gone and forgotten, without the recordings.

I repeat. Keep regular records of your children's growth. The days are precious and fleeting. You won't be sorry.

READERS' FORUM

Ralph M. "Why should motherhood make my sister such a fool? She has twin sons. Formerly she was a reserved, quiet person. Now she laughs and coos at those babies in a way which disgusts me. Have parents no shame? I'm a bachelor. I suppose you'll say I can't understand?"

Reply. Yes, that's why I'll say. You don't really live until you become a parent. Then you find your former attitudes toward babies need revision. You become unselfish. You take sincere delight in the simple things your babies do. Try to talk with your sister about this. Don't get sarcastic or critical. She'll help you sense the difference.

INDUSTRY QUEEN CONTEST TO BENEFIT NURSES

Four Marin County young women, standing beside Spanish-American War cannon at the San Anselmo Legion Log Cabin, receive nursing scholarship certificates from Guido Ostaggi and Ray Greenberg Sr. of the Societie des 40 et 8 of Marin. The scholarships are from proceeds of the 40 and 8's "Queen of Industry" contest last year. The nurse trainees (from left) are Maureen Quadros of Sausalito, Mary O'Liva of San Anselmo, Diane Dana of Larkspur and Barbara O'Liva of San Anselmo. Nearly 40 contestants are vying for the "Queen of Industry" title in this year's contest, now under way. The winner is to be crowned at a ball at the Corinthian Yacht Club on Dec. 20.

ROSS UNVEILS HALF CENTURY PLAQUE SUNDAY

A plaque honoring the first 50 years and the first governing body of the Town of Ross will be unveiled at 12:30 p.m. Sunday on the town hall lawn.

The town was incorporated on Aug. 21, 1908, by Ross citizens who told the county supervisors they wanted Ross to remain a "purely country town."

The one surviving member of the original board of trustees, Edward G. Schmiedell, now 89, will be present for the plaque unveiling, said Mayor Arthur Kanzee Jr.

Health Studio To Open In Novato

A new health studio offering individually designed courses for women is planned to open on Novato's Grant avenue before the first of the year, Edward Lord of Vallejo, who will be the proprietor, announced today.

The studio will open at 847 Grant avenue after remodeling of the building is complete, he said. Offered will be steam baths, vibrating tables, weight lifting devices and beauty bars.

Lord is co-proprietor with his wife of the Village Style Salon in Vallejo. He was formerly connected with the sales department of a health studio in Vallejo.

The Novato studio will be open from 10 a.m. to 10 p.m. daily, including Sundays, he said. A professional health instructor will conduct the classes exclusively for women.

9 Strep Cases Listed In Marin

Nine cases of streptococcic infections headed the list of communicable diseases reported last week to the Marin County Health Department.

Dr. Carolyn B. Albrecht, county health officer, announced five of the "strep" cases were in Novato, with one each in Belvedere, Tiburon, Fairfax and San Rafael.

Two cases of gonorrhea were reported, one in San Rafael and one in a rural area. There was a case of measles in Marin City and a case of mumps in Novato.

Boat Yard Loss May Hit $20,000

Loss in Monday night's boat yard fire in Marinship at Sausalito may reach $20,000 when a check of damage is completed.

The shop, operated by Edward V. (Barnacle) Burke, was in a structure owned by Shirley Morgan and Ed Peterson of the Sportfishing Pier and Harbor. The building was gutted.

Losses at the shop included three new plastic boats; a 15-foot racer, Miss Frisco Belle, owned by Burke, which won the San Francisco Bay marathon in August; 13 motors, nine of which belonged to customers, plus a variety of tools, equipment and supplies, according to Mrs. Burke. She estimated her husband's loss at $15,000 with about $9,000 covered by insurance.

Mrs. Burke said the business would remain in operation from the Burke home at 727 Spring street, at least temporarily.

The fire is the second misfortune to befall the Burkes. They lost most of their home furnishings during the 1955 winter storms when their home at 165 Woodland avenue in Sausalito slid from it sfoundations.

Terra Linda Soon To Have Firehouse

Terra Linda Community Services District's new firehouse is nearing completion on Del Ganado road, Fire Commissioner Elmer Johnson has reported.

He said a ceremony will be held to mark the opening of the station, but no date has been set as yet. Construction started Oct. 11.

Johnson said he is still awaiting word on whether the district con obtain a 750-gallon pumper for about $350 from government surplus. At present, the district has only one fire truck.

Next meeting of the board will be held Dec. 2 at 8 p.m. in Bernard Hoffman School.

Watch That Filibuster! It May Be Shakespeare

By BOB THOMAS

HOLLYWOOD (AP)—U.S. senators may be hearing quite a bit of Shakespeare in the next six years. California is sending to the Senate a man who can spout long passages of the Bard at the drop of a filibuster.

He is Clair Engle, rugged, plain-spoken former representative from the so-called cow counties of northern California. Two weeks ago, he performed a major political feat by whipping one of the state's ace vote getters, Gov. Goodwin J. Knight, for the Senate.

But then, Engle is full of surprises, not the least of which is his knowledge of Shakespeare. Before he left for Washington, I asked him if his cow county constituents were surprised by it, too.

CLAIR ENGLE
A fan of the Bard

"I haven't made any hoop-araw about knowing Shakespeare," he replied. "But I don't think they would be surprised or shocked. I've found some of the best-read people I've ever known up in that country. Up there, they've got a lot of time to read—and to think."

He added: "I've never made any pretensions about being an expert on Shakespeare. I think there are too many people in the world who pretend to be experts."

His interest in the plays goes back to his youth. "I first began studying Shakespeare intently when I was in college," he said. "But I was reading it even before that. My father had the best edition of Shakespeare I've ever seen. It was set in big, readable type, and I've been trying to find that edition ever since."

He has read all of the plays, some of them many times.

"I don't often work the quotations into speeches," he said. "The great value I find in Shakespeare is how it helps you in phrasing." Any of his opponents can vouch for that. He has a gift for the picturesque and stinging phrase.

The senator-elect carries a volume of the collected works with him during his extensive travels. His favorite plays?

He chose "Hamlet" among the tragedies and "Twelfth Night" of the comedies.

WIRE NEWS BRIEFS From Everywhere

Ike To Fly South

WASHINGTON (AP) — President Eisenhower travels south today to the vacation retreat he likes best of all—the Augusta National Golf Club in Georgia.

Planning about a 10-day stay through the Thanksgiving weekend, the President scheduled a midday departure aboard his private plane, Columbine III.

The flight takes about 1 hour and 45 minutes, so he will have time after arrival to play 18 holes of golf if the weather is good.

This is Eisenhower's 21st trip to Augusta since he was elected in 1952. He likes it there because the seclusion is as close to complete as any President ever gets.

N. Y. Awaits Royalty

NEW YORK (AP) — Prince Rainier and Princess Grace of Monaco are expected to arrive here Sunday for a visit.

Pan American World Airways said yesterday the couple have booked passage on a transatlantic flight originating in Rome. The princess is the former actress Grace Kelly of Philadelphia.

AF Continues Search

OGDEN, Utah (AP) — Civilian patrols gave up the hunt for the missing navigator of a C119 transport plane, but Air Force ground parties searched again today in the mountain country east of here.

Sheriff Leroy Hadley called off the Civilian volunteers, saying there was no hope of finding Capt. Donald Liggett alive. Liggett, 40, of Indianapolis, bailed out of the crippled plane into a snowstorm last Friday with seven companions.

Three of the men died in a weekend blizzard and four were rescued.

100th Birthday Busy

TWIN FALLS, Idaho (AP) — Farmer Herschel Sonner has been pretty busy — removing old fruit trees from his orchard and clearing weeds from the sheep pasture.

But he had to take a day off yesterday to chin with some 30 relatives. It was his 100th birthday, and the family wanted to have a nice party for him. He planned to get right back to his chores.

Rock 'N' Roller Jailed

STOCKHOLM (UPI)—Swedish rock 'n' roll singer "Little" John Wahlbaerg today began an 18 month jail sentence for rape.

Wahlbaerg was convicted yesterday after the prosecutor charged he and another youth threatened to burn an 18-year-old girl with cigarettes to force her to disrobe. The unrepentant singer shrugged off the charge, telling the court: "Sometimes you have to use force to get what they won't give you."

Boy Killed In Gang War

NEW YORK (AP)—A 16-year-old boy was slain and another seriously wounded last night as two Brooklyn street gangs clashed in the borough's Brownsville section.

Police seized seven members of the Janquils in the fatal stabbing of John Ingram and the knife-slashing of Sidney Rhodes, also 16.

The Janquils, police said, were responding to an invasion of their territory by another all-Negro gang, the Corsairs Lords. Ingram and Rhodes were members of the latter gang, police said.

'Very Little Help'

PHOENIX (AP) — Republican State Sen. William Bourdon listed expenses of $497 in his unsuccessful campaign for re-election. In a footnote to his financial statement, he said "I received no financial help from anyone and very little of any other kind."

Chaplin Jr. Must Pay

LOS ANGELES (UPI) — Actor Charles Chaplin Jr. was ordered yesterday to pay his wife, an expectant mother, $150 monthly alimony pending a divorce hearing.

The 33-year-old Chaplin revealed during the superior court hearing that he is writing a book about his famous father entitled "My Father Is a Very Funny Man." Chaplin Jr. and his estranged wife, actress Susan Magness, 22, were married last August and separated two months later.

Long Courtship Fizzles

CHICAGO (UPI)—Agnes Esch, 58, has filed a $100,000 breach of promise suit against Morris Goldberg, 58, charging he gave her an engagement ring in 1953 but still refuses to marry her.

Mrs. Esch said in the suit yesterday that when Goldberg started his courtship 30 years ago as a poor young man, she spent her savings buying him gifts and throwing parties for him.

"Now that he is wealthy," said attorney Louis Z. Grant, "he refuses to have anything to do with her."

Argentine Crisis Eases

BUENOS AIRES (AP) — The mysterious affair of Vice President Alejandro Gomez subsided today with many observers convinced it had been trumped up to divert public attention from serious economic and labor problems.

Congress accepted the resignation of Gomez, whom President Arturo Frondizi accused of trying to oust him and form a coalition government. Gomez denied the charge, saying he had only warned the administration that a military plot was brewing.

Recreation Program Eyed In Ross

A summer recreation program at Ross School is a likelihood for next summer, reported Supt. Stephen L. Parodi after the Monday evening meeting of the Ross School trustees.

The Ross Parent-Teacher Assn. is making a community survey to find out how many children would participate. A recreation program about six years ago was not well attended, but since then the number of children in Ross has increased. The trustees decided that a program for summer of 1959 would consist of recreation, not summer school.

In other business, trustees received two letters from the American Federation of Teachers, signed by William Malin, vice president. One asked that teachers be paid extra if the school year is more than 175 days (in Ross it is 179 days).

The second letter asked that teachers be permitted to find employment outside school hours.

No action was taken by the trustees on either letter.

Superintendent Parodi reported that KQED's educational television programs might be received at Ross School when the station's signals are increased in strength. All attempts for far to get reception at the school have been futile.

3 To Be Added To Newspaper Hall Of Fame

Three early-day California newspapermen will be added to the state's Newspaper Hall of Fame during the California Press Assn.'s annual meeting Dec. 5-6 at the Clift Hotel in San Francisco, it was announced today by Justus F. Craemer, co-owner of the Independent-Journal and president of the association.

Names of the new Hall of Famers will be announced at an awards dinner Dec. 5. The Hall of Fame was started last year, when three newspapermen were named. They were James King of William, early editor of the San Francisco Bulletin; Walter Colton, early publisher of the Monterey Californian, and Robert Baylor Semple, who was associated with Colton in California's first newspaper.

Joseph R. Knowland, publisher of the Oakland Tribune, is chairman of the selection committee.

No. 1080—Oct. 30, Nov. 6, 13, 20, 1958.

MARIN CITY HOUSING INVITATION FOR BIDS

The Housing Authority of the County of Marin will receive sealed bids for the general construction of the Marin City Low-Rent Housing Project (CAL-52-1) until 2:00 P. M. Pacific Standard Time on the 17th day of December, 1958, at the office of the Executive Director, Administration Building (Post Office Box 336), Marin City, California at which time and place all bids will be publicly opened and read aloud.

The project is to consist of eight five-story reinforced concrete buildings and twenty-one one-and two-story concrete block and frame buildings located as shown on the drawings on the southern and southeastern portion of the land once occupied by the original development. The buildings listed include a one-story administration and maintenance building and contain a total of 300 one, two, three and four bedroom dwelling units.

Proposed forms of contract documents, including plans and specifications, are on file at the office of the Housing Authority of the County of Marin at Marin City, California and at the office of John Carl Warnecke, A.I.A., 111 New Montgomery Street, San Francisco California and will be issued only to bona fide contractors who intend to submit bids to the Local Authority. No documents can be issued to subcontractors or material men. Reference sets of all documents will also be available for use at the Marin Builders Exchange, 53 Jordan Street, San Rafael, the San Francisco Builders Exchange, 850 South Van Ness Avenue, San Francisco, the Oakland Builders Exchange, 190 MacArthur Boulevard, Oakland, and the Builders Exchange of Contra Costa County, 15 Espee Avenue, Richmond.

A single set of contract documents may be obtained by depositing $100.00 with the Local Authority or the Architect, an additional set by depositing an additional $50.00 and a third set by depositing $100.00 more. The deposit must be in the form of a certified check or bank draft made payable to the Housing Authority of the County of Marin. $50.00 of the $100.00 deposited for the third set of documents will not be refunded. All other such deposits will be refunded to each depositor who returns the plans, specifications and other documents complete and in good condition within ten days after bid opening.

Each bid shall be accompanied by a certified check or bank draft in an amount equal to five percent of the bid and made payable to the Housing Authority of the County of Marin, by U. S. Government bonds of an equivalent value or by a satisfactory bid bond in the said amount executed by the bidder and acceptable surety authorized to issue surety bonds in the State of California.

The successful bidder will be required to furnish and pay for satisfactory performance and labor and material bonds.

The general prevailing rate per diem wages for each of the aforesaid classifications is the rate per hour indicated herein, multiplied by eight (8), except that the per diem rate for some crafts shall be in accordance with the prevailing laws established by collective bargaining in the industry in this area.

The wage rates above specified are straight hourly wage rates and do not include health and welfare contributions or any other benefits. Attention is directed to the fact that some collective bargaining agreements in the construction industry provide for such benefits. Sundays and Holidays—not less than the overtime rates specified above, or as otherwise specified in the Union agreement applicable to the particular crafts. The holidays upon which rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project. Apprentices may be employed provided they are properly indentured in full compliance with the provisions of Section 1777.5 of the Labor Code.

Attention is directed to the fact that not less than the above specified rates shall be paid to all laborers, workmen and mechanics employed in the execution of the proposed contract.

The attention of bidders is directed to the fact that the work proposed herein to be done will be financed, in whole or in part, with Federal funds and, therefore, all of the applicable Federal statutes, rulings and regulations will apply to such work.

The Housing Authority of the County of Marin reserves the right to reject any or all bids or to waive any informalities in the bidding.

No bid shall be withdrawn for a period of thirty (30) days subsequent to the opening of bids without the consent of the Housing Authority of the County of Marin.

or

1959 INTERNATIONAL TRUCK

Here's How . . .

We lease you the car or truck and pay all service maintenance, lubrication, tires, taxes, and license fees. Your only expense is gasoline oil and insurance.

Here's Why . . .

1. AVOID the high cost of owning your own car.
2. AVOID tie-ups of valuable cash.
3. AVOID depreciation loss.
4. AVOID expensive bookkeeping on company owned cars. One monthly check will pay all your maintenance and car payments.
5. Get bigger tax benefits. Many companies and individuals are able to take advantage of a complete write-off.

OUR RATES START AS LOW AS $65 PER MONTH

SHE'LL BE HEARD ON KTIM

Rett Russell of San Anselmo, whose popular song recordings are often heard on Wayne Thomas's show over radio KTIM, will be heard in person at 12:15 p.m. tomorrow when she is interviewed by Don Davis on his new "According to Hoy" program. Rett opened this week at the Purple Onion in San Francisco after an engagement at Facks II.

'Twentieth Century' Films Available To Marin Groups

Films of "The Twentieth Century" documentary television series are now available for loan to local groups, Don May, in charge of the Prudential Insurance Co.'s San Rafael office, announced today.

The local office has made arrangements through the Prudential education department, Newark, N. J., for release of the films here, May said. They may be ordered directly through the company's San Rafael office at 181 West End avenue.

Many of the films are regarded as classic portrayals of major historic episodes during the past 50 years and some 7,000 showings have been made to schools throughout the country. Loan of the films is now being extended to civic, service, church, and fraternal groups.

Among the films available are "Churchill, Man of the Century," "Revolt in Hungary," "Brainwashing," "The Face of Crime," "Enter with Caution: The Atomic Age," "Rockne of Notre Dame" and "Woodrow Wilson." New film will become avaliable after their initial presentation on television.

"The Twentieth Century," shown on CBS-TV, has won television, education and public service awards for its documentary presentations.

Athletic Commissioner

SACRAMENTO (AP) — Gov. Goodwin J. Knight has appointed Bob Voigt of Glendale, a former boxer and sports editor, to the state Athletic Commission. Voigt, 40, succeeds Rev. Robert E. Richards of La Verne, who resigned.

Networks Hand Artist Union Ultimate Offer

NEW YORK (UPI)—The major television and radio networks and the American Federation of Television and Radio Artists adjourned a nine-hour session of negotiations on a new contract early today and scheduled talks later today to consider an "ultimate in offers" by the networks.

The "ultimate in offers" was handed union negotiators at the end of the latest in a series of meetings to avert a threatened strike. In the meeting, the union withdrew its demand for a flat 10 per cent wage increase and substituted demands covering specific classes of performers.

Dick Jackson, spokesman for AFTRA, said the substitute covers such problems as fees for dancing and singing duos, and sportscasters' fees. He said the union wants each member of a duo to get the single performer's fee.

He said the substitute wage demand "will in the end accomplish the wage increases we sought in the first place."

The networks offered a reduction in rehearsal time covered in a performer's basic fee, and agreed to eliminate concrete floors for dance rehearsals no later than six months from the date of the new contract.

The union had contended that dancers suffered physically and professionally from rehearsing on concrete floors.

The networks also offered to supply $50,000 insurance policies on performers when a show is produced anywhere outside the United States, except Canada.

KQED TO OFFER TV COURSE IN RUSSIAN

SAN FRANCISCO (UPI)—A 15-week course in conversational Russian will be offered on San Francisco's educational TV channel beginning tomorrow, station KQED announced today.

The half-hour lessons, from 7:30 to 8 p. m., will be conducted by Harry Collis of San Francisco's Polytechnic High School.

KPIX To Report On 'Hoodlum Era'

Television station KPIX will present a Bay Area report on "The Hoodlum Era," from 8:30 to 9 p. m. tomorrow.

The program was conceived in the wake of a seeming increase in juvenile violence in Bay Area communities, including Marin, station authorities said.

No Hope Seen For 15 Still Missing From Ship Sunk On Lake Michigan

CHARLEVOIX, Mich. (UPI)—Coast Guardsmen held virtually no hope today for the 15 crewmen of the ill-fated Great Lakes cargo ship Carl D. Bradley still missing in the storm-tossed waters of Lake Michigan that smashed and swallowed the craft.

A Coast Guard spokesman said search efforts would continue all day today but veteran seamen said there was little chance anyone could have survived in the icy waters since the disaster Tuesday.

Of the 35 men aboard the limestone hauler, only two survived. Eighteen bodies have been found so far and 15 still are missing.

"We prayed like we never prayed before," said First Mate Elmer Fleming and deck watchman Frank Mays, both of Rogers City, Mich., who were saved yesterday.

"It was useless for us to shout because of the tremendous roar of the gale," Mays said. He told reporters that at one time during the 14-hour nightmare he and Fleming were within half a mile of the rescue ship Sundew, but the 60 mile an hour winds and 20-foot waves made communication impossible.

After the pair repeatedly were washed from their frail life raft and their frozen fingers were barely able to cling to it, the Sundew spotted them. Rescue men pulled them from the small raft and took them to Charlevoix along with eight corpses.

Fleming's description of the sinking and night at sea paralleled terrifying accounts of 14 survivors told May 11, 1953, when the Henry Steinbrenner, an oil carrier, foundered in the lake with a loss of 17 lives.

"The entire stern of the ship was sagging," Fleming said. "I knew we were going to sink. I asked someone to get me a life jacket but he couldn't find one so I went to my room and got my own.

"As I came up the ship was listing badly.

"The superstructure of the ship rolled over on its side. The ship sank beneath me and I found myself in the water," he said.

Temperatures dipped below freezing during the seemingly endless night and ice formed in the 43-year-old Fleming's hair.

Fleming and Mays, 26, heard shouting and managed to direct two men to their wave-tossed raft. They grabbed the men's limbs and pulled them aboard only to have both of them washed away to watery graves while Fleming and Mays clung tenaciously to the tiny raft.

They were taken to Charlevoix Hospital where their tearful wives embraced them. Dr. Lawrence E. Grate, who examined Fleming and Mays, said they were in fairly good condition despite exposure and shock.

ROBBERS' 'GUNS' — Policeman Layton Duffin holds toy guns and paper bag containing $500 found in stolen car in which two suspects in San Francisco loan company holdup were captured yesterday. Larkspur Man, Pal Caught In Chase After S.F. Holdup

Two improvident holdup men, one a former Larkspur resident, were nabbed yesterday afternoon by San Francisco police after an abortive attempt to rob the Provident Loan Assn. on Mission street with toy pistols.

Picked up after they crashed their stolen convertible near the scene were Albert Prowse, 31, whose address was listed as 133 King street, Larkspur, and William O'Malley, 48, of San Francisco. Prowse said he had recently been living in South of Market hotels.

IN CHECK CASE

Prowse was identified by Howard Clark, Larkspur police chief, as suspect in a $600 bad check case in September, 1957, on complaint of a San Rafael man. Clark said Prowse pleaded guilty and served six months in Marin County Jail.

Asst. Police Chief Sam N. Serio of San Anselmo identified Prowse as having been arrested also for bad checks in San Anselmo. He said Prowse was a carpenter at the time.

WIELDS TOY GUN

Police said Prowse appeared to have been drinking before the attempted robbery at the loan company.

Prowse and O'Malley entered the institution about 3:15 p.m. O'Malley went to the rear of the building and threatened the bookkeeper with his toy

Marin Sues Terra Linda Developers

The County of Marin is suing Terra Linda Corp. for $45,000 damages, alleging that the corporation has failed to complete sidewalks, curbs and gutters and drainage properly in Terra Linda Unit 4.

This is the sixth suit filed against Terra Linda by the county, bringing total claims sought to about half a million dollars.

County Counsel Leland Jordan, who filed the suit, said all six suits involve work which the county alleges the developers have failed to do in accordance with agreements. All six will probably be consolidated into one when the cases come to trial, Jordan said.

Marinites Lead Off Testimony Urging Billboard Regulation

I-J SPECIAL REPORT

SAN FRANCISCO — Advocates of highway billboard regulation, with a large Marin delegation in the vanguard, testified today before a special state Senate interim subcommittee here.

Marin's State Sen. John F. McCarthy, chairman of the subcommittee, was the only committee member present. He heard more than a score of witnesses this morning urge regulation. Twenty-five or more were scheduled to oppose it this afternoon.

D. Zook Sutton, president of the California Roadside Council, opened the hearing by strongly recommending billboard control by the state. John W. Broad, legal counsel for the council, declared legislation is needed "to supplement, complement and tie in with our federal policies."

He pointed out that the state should take advantage of the "financial bonus" of one-half of 1 per cent in federal highway funds to states which comply with federal anti-billboard regulations.

In answer to a question by McCarthy, Broad said the state should not close its eyes to the practical side: "finances and aesthetics are of equal value in considering billboard regulation."

Mrs. Margaret Azevedo, member of the Marin County Planning Commission, led off a group of nine Marin residents who testified.

She read a motion passed Monday by the county planning commission supporting the "general idea" of state regulation but opposing any state legislation which would "occupy the field and thus prohibit local regulation." She said Marin has "a better ordinance than will get through the Legislature—no offense intended."

B. D. Dobbs, principal planner on the Marin County planning staff, said Marin "wants to reain the right to go further than any law the state might enact." But the state could "cross city lines like a highway," thus improving regulation, he said.

In answer to a question by McCarthy, Dobbs said he thinks the state should define and

State Denies Plea For Strawberry Access

The state Highway Commission today denied a request for a direct connection from Belvedere drive, Strawberry, to the northbound lanes of Highway 101.

The commission, meeting in San Francisco, heard a recommendation for denial from State Highway Engineer G. T. McCoy.

The connection was requested to eliminate a left turn from Strawberry at the intersection of Tiburon boulevard and the 101 frontage road as a safety measure. McCoy pointed out, however, that there have been no accidents at that point attributable to the intersection since the frontage road was opened in August, 1957. He contended traffic there does not warrant installation of signals.

The direct connection was asked in petitions from residents of the area, and later opposed in petitions filed by other residents.

The Marin County Board of Supervisors first endorsed the request, then, after a hearing, rescinded the action and took no position.

FIREMEN SAVE HOUSE

Belvedere volunteer firemen direct hose on embers of garage at home of Philip B. Wallace, 144 Bella Vista avenue. Garage and car were destroyed by fire late yesterday, but quick action by firemen saved the house itself. A pillar of smoke from the fire was seen from Sausalito and Marin City. Damage was estimated at $5,000 to $7,000. (See story in columns 6 and 7.)

Russ Outline Plan To 'Liquidate' Berlin Occupation

Envoy Tells Decision To Bonn Chief

BERLIN (UPI)—Soviet Ambassador Andrei Smirnov told Chancellor Konrad Adenauer today in Bonn that Russia would "liquidate" the occupation status of Berlin, the Soviet Embassy announced.

At the same time, West Berlin Mayor Willy Brandt told a city parliament meeting today that any communist attack on the city would start World War III.

Russian and East German pressure has been building slowly and steadily against West Berlin, worrying the West Berliners and bringing fears the Americans might leave the occupied city.

ASKS FOR MEETING

Today the Russian Embassy said Smirnov asked for a meeting with Adenauer and outlined for him the "measures the Soviet government plans taking with the aim of liquidating the occupation status of Berlin."

The phrase "liquidating the occupation status of Berlin" was taken here to mean the Soviet now proposes to transfer to East Germany the right of control of Western allied traffic to and from Berlin.

Until now the Russians, as well as the Americans, British and French, have considered Berlin to be under Big Four administration. Right of access to and from Berlin is governed by Big Four regulations rather than by any German rules.

TO END CONTROL

Soviet Premier Nikita Khrushchev, in a speech in Moscow last week, announced his government's intention of ending this foreign control of Berlin and Berlin-bound traffic and transferring it to the Communist east zone government.

West Germans were faced with the immediate threat of a blockade to force Western recognition of the move. The word "blockade" is one of fear in this city 110 miles deep in Communist territory.

NEW TAM TAX HIKE VOTE SET FEB. 17

Twice-Defeated Proposal Modified To Impose $1.90 Rate For 5 Years

Trustees of the Tamalpais Union High School District last night ordered a special tax election to be held Feb. 17 for a third attempt to have the district tax limit raised from $1.25 to $1.90 per $100.

The trustees authorized one change in the tax proposal: That it be for a term of five years rather than 10 years.

The actions came at a two-hour regular meeting at district headquarters. Absent board member was Dr. Delman D. Smith.

SHORTER PERIOD

Howard I. McGill, chairman, said that after hearing comments at recent board meetings, he was in favor of shortening the tax period to five years. A poll of other board members showed no opposition. The election was ordered unanimously.

The board authorized Supt. Chester G. Carlisle to arrange for the election. The election must be called officially by the county superintendent of schools.

Carlisle reported final tally of Nov. 4 votes showed the measure was defeated with 15,889 "No" votes and 14,415 "yes" votes. A simple majority was needed to carry.

AUDITOR STATEMENT

The board approved a request by Carlisle that the district's auditor be requested to make an objective statement as to the effectiveness of district internal and external financial operations.

Carlisle said he hoped such an investigation could clear up "once and for all" any question about whether the district was being operated efficiently.

In reply to a question of whether the district had ever been criticized in an auditor's report, Trustee E. J. Thomas Jr. said a criticism was made about 10 years ago in regard to methods of keeping the accounts of cafeteria and stu-

Mill Valley Moves To Fence Pools

The Mill Valley City Council last night, by a 4-1 vote, gave first reading to an ordinance which would require a fence "or barrier" at least three and one-half feet high around all private swimming pools in the city.

Dissenting was Councilman George W. Blackwell, who argued that the measure was impractical and difficult to enforce.

Councilman Peter Behr has been pushing the proposal for several months, contending that several Marin tragedies involving toddlers might have been prevented if fences had been in place. .

The ordinance specifies that all private pools within the city limits must be fenced within 90 days from the date of final adoption and that plans for all new pools must show provision for such protection.

City Manager A. E. Almcrants estimated there might be 100 pools in Mill Valley.

Pools at public places, hotels, motels and other locations where an attendant would be on duty are not affected.

STATE 'APPROVES' TAM BOARD'S REQUEST FOR FUNDS—GRANTS $0

Trustees of the Tamalpais High School District last night learned their application for state disaster aid to to help pay for repair of a collapsed walkway and fence at Sir Francis Drake High School has been "approved" by the California Disaster Office.

The approval, however, was for considerably less than the requested amount.

The letter said the board's request dated June 13 "has been approved by the Office of Civil and Defense Mobilization in the amount of $0."

The letter was signed by Ralph W. Hilton, chief of the disaster office administration division.

Howard I. McGill, board chairman, said the request for $6,622 was submitted without too much hope of receiving aid.

Blaze In Belvedere Ruins Garage, Auto

Fire late yesterday destroyed the garage of a new Belvedere home and a 1955 Buick auto inside it, and did minor damage to the home itself.

Eight Belvedere volunteer firemen sped to the scene with two fire trucks at 4:15 p.m., under Fire Capt. Howard Allen. Their numbers were swelled by other volunteers at the scene.

Allen estimated damage to the home of Philip B. Wallace at 144 Bella Vista avenue on Belvedere island would run between $5,000 and $7,000.

Allen said he stepped out of the Belvedere Land Co. office, where he works, and saw a plume of smoke rising among the trees on Belvedere island. He raced to the firehouse and pulled the alarm. Several other firemen already had seen the smoke and were on their way, yet "it was going full force by the time we got there," he reported.

The blaze spread to trees surrounding the house, but only exterior boards of the kitchen were scorched on the house itself. Allen estimated damage to the house at $600.

Allen said apparently something very inflammable in the garage was responsible for the blaze, but no investigation into the cause had yet been completed today.

NO CUT RATE FOR WHOLESALE SURGERY

Mrs. Ruby J. Vye, shown with her six children at St. Francis Memorial Hospital in San Francisco, will pay full rate for the mass removal of their tonsils. The youngsters, apparently unconcerned about their coming experience, are (from left, seated) Joan, 5; Carol, 6; Linda, 8, and Gary, 9. Hugging their mother's neck are John, 4, left, and James, 5. Mama says she will probably go into the hospital herself after it is all over to take a rest cure. (AP Wirephoto)

Laundry Union Organizes 3 Marin Shops

Several laundry and dry-cleaning establishments have been union organized since Nov. 10 when two representatives of Laundry Workers Union Local 26 in San Francisco came to Marin and began talking to employers and employees.

Progress of the organization drive was reported last night to the Marin County Labor Council, said Hugh Cassidy, council secretary.

THREE ORGANIZED

As of Monday, three dry-cleaning and laundry establishments had been organized, he said, with several other places about to be. None of those organized is among self-service laundries owned by J. Walter Blair of Mill Valley. "Advertising pickets" have paced in front of six of his shops since September.

Also reported at last night's meeting was a reluctance of builders to begin new construction jobs with the rainy season overdue. Work in the construction trades has slowed up slightly as a result. Lloyd Brooks of the Laborers Union reported a small unemployed list with jobs finishing up and no new ones starting.

OUT-OF-WORK LIST

Leon Ginsberg of the Carpenters Union reported that for the first time in six months that union has an out-of-work list.

The labor council endorsed the stand taken by the Democratic Central Committee to tighten up election laws on political advertising. The opinion was expressed that organized labor had been subjected to vicious attacks by the proponents of the "right-to-work" initiative, in both newspaper and radio advertising.

The council presented framed testimonials to Ralph W. Johnson of the Bartenders Union and George R. Scott of the Painters Union for their leadership in the recent election campaign.

STOCKS TODAY

NEW YORK (AP)—The stock market moved slightly to the plus side late this afternoon after weathering the shock of a court ban on the proposed Bethlehem Steel-Youngstown Sheet merger. Trading was active.

Volume for the day was estimated at 4,500,000 shares compared with 4,090,000 yesterday.

Gains of key stocks went from fractions to about a point but plenty of losers remained from the previous irregularity.

Youngstown halved a four and one-fourth point loss which followed the court news and Bethlehem canceled all but a fraction of a one-point dip. U.S. Steel was slightly lower while Republic and Jones and Laughlin added fractions.

Magna spurted two points while Anaconda and Phelps Dodge were a point or more higher.

Except for Union Carbide, which dipped slightly, chemicals did well. Gains of around a point were scored by American Cyanamid, Air Reduction and Allied Chemical.

FHA To Permit Smaller Houses

WASHINGTON (AP)— Smaller houses, lower ceilings and smaller lots will be permitted under revision of the Federal Housing Administration minimum standards for new dwellings.

The new requirements, which builders must meet if their houses are to qualify for FHA mortgage insurance, will take effect around April 1.

Inside kitchens now will be acceptable with mechanical ventilation, and with artificial light substituted for windows.

Although most of the new standards are more liberal some are more restricted.

Room sizes must be slightly larger.

Johnson 'No Candidate'

WASHINGTON (UPI)—Senate Democratic leader Lyndon B. Johnson says he's "not a candidate" for the presidential nomination in 1960.

He told reporters yesterday that not only was he not a candidate but, "I do not expect to be one and the only job I'll seek is the one I hold."

Judge Bans Merger Of 2 Big Steel Firms

NEW YORK (AP) — Proposed merger of the Bethlehem Steel Corp. and the Youngstown Sheet and Tube Co. was banned today by U.S. Dist. Judge Edward Weinbeld.

The proposed merger would have been the biggest in business history.

In an 88-page opinion, Judge Weinfeld concluded, "There is reasonable probability that the merger of Bethlehem and Youngstwon would be in violation of Section 7 of the Clayton Act, substantially lessen competition, and tend to create a monopoly in the iron and steel industry."

The corporations had sought through long and involved court proceedings for a merger which would have resulted in a company having assets totaling $2,710,000,000.

In his decision Judge Weinfeld said:

"The proposed merger would eliminate the present substantial competition between Bethlehem and Youngstown in substantial relevant markets.

"It would eliminate substantial potential competition between them. It would eliminate a substantial independent alternative source of supply for all steel consumers. It would eliminate Youngstown as a vital source of supply for independent fabricators who are in competition with Bethlehem in the sale of certain fabricated steel products.

"It would eliminate Youngstown as a substantial buyer of certain fabricated steel products."

Judge Weinfeld said the merger "offers an incipient threat of setting into motion a chain reaction of further mergers by the other but less powerful companies in the steel industry."

Senior Association To View Movie

The Marin Senior Assn. will meet at 1:30 p. m. Saturday at Isabel Cook School in San Anselmo, with a short business meeting to be followed by showing of a film

The seniors also plan a Thanksgiving luncheon Wednesday at the Marin Senior Center in San Rafael. Reservations, which may be made at the Saturday meeting or by telephone to the center, close Saturday.

HEARING

designate which are scenic and landscape highways; but he pointed out that the philosophy of controlling advertising "does not limit itself only to scenic areas."

Mrs. Norman B. Livermore, president of the Marin Conservation League, called "our natural landscape a natural resource." She praised Marin's billboard ordinance and said such a law applicable to Marin "should be applicable to the whole state. We must have a state law to enforce such zoning."

Arthur K. Smart, director of the Marin Federation of Improvement Clubs, urged the committee to be "extremely cautious so as not to supersede Marin's excellent regulations." He said the federation has taken no position on proposed state legislation.

Mrs. Kent Seymour, conservation chairman of the Marin Garden Club, said members of her organization had been working for billboard regulation for 20 years and "now is the time for such a course in the state."

Mrs. Francis Owen, a director of Tamalpais Conservation Club, said that organization "heartily endorses restricted outdoor billboard advertising and urge restrictive laws."

Mrs. William Searles, conservation chairman of the Mill Valley Outdoor Art Club, said that club "heartily endorses, in principle, billboard control."

Mrs. William Newman, representing the Presidents' Assembly of Marin County, composed of presidents of women's clubs, said her group approved legislation "but don't abrogate Marin's ordinance."

"I'm sure you won't have to worry about that," said Senator McCarthy.

Lawrence Livingston Jr. of Sausalito, planning consultant, pointed out only 20 California counties have comprehensive zoning laws. Most new federal roadways would pass through other than controlled areas, he noted. He urged state regulation but assured the committee the counties still should retain their authority.

The first day of the hearing yesterday brought a sharp exchange betwen McCarthy and James Bastin, San Jose sales manager for Foster and Kleiser outdoor advertising company.

Bastin questioned the manner in which McCarthy conducted the hearing and charged the other witnesses made "unauthorized and unprovable" statements.

McCarthy told Bastin that if he thought he could run hearing in a better way, he was free to take over and try.

"But as long as I am chairman, everyone will have the right to speak and it will be up to the committee to weigh the merit of what is said," the senator added.

George F. Barry, legal counsel for the Northern California Council of Outdoor Advertising, told the committee that legisation discriminating against billboards would be unfair.

He said advertising firms have a "long established and constitutional right" to operate in any area where other industries can be located.

Dr. Siemens May Give Advice On Hospital Plan

Dr. John C. Siemens, administrator of Ross General Hospital, said today he plans to meet within two weeks with Novato doctors on their request that he act as consultant in forming a corporation to build a private hospital for Novato.

The Novato Hospital Committee, which has pressed for secession of Novato from Marin County Hospital District, met with Dr. Siemens last week and proposed that he help organize the corporation.

Dr. Siemens said today that Novato physicians have indicated willingness to contribute toward construction costs.

Dr. Joseph Sereda, who has spearheaded the Novato secession movement, emphasized today that plans for the hospital are still tentative, and must await formation of the corporation and subsequent financing. A proposed 35-bed hospital would cost $500,000, he said. Possibly it could be started within a year, he predicted.

Financing should prove no great problem, he said, "unless Novato does not secede from the Marin County Hospital District."

PLAN WOULD FLOP

"If that is not done, the whole plan would flop," he declared. "Private investors would be unwilling to take a chance that the hospital district might not build a competing hospital in the area, say 20 years from now."

A half dozen financing plans have already been offered to the hospital committee, he said.

A 10-acre site at Hill and Diablo avenues has been offered free by Dr. Betty Harris of Ross, retired physician who once practiced in Novato. Should that site prove unsatisfactory, it could be exchanged for another elsewhere, Dr. Sereda added.

DOCTOR CONTROL

Any hospital built in Novato will be under direct control of the physicians, Dr. Sereda said. "We want a top-notch hospital, and without doctor control, it could not be a certainty," he declared.

The hospital committee is awaiting a decision by the county hospital district's board of directors on a public hearing on the issue of secession. A petition calling for the separation was submitted last month. The district must either set an election or grant separation within 60 days after a public hearing.

Plea Postponed In Barn Bar Case

Mrs. Carolyn Lombardi Farnham, 48-year-old Ross socialite, won a two-week continuance yesterday before she pleads to a charge of allowing minors to drink at the plush bar on her large estate.

Judge Albert F. Scheidecker of Sebastopol, sitting in Marin Municipal Court, set Dec. 3 as time for her plea.

Nine police officers raided the Farnham barn last Oct. 25 and found a richly furnished bar in the barn, with trap doors leading into the hayloft. With Mrs. Farnham were several adults and three teen-agers, including a 17-year-old girl.

Mrs. Farnham is accused of contributing to the delinquency of minors.

Firehouse Will Have Yule Decor

Christmas decorations on the Ross Firehouse lawns will be in place by Dec. 10, Fire Chief A. T. Henrich said today.

They will include a creche with Joseph, Mary, shepherds and sheep; a family of four snowmen, and Santa in his sleigh drawn by reindeer. The roof of the firehouse will be strung with colored lights.

Mill Valley Pinpoints Harbor Site

The Mill Valley City Council agreed unanimously last night that a 10-acre parcel would be specified in a city request to the state Small Craft Harbors Commission for yacht harbor planning funds.

City Manager A. E. Almcrants and Charles E. Guichard of the parks and recreation commission were scheduled to meet with the commission at Asilomar today.

FOR PLANNING ONLY

Guichard pointed out that the requested funds would be only for planning. If the commission should find the plan feasible, a construction loan would be sought.

Guichard, whose committee has been working on the plan for more than a year, declared: "This is one of the last undeveloped potential recreation areas in Southern Marin."

NO DETAILS

Guichard said that communities would submit general letters without detail, hoping to obtain planning funds.

Councilman Elizabeth Rodman, commenting that, "The project looks very good," said, "If a county recreation commission is established, we could probably get county assistance in conjunction with the aid we need from the state."

The county supervisors yesterday authorized Planning Director Mary Summers to attend the Asilomar conference and present the plan proposed by Mill Valley developer Talcott W. Seaver as a request from the county.

25 Novato Pupils Given Awards For Scholarship

Twenty-five seventh and eighth graders at Hill School in Novato have been presented with awards and special privilege cards for outstanding scholarship.

Highest schoolwide honors went to two seventh graders, Kathy Debrecht, daughter of Mr. and Mrs. Eugene Debrecht, and Jean Fagnani, daughter of Mr. and Mrs. Eugino Fagnani.

Highest honors for the seventh grade only went to Francis Hasik. Other seventh grade students named as outstanding were Pam Saffores, Jenny Friend, Judy Cromwell, Vickie Johnson, Roy Otis, Judy Ward, Juanita Bergala, Jeryl Porter, Denise Kessler, Patricia Gendreau, Michele Wilson and Sharyn Clark.

Candace Cook was highest scoring eighth grader. Other eighth graders mentioned were Barbara Skinner, Connie Wadlington, Pamela Hanson, Nancy Sanders, Melinda Nall, Carole Upchurch, Hal Johnson, Wendy Hardcastle and Tam Metzger.

The students are given the privilege of leaving classes at their pleasure and may leave school early if desired.

John B. Laycock, assistant principal, said the awards were given to encourage enthusiasm among students for high scholarship.

Wealthy Demos May Join Exclusive Club

WASHINGTON (AP) — A new exclusive club may be in the making—open only to Democrats with a thousand dollars to spare.

The Democratic National Committee expects to discuss the club, and other fund-raising possibilities, at its Dec. 6 meeting.

The party is about $700,000 in the red. If 700 Democrats joined a proposed "700 Club" for $1,000 each, they would wipe out the debt.

Kenneth M. Birkhead, the committee's finance director, said efforts would be made to recruit club members from among Democrats wealthy enough to contribute $1,000 each. The biggest drive would be made in those states that had the biggest Democratic gains in the Nov. 4 elections.

About $600,000 of the Democratic deficit is a legacy of the 1956 elections, when Adlai Stevenson was defeated by President Eisenhower.

The Republicans, who lost this year, had all their bills paid on Nov. 1.

S.F. State To Hold Conference

San Francisco State College will hold a two-day conference on junior college programs in the humanities beginning tomorrow. Representatives from 30 colleges are expected to attend.

"Those of us teaching in the field of humanities and the arts are striving for a closer relationship between various levels of higher education—junior colleges, four-year colleges and graduate institutions," said Elias T. Arnesen, chairman of the San Francisco State College Division of Humanities.

Atlas Falls 1,000 Miles Short Of Goal

WASHINGTON (UPI) — The Air Force disclosed last night that an Atlas missile launched Tuesday fell about 1,000 miles short of its programmed 3,000-mile flight, but otherwise was "fully successful."

A spokesman said the intercontinental ballistic weapon landed about 2,000 miles from its Cape Canaveral, Fla., launching base after signaling back test data expected from it. This was the fourth successful flight in six launchings of the fully powered Atlas. The first eight Atlases tested were equipped with only two of the three liquid fuel engines which will provide its operational 5,300-mile range.

53,182 Marinites Cast Votes, Tally Shows

A complete count of absentee ballots shows that a total of 53,182 votes were cast for the Nov. 4 election, County Clerk George S. Jones announced today.

A board headed by inspector George Thierbach completed counting 1,842 absentee ballots yesterday afternoon. A total of 1,940 absentee ballots was issued instead of 2,040, as originally reported, Jones said. He said a deputy clerk had miscounted the ballots issued by 100.

About 20 ballots came back too late to be valid. One was mailed to the wrong address because one digit was left off the address. Others are trickling back because the addressees had moved from the addresses they gave, and the rest are presumably still trailing the addressees on their travels, Jones reported.

Here is the complete and official count:

gun. Prowse stood by the front door with a newspaper over his face.

While taking $581 from the bookkeeper, O'Malley failed to notice a packet of nearly $3,000 on another desk and an assortment of diamonds on another counter.

After the robbery the two boarded their red convertible, stolen from a Mission street parking lot a few minutes before, and proceeded to get involved in several traffic collisions while trying to escape. Meanwhile, the alarm had been sounded by the bookkeeper at the loan office.

Both men were accosted by motorcycle officers a few moments after they zoomed down Minna street, the wrong way, and crashed into a bigger convertible coming the other way.

Prowse told reporters he purchased the two toy guns about three days ago. Yesterday morning, he ran into O'Malley and they had several drinks together before stealing the car and attempting the robbery.

The board also authorized the payment of approximately $32,000 for its full share in the Lucky Drive Assessment District, to construct the eastern access to Redwood High School from Highway 101.

A report on student government at the high schools in the district was presented by students.

In other action, the board:

1. Indicated it would be happy to discuss the matter of use of the Northwestern Pacific Railroad right of way adjacent to Tamalpais High School with the Mill Valley City Council.

2. Authorized holding of a yearly science fair by the district.

3. Appointed John Cassidy as supervisor of a sewer reconstruction project at Redwood High at $4.50 per hour.

Medic In Span Rescue Hurt In Car Crash

Four persons, including an Army psychiatrist who Tuesday night played a major role in dissuading a distraught man from jumping off the Golden Gate Bridge, were injured early today in a two-car collision at the entrance to Marinwood on Highway 101.

The psychiatrist, Dr. (Capt.) Mark Devlin Muir, 31, an Army captain who lives at 172 Cobblestone drive in Marinwood, suffered bruises and scalp cuts and was transferred to Letterman Army Hospital in San Francisco, where he is on the staff, after treatment at Hamilton Air Force Base Hospital.

WIFE INJURED

His wife, Mrs. Dolores Ann Muir, was also treated at Hamilton and transferred to Letterman. She suffered numerous cuts and bruises of the face, deep scalp cuts and an injured left hand.

Both were reported in good condition today at Letterman.

Also injured were Clarey Walker, 40, House 289, Marin City, and Joseph D. Lake, 61, of 720 B street, San Rafael.

Lake, a janitor at Hamilton Air Force Base, suffered a right knee fracture. He was reported in good condition today in San Rafael General Hospital. He was a passenger in a car driven by Walker, a laborer at the air base. Walker suffered painful facial injuries. Several of his front teeth were broken. He was treated at San Rafael General Hospital.

HIT BROADSIDE

According to the California Highway Patrol, a station wagon driven by Captain Muir turned from Highway 101 to enter Marinwood and ran in front of a southbound car driven by Walker. The Walker car struck the Muir vehicle broadside.

The accident happened at 12:13 a.m., according to the CHP.

Tuesday night, Captain Muir was one of a group of Army psychiatrists who spent nearly four hours on the wind-swept Golden Gate Bridge, talking to Air Force S/Sgt. William Cody, 33, and finally dissuaded Cody from jumping to his death.

School Merger Discussion Set

Unification of San Jose and Novato School Districts will be the topic of a panel of school administrators and trustees tonight at 8 o'clock at Marion School in Novato.

Adele McAlister, Longtime Larkspur Resident, Dies

Mrs. Adele M. McAlister, a Larkspur resident for 52 years, died yesterday in a local hospital after long illness. She suffered a broken hip two years ago and had been confined to a rest home since. She was 91 years old.

Mrs. McAlister came to Marin from New York with her husband, the late John I. McAlister, a draftsman who died 37 years ago. Mrs. McAlister made her home at 141 Ward street in Larkspur before her illness.

Two daughters, Mrs. Florence Maushardt of Larkspur and Mrs. Izora M. Kelly of Los Angeles, and a son, Lewis I. McAlister of Glendora, Los Angeles County, survive.

Funeral services will be held at 11:30 a.m. tomorrow at Keaton's Mortuary, San Rafael.

Herbert Norman Services Held

Private funeral services for Herbert A. Norman, 81, who had a summer home on Forest avenue in the Lansdale section of San Anselmo for 15 years until it burned a decade ago, were held in San Francisco yesterday.

Norman, a native and lifelong resident of San Francisco, died in Reno on Monday. Until his retirement two years ago, he operated the F. G. Norman and Sons Builders Hardware store in San Francisco. The firm was started in 1877 by his parents. It is still operated by the family.

Norman was a member of Balder Lodge 393, F&AM; California Bodies, Ancient and Accepted Scottish Rite, and Islam Temple of the Shrine.

He and his wife, Olga, celebrated 52 years of marriage this year. In addition to Mrs. Norman, survivors are two daughters and a son, Mrs. Harvie M. Freed of Larkspur, Mrs. George A. Bertram of Kentfield and Frank G. Norman of San Francisco.

Rites Tomorrow For Mrs. Dodge

A High Mass of Requiem for Mrs. Mabel W. Dodge, housemother at Fanjeaux Hall, Dominican College, will be offered at St. Raphael's Church at 9:30 a.m. tomorrow. The funeral cortege will form at Harry M. Williams Mortuary, San Rafael, at 9 a.m. Interment will be in Mt. Olivet Cemetery.

The Rosary will be recited at the Williams mortuary tonight at 8:30 o'clock.

Mrs. Dodge, 68, collapsed and died Tuesday morning while attending Mass at the Dominican Chapel. Her death was caused by a heart attack, according to a post-mortem examination.

She is survived by a daughter, Mrs. Dorothy W. De Haven of Estes Park, Colo.; a sister, Mrs. Lillian Custer of San Bernardino, and three grandchildren.

Rites Held For Marinite's Son

Funeral services for Robert Trevere Pratt of Palo Alto, son of Mrs. Emma Pratt of Corte Madera and brother of Mrs. Regina Bingley of Larkspur, will be held at 1:30 p.m. tomorrow at the Tinney Funeral Chapel at Palo Alto. Burial will be in Golden Gate National Cemetery, San Bruno.

Pratt, 47, died unexpectedly on Tuesday in a Palo Alto hospital. He suffered a heart attack a few days earlier.

He was employed by J. O. Archibald Co., engineering construction firm of Redwood City, as a truck dispatcher. He was a member of Teamsters Union Local 216 of San Francisco.

Pratt lived in Larkspur during 1949 and '50. He was a native of San Francisco.

Additional survivors are his wife, Eva, of Palo Alto; two other sisters, Mrs. Dolores Henris and Mrs. Glenola Weber, both of Klamath Falls, Ore., and his brothers, Tristan Pratt of Woodside and Don Pratt of San Jose.

Rites Set For Marinite's Brother

Graveside services for Birney Linn Jr., brother of Nelson C. Linn of 231 Laurel place, San Rafael, will be conducted at Golden Gate National Cemetery, San Bruno, tomorrow at 2 p.m., directed by Callaghan Mortuary of Livermore.

Linn, 63, died of a heart ailment at the Livermore Veterans Hospital Sunday. He had been in the Veterans Hospital in Reno for about nine months before going to Livermore several months ago.

Linn was fire chief of Westwood, Lassen County, for many years. He retired because of illness and the death of his wife, Rudie.

A veteran of World War I, he belonged to Veterans of Foreign Wars Post 6357 and American Legion Post 80 of Westwood.

Survivors besides his brother in San Rafael, are a sister and two other brothers, Mrs. Eva Sollenberger of Nice, Lake County; Ray Linn of San Francisco and Paul Linn of Paradise, Butte County.

SERVICES ORDERED TO CUT MANPOWER

Will Reduce Strength By 71,000 As Slash Delayed By War Scare Goes Into Effect

WASHINGTON (AP)—The Eisenhower administration, after postponing action because of two war scares, is beginning an across-the-board cut in military manpower.

Secretary of Defense Neil McElroy announced orders yesterday for a reduction of some 71,000 in Army, Navy, Air Force and Marine Corps manpower. At the same time, the Army reduced its draft call for January.

The Pentagon plan is to trim the over-all strength of the armed services from 2,596,282 to 2,525,000 by June 30, when the current fiscal year ends.

President Eisenhower first announced plans to reduce military manpower last winter when he sent his 1958-59 budget to Congress. But the cut was postponed because of war scares in the Middle East and the Formosa Strait.

EXTRA FUNDS

Congress sought to head off the administration's announced plans to trim Army manpower by 30,000 and the Marines by 25,000. Going beyond Eisenhower's budget requests, Congress provided extra funds to keep the Army at 900,000 men and the Marines at 200,000. Those levels weren't made mandatory, however.

Under the cutback program announced by McElroy, the Army faces the biggest cut—31,793 men—in seeking a June strength goal of 870,000.

MARINE CUTBACK

The Marines, with an estimated strength of 189,361, will have to drop about 14,000 men. The Navy must cut back by about 11,000 to reach a 630,000 level. The Air Force, now estimated at 863,000 men, must reduce by about 13,800.

The Army cut its January draft call to 9,000 men. That is 2,000 below the number it has called up the last several months.

High Hopes Voiced For TB Vaccine

CHAPEL HILLS, N.C. (AP)—Two research scientists have expressed high hopes for a new anti-tuberculosis vaccine they developed.

They announced yesterday that seven years of tests with animals and humans indicated the vaccine, R1, is safe and reasonably effective.

Dr. Stuart Willis, chief investigator in the project, said however, that six more years of testing will be required to establish the vaccine's effectiveness in humans.

Willis' co-worker, Dr. H. Mac Vandiviere, said new methods of TB treatment have drastically reduced the death rate from the disease—although the number of TV cases had declined very little.

Both men are employed by the State Sanitorium System, which embraces the state's TB hospitals.

Safety of the vaccine has been demonstrated through tests with 6,000 animals, Willis said. "At the present time, 1,600 people have been included in human studies evaluating R1, confirming the findings in animals as to its safety," he added.

"The true value of the vaccine will, of course, not be known until it has been tried with large numbers of people in a country such as Haiti where the death rate is almost 50 times greater than it is here and exposure to TB is certain," Vandiviere said.

Marin Puppeteer To Give Show

"The Three Little Pigs," a two-act puppet show conducted by Tony Urbano of 71 Twin Oaks avenue, San Rafael, and Dorothy Hayward of Oakland, will start a six-week run Sunday as the final show of the 1958 season at the Children's Fairyland Puppet Theater in Lakeside Park, Oakland. Sunday show times are 11 a.m., 2 and 4 p.m.

Train Plows Into Jet On Tracks; Pilot Saved

EL TORO, Orange County (AP)—A jet fighter plane overshot an airfield and crashed on railroad tracks yesterday, Seconds later, a seven-car passenger train plowed into the plane.

The train sent the jet cartwheeling through the air. The plane came to rest against a lounge car containing 30 passengers. Jet fuel exploded in flames.

The locomotive and four cars were derailed. Three sections of track were torn up. But no one was seriously injured.

The plane's pilot, who suffered only bruises, was the most seriously hurt.

"I'd say the good Lord had his arm around a lot of people," said a spokesman at the El Toro Marine Corps Air Station, where the jet was practicing landings.

Hero of the near-disaster was Pat Schamber, brakeman on the Santa Fe's San Diegan, bound to San Diego from Los Angeles with 130 passengers and crew.

He dragged the stunned pilot, Marine 2nd Lt. Phillip M. Schmidt, 23, from the wreckage. When they were about 50 feet away the F4D Skyray burst into flames.

Schmidt, practicing a power-off landing, overshot a steel cable across the runway on which the plane was to hook. The jet bounced over an eight-foot fence, streaked across a bean field, sheared off a power pole and slammed onto the railroad tracks.

The train was approaching at 75 miles an hour.

"I saw nothing but a cloud of dust on the tracks about 250 feet ahead of me," said engineer William Ryder, 63. "I put on the emergency brake. Two or three second later came the impact. It took another 125 yards to bring the train to a halt."

The pilot, son of Mr. and Mrs. William H. Schmidt, Cincinnati, was taken to the station hospital for observation.

William Jennings Bryan made his famed "Cross of Gold" speech before the Democratic National Convention at Chicago in 1896.

Virginia School Closure Law In Court Test

NORFOLK, Va. (AP)—A special federal court has begun its study to determine whether Virginia's school closure law is constitutional.

The three-judge court heard four hours of testimony yesterday, then adjourned without a ruling. It asked for additional briefs by Dec. 5.

A new attack on the state's massive resistance to integration legislation—this one brought as a test case by the state itself—will begin Monday before the Virginia Supreme Court of Appeals. No decision is expected before early December.

Two school officials and a veteran teacher told the federal court yesterday that unless six Norfolk white schools closed under the closure law are reopened soon, the city's public school system will suffer disastrous effects.

Virginia Atty. Gen. S. Harrison, who with Gov. J. Lindsay Almond Jr., the Norfolk School Board and its superintendent, is a defendant in the suit, said closing of the schools is a valid exercise of the police power of the state and asked for dismissal of the case.

Virginia is not trying to destroy public education, he said, but is trying to prevent trouble by removing integrated schools from the public school system so the governor can investigate to determine whether they can be returned to the system.

J. J. Brewbaker, school superintendent, said "it is very tragic" for the locked out students.

BOUNTIES PAID ON 1 SKUNK, 3 RACCOONS

Three raccoons and one skunk have met their death in the county's campaign to reduce their numbers in Marin.

Since the first dollar bounty for a raccoon tail was claimed by Mrs. Pearl OHartnett, three boys in their teens have visited the county corporation yard at 519 Fourth street, San Rafael, with fresh tails. One was a skunk tail; the others, 'coons. The animals had been caught in San Anselmo, Sleepy Hollow and Los Ranchitos area.

Agricultural Commissioner Thomas W. Peryam, who is major domo of the tail collection, said any tails should be enclosed in a bag "so we don't have to handle it."

The dollar bounty for a raccoon or skunk tail became effective Saturday and will continue until Jan. 15. Tails are accepted during weekday office hours and on Saturdays from 9 a.m. to noon.

Bishops' Clothing Drive Scheduled

Marin's Catholic Churches will join parishes of the church throughout the county next week in the Catholic Bishops' Thanksgiving Clothing Collection of usable clothing, bedding and shoes for needy persons in other lands.

The drive opens Sunday and runs through Nov. 29. Each Catholic Church will serve as a collection depot.

In charge of the program in Marin is Rev. James Cain of St. Raphael's Church, San Rafael.

Case Of Killer's Girl Friend Goes To Jury

LINCOLN, Neb. (AP)—The murder case of Caril Ann Fugate, 15-year-old ex-sweetheart of killer Charles Starkweather, went to a jury today.

The jury's task: To decide whether Caril shares the guilt which already has brought Starkweather a death penalty.

The girl is charged on two counts—one with first degree murder in the death of Bennet, Neb., schoolboy Robert Jensen and second with murder in the perpetration of a robbery of Jensen.

JUDGE'S INSTRUCTIONS

Judge Harry Spencer told jurors they may find Caril guilty of either first or second degree murder or innocent on count one.

On count two the verdict must be either guilty of first degree or innocent.

Second degree murder carries a penalty of 10 years to life imprisonment.

DECIDES PENALTY

First degree murder is punishable in Nebraska by life imprisonment or death in the electric chair. The jury specifies which penalty shall apply.

Judge Spencer told jurors that aiding or abetting would make Caril equally guilty with Starkweather under the law.

He advised jurors to use "great care and caution" in weighing the testimony of Starkweather, a principal state witness against his former sweetheart.

Court Rules Surgeon Can't Be Asked To Do Impossible

PARIS (AP) — A Paris civil court ruled today that a 56-year-old woman shouldn't demand the impossible from a plastic surgeon, and should be happy with any improvements he can make.

The suit was brought by Gita Leibman de Kassel, an American who lives in Mexico. She asked 50 million francs—$119,000—damages from France's famed plastic surgeon, Dr. Jean Voisin.

Court proceedings disclosed she came to Voisin with a request that he remove certain facial wrinkles, smooth pouches beneath her eyes, make her look more youthful and give her bosom a youthful line.

All but the last was successful, she admitted in her complaint, but that was a disaster. She claimed the surgery left her with scars which show when she wears low-cut evening dresses. She also claimed the scars adversely affected certain marriage plans, and contended the doctor had not warned her that lifting the bosom would cause some scars.

The court sided with Voisin, threw out the suit, and said: "At a certain age one should not demand the impossible."

3 Hearings Set On School Merger

Dates of three public hearings on a proposal to merge the Novato Unified and San Jose School Districts into a North Marin Unified School District were announced today by Richard L. Foster, county superintendent of schools.

Foster said the Marin County Committee on School District Organization will hold the hearings Monday, Dec. 8, at Marion School, Novato; Wednesday, Dec. 10, at Lynwood School in the San Jose district, and Monday, Dec. 15 at Novato High School. All will start at 8 p.m.

Law Officers Nominate '59 Slate

About 75 members of the Marin County Peace Officers Assn., meeting Tuesday at the Hamilton Air Force Base NCO Club, nominated a slate of officers for 1959.

Nominated were Carl Mead Jr., Mill Valley police department, president; John R. Flor, Larkspur attorney, first vice president; Earl Cummesky, sheriff's deputy, second vice president, and William Porter, California Highway Patrol, secretary-treasurer.

The officers heard Col. T. D. Harris, of the base provost marshal's office, report on problems confronting military police. They discussed the possibility of forming a county-wide roadblock system, which would include participation by all law enforcement units.

T/Sgt. Joseph Sudor, also of the provost marshal's office, was host.

The association will meet again next month to close nominations and to elect.

Reds Study West Plan

GENEVA (AP) — Communist delegates to the surprise attack conference indicated today they at least are studying the arms and detection system lists introduced by the West in an effort to get the talks down to technical matters and away from politics.

There was no indication, however, that the eastern side was prepared to get down to detailed technical studies as the West has requested.

Knights Of Pythias To Elect Tonight

Muir Lodge 136, Knights of Pythias, will elect officers at a meeting at 8 o'clock this evening at Thorn Hall, 142 Throckmorton avenue, Mill Valley.

William Spellman of Los Angeles, grand master of arms, will deliver a message to the lodge from the Grand Lodge of California, announced chancellor commander Emmett Segrue.

Coffee and cake will be served after the program.

Lost Wallet Returned

WOONSOCKET, R.I. (AP) — Thomas C. Mee Jr. lost a wallet with $100 from a boat in 40 feet of water off Watch Hill last Aug. 1.

Last Sunday, Arthur H. Des Sureault of Norwich, Conn., was clamming off Barn Island near Stonington, Conn., and found the wallet with the money still intact.

Mee said he got his money and wallet back, thanks to Des Sureault.

2-Way Traffic Ordered On Blithedale Extension

The Mill Valley City Council last night ordered resumption of two-way traffic on the East Blithedale avenue extension as soon as the outer portion is completed.

Traffic has been one way for several weeks, with the old redwood trestle of the Northwestern Pacific carrying traffic in the opposite direction.

It was pointed out at last night's city council meeting that Public Utilities Commission approval of a grade crossing at the NWP tracks early this year included a provision that the trestle be abandoned by Dec. 7. Also, county money for paving the strip was made available partly due to claims that the trestle was unsafe.

At the request of City Engineer Albert H. Siemer, the council directed city manager A. E. Almcrants to ask the PUC for an extension for 12 months before the trestle is demolished. Councilmen contended that it should be retained as a standby.

In other business, the council:

1. Approved signing a joint purchase agreement with the county for use whenever joint purchases would be mutually agreeable.
2. Asked City Atty. Thomas Nelson to pursue negotiations with Marin Municipal Water District for possible city acquisition of district property adjacent to the city hall. The city has appraised the property at $35,000 and is waiting for the district's figure.
3. Referred to the city attorney renewal of a lease with Western Greyhound Lines for the bus terminal.
4. Set for Nov. 25 a hearing before the planning commission on the revised zoning ordinance, followed by a public hearing before the council on Dec. 17.
5. Made permanent an arrangement for four-hour parking on Madrona avenue.
6. Approved a recommendation of the parks and recreation commission that teen-agers be allowed use of the golf clubhouse one night each month at no charge, provided they arrange for the services of an off-duty police officer on such nights.
7. Heard florist Normand Black offer the services of his committee to do landscape planting on Miller avenue, and accepted with thanks the offer of Herman Hein to develop a planting program for the entire Miller avenue section from Tamalpais High School to Millwood.
8. Put over until March discussion of revision of the business license ordinance.
9. Asked Almcrants and Nelson to confer with high school authorities on obtaining title to the former railroad right of way between the high school and the city limits.

Kentfielders Invited To 'Sound Off'

The Kentfield Civic League has invited residents of its area to "sound off" on problems of community interest at a meeting at 8 p.m. Monday in the science hall at College of Marin.

Sharing the agenda with the sounding off will be the yearly election of board members and two talks on civic organizations.

Philip A. Crane Jr., president of the league, said Henry Hayes, former president, will speak on the purposes and functions of the improvement group and Dr. John C. Siemens, president of the Kentfield Lions Club, will describe the position of his organization in the community.

Crane said he hopes residents will use the meeting to voice any ideas on community betterment that need to be brought to the attention of the proper authorities.

Some of the ideas already received include requests for improvement and beautification of the College avenue commercial area, drawing of a Kentfield traffic and road plan, and removal and replacement of faulty street lights in Greenbrae.

The meeting is expected to be the last for the year for the organization.

Flag ceremony for the meeting will be led by Explorer Post 11, a new post sponsored by the league.

Army Honors 2 Marinites

Mrs. Jacqueline Sowada of 24 South Knoll road, Strawberry, has been presented a $100 cash award and a citation for outstanding work during the past years at the the Army Transportation Terminal Command at Ft. Mason.

Mrs. Sowada, a teller in the finance and accounting division, was presented the award and bonus by Brig. Gen. Robert C. Tripp.

Walter R. Sutherland of 72 Valley Circle, Mill Valley, an investigator for the staff judge advocate, was honored by the same command for submitting an improved form for reporting damage and loss claims.

Demos Take 2-1 Edge In State Senate

SACRAMENTO (UPI) — Final unofficial election returns showed today the Democrats will have a better than two-to-one margin of control in the state Senate and a 14-seat edge in the Assembly when Gov.-elect Edmund G. Brown takes office in January.

The returns, still subject to the official canvass and a possible recount in a few districts showed:

Senate — 27 Democrats, 13 Republicans. Before the election, the upper house was split 20-20.

Assembly—47 Democrats, 33 Republicans. Before the election, Republicans controlled the lower house 43-37.

CLOSE MARGINS

Some of the races were decided by a hairline margin. For example, Republican Assemblyman Seth Johnson retained his 56th District seat in Los Angeles County by 48 votes over Philip J. Schlessinger (D). More than 66,000 ballots were cast.

In San Diego's 80th District, Assemblyman Jack Schrade (R) pulled out in front of Jim Baer (D) by 188 votes after the 55,548 votes, including absentees, were tallied.

Although Assemblyman H. W. (Pat) Kelly (R-Shafter) lost by 151 votes to Democrat John Williamson in the 39th District, Kelly refused to concede and filed an official request for a recount of all ballots.

WINS BY 83 VOTES

Another close race was decided when Waverly (Jack) Slattery (D) was claimed the winner by 83 votes over incumbent Sen. James E. Busch (R) in the 4th (Mendocino-Lake) District.

Other winners on the basis of late returns and a count of absentees included Assemblyman Louis Francis (R); Lou Cusanovich (R) by 411 votes over Howard Hardy (D) in the 64th; Jack A. Beaver (R) over William T. Howell (D) by 1,351 votes in the 73rd and George Crawford (R) in the 79th.

9 NEW SENATORS

There will be nine new Democratic senators in the upper house— Slattery; Virgil O'Sullivan, who defeated the veteran Sen. Louis G. Sutton (R) in the 8th; Joseph A. Rattigan, victor over another oldtimer, Sen. F. Presley Abshire (R) in the 12th; Eugene McAteer in San Francisco's 14th; John W. Holmdahl in Alameda's 16th; Albert Rodda in Sacramento's 19th; Walter W. Stiern in Kern County, replacing the late Jess R. Dorsey (R), and Hugo Fisher in San Diego County, who ousted veteran Sen. Fred H. Kraft (R).

Democrats will lose one seat in the Senate before the 1959 session convenes Jan. 5. Sen. Harold T. Johnson (D-Roseville) was elected to Congress in the November election and will surrender his 7th District Senate seat. Brown probably will call a special election to fill the vacancy.

Mill Valley Chamber Holds Dinner Tonight

The Mill Valley Chamber of Commerce will hold its annual membership dinner meeting this evening at the Mill Valley Golf Clubhouse starting at 7 o'clock, according to secretary John E. McSweeney.

Newly elected officers headed by Donald P. Geddes as president will be installed. Geddes succeeds Larry Brink.

Seniors' Fund Drive Turns To Businesses

A committee under chairmanship of Manny Charnow today began solicitation of Marin business districts in the Marin Senior Assn. fund drive.

The drive is to raise funds to maintain and expand services of the Marin Senior Center at 1825 Fourth street, San Rafael. Contributions are tax deductible, Charnow pointed out.

Funds from the business district solicitation will supplement those raised in calls on residents during "Senior Sunday" on Nov. 9, plus additional residential canvassing now under way because much of the caimpaign was rained out that day.

Charnow, a spark plug of the Senior Assn. and Marin's "Man of the Year" as chosen by the Marin Real Estate Board two years ago, said anyone missed by the canvassers may call the Marin Senior Center and a volunteer will be sent to pick up contributions.

Theater Elects At Terra Linda

Mrs. Edgar C. Smith was elected president of the newly organized Terra Linda Little Theater at a meeting of directors last night at the home of George F. Martus, 574 Idylberry road, Lucas Valley.

Clarence Liesure was elected vice president; Mrs. John Alluir, secretary, and Louis Lewis, finance manager.

The board selected an original revue by Dustin Lake of Hayward for the little theater's first production. Mrs. Smith said start of rehearsals probably will be announced at the next meeting of the little theater, Dec. 3 at 7:30 p.m. in Hoffman School. A production date in February or March is planned, she said.

Meeting Slated On Marin City

A public discussion meeting with the county planning commission prior to a formal public hearing on the plan for redevelopment of Marin City has been set for Dec. 4 at 8 p.m. at the planning commission offices in San Rafael, according to Bert Klahn, executive director of the Marin County Redevelopment Agency.

Members of the redevelopment agency and planning commission, plus representatives of the James H. Scheuer organization, who will do the development work, will participate.

PG&E Foreman Wins $75 Award For Idea

L. R. Whipple, general foreman in the electric department, Marin district, Pacific Gas and Electric Co., has received a $75 award from the company for a suggestion which has resulted in increased efficiency in the firm's field operations.

Whipple suggested that metal tie-wires used in securing electric lines be pre-cut in PG&E shops instead of at the scene of installation.

Whipple lives at 5 Mohawk avenue, Corte Madera.

Need For 2 Small Craft Harbors Told

MONTEREY (AP)—At least two small craft refuge harbors are needed along the California coast, Joseph A. Beek told the state Small Craft Harbor Commission yesterday.

Beek, chairman of the commission, said the harbors are needed at Shelter Cove in Humboldt County and at Pt. Conception near Santa Barbara. They would be used by small boats caught in coastal storms.

Beek spoke in answer to testimony opposing harbors of refuge and favoring revenue-producing, self-liquidating harbors. He said neither of the proposed harbors he proposed stood much chance of creating revenue.

Maxwell W. Willins of Stockton said the state should not spend money for harbors of refuge; that "the commission has the responsibility to build only self-liquidatinging harbors at this time."

Applications for 14 harbors totaling more than six million dollars have been filed with the commission.

Marin Stands At 69% Of Crusade Goal

Marin United Crusade division percentages for the 1958 campaign range from 52 to 96.9 per cent, R. B. Mittelstaedt, general campaign chairman, said today. Total receipts are $117,465 or 69.4 per cent of the county's $169,258 quota.

The money collected to date is about the same as last year at this time, Mittelstaedt said, but this year's quota is $20,000 more than in 1957, so Marin is actually $20,000 behind last year.

However, he expressed confidence that a final "splurge of returns" before the report meeting tonight will bring about a sharp rise in the campaign figures.

Division standings now are: San Rafael business, Walter Zurcher, chairman, 96.9 per cent; public employees, Warden Fred R. Dickson, chairman, 90 per cent; business, other towns, Woodrow W. Miller, chairman, 84 per cent; major firms, George M. Henderson, chairman, 83.8 per cent; advance gifts, John V. Baciagalupi, chairman, 78.8 per cent; professional, John G. Buresh and Dr. W. Burgett Smith, co-chairman, 75.3 per cent; education, Chester G. Carlisle, chairman, 61.4 per cent; residential, Mrs. Fred Adams, chairman, 56.7 per cent; commerce and industry, Jordan Dell'era, chairman, 52 per cent.

Marin's major firms and business divisions are leading the five counties participating in the United Bay Area Crusade, and the professional and public employees divisions rank second. The county as a whole, however, is still trailing the other four counties.

Quemoy Schools Open

TAIPEI (AP) — Quemoy's children went back to school today after a perilous three-month vacation given them by Communist guns.

All primary schools on the island fortress reopened. Shellfire damage had been repaired and shelters dug for pupils and teachers.

Student's of Quemoy's high school, which was wrecked by artillery, have been transferred to Formosa.

Marinites Win Awards For Advertising Art

Marin County artists and art directors took a major share of the awards in the 10th annual exhibition of advertising art, on display at the San Francisco Public Library in the Civic Center through Nov. 30. Of 36 awards, Marin artists won 14.

Bruce Butte of Mill Valley won awards as artist in three categories and as art director in three additional categories. With artist Charles Wertmen, he received the Foster and Kleiser medal for the best poster design.

Sausalito artists Nicolas Sidjakov and Jerrol C. Richardson, Edward Gross and Edward Renfro of Mill Valley, Donald McKee of San Rafael and Edgar Watson of Stinson Beach also received awards.

Illustrator Stan Galli of Kentfield won the editorial art award with one of his story illustrations for True Magazine.

The exhibition, sponsored by the Art Directors Club of San Francisco and the Society of Designers and Illustrators, includes 250 original works of advertising art screened from more than 1,250 entries.

B52 Lands Safely After Explosion

CASTLE AIR FORCE BASE (AP)—Two Air Force officers taking training aboard a B42 jet bomber bailed out yesterday when a minor explosion occurred.

The other five crewmen stayed on board and the plane made a safe landing here.

The trainees were Lt. Col. Herbert Hatley, flying as student radar operator, and Lt. G. B. Meyers, student navigator, both of Mather AFB near Sacramento.

An Air Force spokesman said the two landed without injury in an isolated spot 10 miles northeast of here.

The Air Force gave no explanation for the explosion.

Britain Cuts Bank Rate

LONDON (AP)—Britain today lowered the bank rate to 4 per cent, another ½ per cent notch in the fight to keep money flowing easily.

It was the fifth drop in eight months. It will mean still cheaper loans and will speed up the circulation of money in Britain.

WILL RUSS GO TO BRINK IN BERLIN?

West, Pledged To Fight If Necessary, Awaits Soviet Pullout In East Sector

WASHINGTON (UPI) — The big question in Western chanceries today is how far Russia is prepared to move toward the brink of war in its campaign to give Communist East Germany more authority and prestige.

Allied officials were braced for an anticipated Soviet move transferring the Russian sector of Berlin to the East German Communists. They thought the Kremlin probably would carry through on this Nov. 10 promise of Premier Nikita Khrushchev.

American officials promised immediate and strong Western reaction if such a move comes. But they declined to tip their hands by disclosing what they had agreed upon in consultations with Britain and France.

The critical question, U.S. officials said, was whether the Russians would go further and give their East German puppets control over the 100-mile allied corridor to Berlin. This would put the East German Reds in a position to blockade allied forces there.

PLEDGED TO FIGHT

The United States and its allies, backed by a North Atlantic Treaty Organization resolution of October, 1954, are pledged to fight a war if necessary to hold West Berlin. Officials said the Kremlin can hardly be in doubt that Washington intends to stand by this pledge.

However, officials pointed out, there are many degrees of harassment short of an effort to oust the allies from Berlin that the Russians may contemplate.

STRONG REACTION

It is such measures the allies are reported ready to meet with strong reaction, including some form of economic retaliation.

American officials said they are convinced one of the principal motives behind Russia's Berlin move is Khrushchev's intense desire to prove a Communist satellite government can maintain authority without presence of Russian guns.

Tiburon Sewer Discussion Set

A public meeting of the Tiburon Peninsula Sanitary Study Committee has been called for 8 o'clock tonight at the Belvedere Community Hall, according to Robert F. Sterling, secretary.

The committee, composed of representatives of all peninsula sanitary districts, the city of Belvedere and nearby residential sections, was formed last year to seek solution of the area's sewage disposal problem.

Engineer Harry N. Jenks will present a proposal for sanitary facilities for the peninsula at tonight's meeting, Sterling said.

Greyhound Honors 3 For Safe Driving

Three Marin men have been awarded gold wrist watches by Western Greyhound Lines for 10 years' safe bus driving.

They are Robert Schneider of Mill Valley, Eugene Reiman of San Rafael and A. A. Trisciuzzi of Fairfax.

West To Revise Space Program

UNITED NATIONS, N.Y. (AP) —The Western powers agreed today to revise their outer space resolution in an attempt to bring it closer in line with the latest Soviet proposals.

U.S. Delegate Henry Cabot Lodge quickly arranged a private meeting with Soviet Deputy Foreign Minister Valerian A. Zorin to discuss the problem with him.

HOPE FOR AGREEMENT

Western diplomats were reported hopeful an East-West agreement could be reached.

The Western decision was made at a meeting of the 20 countries sponsoring a proposal for international cooperation in the peaceful uses of outer space.

The group is reported to have accepted a series of changes recommended by the United States. These included one key part of the rival Soviet plan.

PERMANENT AGENCY

This was a definite commitment to have the U.N. set up a permanent outer space agency. The original Western proposal had simply called for a study of the space problem.

One major issue remained unsettled. The Soviet proposal called for a preparatory committee of 11 nations to set up the permanent agency. The West insisted the composition of the special committee should be negotiated.

This morning's developments followed a day of consultations between Lodge and the State Department. It was reported changes finally agreed upon followed closely Lodge's recommendations to Washington.

High British Official Faces Morals Charge

LONDON (AP) — Ian Douglas Harvey, third-ranking official in the British Foreign Office, was accused in magistrates court today of committting a homosexual act with a private in the Coldstream Guards.

The hearing was adjourned until Dec. 10 to permit the police to arrange legal representation.

Neither Harvey, who is under-secretary for foreign affairs, nor the soldier, Walter Plant, 19, entered a plea. Each was released on bail of 25 pounds ($70).

The tall, graying official, a dignified man of 44, and Plant were arrested last night in St. James' Park opposite Buckingham Palace. They were charged with committting an act of gross indecency.

No details were given.

Homosexuality in Britain is a major social problem which has evoked much concern among church and social bodies. A government inquiry group recommended last year that acts of homosexuality between consenting adults no longer be a criminal offense.

Auto laundries in the U.S. will wash about 288 million cars this year.

Sudan Premier Tells Policy

CAIRO (AP) — Sudan's new strong man said today his main interest now is in internal reorganization, and foreign policy decisions will have to wait. He hinted he will seek better relations with the United Arab Republic.

Gen. Ibrahim Abboud made his comment in a brief telephone interview from Khartoum, Sudan's capital.

Abboud answered the phone while presiding over a meeting of his new 12-man cabinet.

Asked about the possibility of reaching an agreement with the U.A.R. on the division of Nile waters, long an issue between the two nations, Abboud replied: "My policy is very clear and I have emphasized it in my first declaration after taking over."

Abboud declined to amplify this. In the declaration he referred to, Abboud promised to work for better relations with the U.A.R. and the elimination of dissension.

"We need two or three days to lay down the broad lines of our policy," Abboud said. "Our main interest is in internal reorganization. Later, we will study Sudan's foreign policy."

BLOODY, BATTERED, BEATEN — This is how highly-ranked middleweight Joey Giardello looked just before Referee Vern Bybee stopped the bout with Spider Webb last night at one minute and 30 seconds of the seventh round. Severe cut of an artery over the left eye, plus other facial cuts, turned Giardello's face into a crimson mess. (AP Wirephoto)

COW PALACE UPSET

Webb Stops Joey In Bloody Battle

The city by the Golden Gate was nothing more than "Whammyville" today as far as Joey Giardello was concerned.

Last June he lost a controversial decision in the Cow Palace to Joey Giambra. Then last night, after being introduced as "The uncrowned middleweight champion of the world," he was stopped in seven rounds by Spider Webb.

A nationwide television audience plus a crowd of 8,571 cash customers sat in on Giardello's pre-fight "coronation" by Announcer Jack Reed and ultimate slaughter by the sharp workman from Chicago.

The gross gate was $42,790 and the net $39,948.66, of which Giardello took 30 per cent and Webb 25 per cent.

Referee Vern Bybee stopped the bout at 1:30 of the seventh as a river of blood coursed down the Long Islander's features from a cut left eye which he suffered in the fourth round.

It marked the first time that Giardello had failed to go the distance since 1950 when Harold Green decked him for the full count.

Rock-solid Joey, who weighed 159 pounds to Webb's 158¾, never was off his feet last night, but neither was he on his stick. He looked tired even as he squared off against Webb, a 7-5 underdog, at the opening bell.

Giardello's biggest gun was his booming right hand which exploded effectively into Webb's face at least four times and made the Spider back up midway through the fourth round. But late in that session, Webb closed in and staggered Giardello with sharp combinations to the face while backing him against the ropes. And after one of Webb's flurries there, a cut beneath Giardello's left eye turned into a nasty wound.

Webb, who turned 27 today, said after his surprisingly easy win that he should get a crack next at Ray Robinson's middleweight title.

"I don't know why they are waiting for Carmen Basilio to take another shot at it," Webb said. "He's too light. He can't lick any of the good middleweights."

Giardello, claiming that the main cut was opened when Webb butted him, conceded that he might have overtrained.

"I thought the fight was close," Giardello maintained. "If it wasn't for a busted artery over my eye it would have been different. He never hurt me."

However, Webb was leading on all three cards at the end.

Commission Physician Don Lastreto, who examined Giardello's optic midway through the sixth round, said that a supra orbiatal artery above the eyebrow was severed. Joey also suffered three other deep cuts.

"But he'll be okay in two weeks," Lastreto declared.

JOEY CORNERED — Joey Giardello, with deep cuts under and over his left eye, is cornered by Spider Webb during sixth round of their battle at Cow Palace last night. Fight was stopped in the next round and Webb declared winner by technical knockout. (AP Wirephoto)

ALONG MARIN'S SPORTS TRAIL

By JIM GILMARTIN

Little Boy Meets Brown Bomber, Wonders, 'Are You A Boxer, Too?'

Joe Louis, sitting in press row at the Giardello-Webb blood-bath last night, was approached by a man and little, wide-eyed boy.

"Say, champ," the man started off, "my little boy has always wanted to meet you and shake your hand. He thinks you're the greatest, don't you son?"

"Y-Y-Yes," answered the lad. Then, with a puzzled expression, he peered into Louis' face: "Say, are you a boxer, too?" That sent everyone into hysterics, but the somber Brown Bomber merely deadpanned: "Well, I usta be."

Sort of sad that no longer does the name Joe Louis mean the greatest fighter in history to every little boy in the world. An era has passed—please forgive the new generation.

BUSIEST MAN at the San Rafael-Vallejo championship football clash last Friday night was attending physician Dr. Edward Cook. With numerous bruises and injuries suffered by both teams in the rough and tumble battle, Dr. Cook was hustling back and forth across the field all through the game. While finally getting a breather on San Rafael's side of the field, the medic got a frantic call that someone over on Vallejo's side was unconscious.

Again Dr. Cook raced across to find, not a Vallejo player, but the team's cheer leader who fainted daid away due to all the excitement.

MAN, WAS IT ever windy at Sacramento last Thursday night during the Marin-American River junior college game. One of Marin's punter Mike Watters' punts was blown back over his head!

And cold? They had to bring the Marin bus out onto the track so frozen fans could huddle inside and still see the game.

TWO OF THE BEST quarterbacks in Marin prep football will meet in a head-on showdown at College of Marin field tomorrow night. It's Jack Sparrow of Novato against John Boccabella of Marin Catholic.

Sparrow, with much better material working with him, should come out on top, but watch that Boccabella throw that football if he gets any protection.

MILL VALLEY DeMolay rifle team won silver medals for second place in the California State Junior Rifle Championships at Fresno recently, losing the title by only one point to the Pacific Coast Junior Gun Club.

Coach Vernon Gustafson's Mill Valleyans are George Bolles, Don Marvin, Jim Overturf and Harry Hersh. They're champs of northern California, too.

BARRY HAYWARD, former Marin Catholic basketball star now at St. Mary's College, has been a surprising "find" for Frosh Coach Bob Hagler. A Galloping Gaels Newsletter says Hayward, a six-foot-five-incher, "is really giving the varsity players a tough battle on the boards."

Cage Officials' Clinic Scheduled In S. R. Saturday

San Rafael Recreation and Park Department will conduct a basketball officials clinic Saturday at Davidson School, Lindaro and Woodland streets, beginning at 10 a.m.

Instruction will be given by Hal Fischer, athletic director of the Presidio of San Francisco, on rule changes, court mechanics and positions.

Individuals interested in officiating in the San Rafael Men's Basketball League are requested to attend this clinic.

The clinic is also open to players and managers, as well as to anyone interested in the game of basketball.

Bears Claim Bukich

WASHINGTON (AP) — Rudy Bukich, former Washington Redskins quarterback, was claimed by the Chicago Bears yesterday on waivers.

Babs Romack To Join Pro Circuit

SACRAMENTO (UPI) — Barbara Romack of Sacramento, one of the world's top women amateur golfers, has announced she will join the professional tournament circuit next January.

"I no longer can afford to participate in golfing events as an amateur," Miss Romack told a press conference yesterday. She said she has devoted so much time to perfecting her game, she might as well play for money.

Miss Romack won the North and South title in 1952, the Canadian Amateur in 1953, and the National Amateur in 1954. She was runnerup in the British Amateur in 1955 and in the National Amateur this year.

The Sacramento star also has been a member of the U.S. Curtis Cup team three times and has won the California State Amateur on four occasions.

Ruttman Jailed In Wife Beating

LOS ANGELES (AP)—Race driver Troy Ruttman was jailed yesterday in a wife beating investigation.

Sheriff's deputies said Beverly Mae Ruttman, 27, told them Ruttman had punched her in the face and body with his fists during a quarrel.

RAVES FOR ROOKIE

Baylor Enters Pro Cage Like Volcano

MINNEAPOLIS (AP) — Compare Elgin Baylor with George Mikan?

The man doing the neat professional job of sidestepping that one is Coach Johnny Kundla of the Minneapolis Lakers, a battlescarred vet of 11 years in the National Basketball Assn.

"They're two different kinds of players," Kundla said.

"The man amazes me," said Kundla. "To think that a rookie could lead the club in points, assists and rebounds even at this stage of the season! And be way up among the leaders in the league to boot.

"I had a lot of hopes for him when he came to us from Seattle University. But I didn't dream he'd take hold so fast."

The 6-5 All-America college star has come onto the pro scene like a volcano. In 12 games he has averaged 23.8 points a game, snagged an average of 16 rebounds and made about five assists a game.

He's been in the league for 10 games and he's already one of the 10 best players," said Coach Fuzzy Levane of the New York Knickerbockers on the Lakers Eastern swing.

Elgin's spectacular comingout is all the more noteworthy for this: He was a pivotman in college, seldom having to worry about corner shooting. With the Lakers he's a corner man.

International Golf Aces Stricken By Stomach Illness

MEXICO CITY (AP)—The International Golf championship and Canada Cup matches got under way today, but there was an upset before they started. Upset stomachs, that is.

Almost a dozen of the 64 players from 32 countries who teed off today in the world championship of golf suffered varying degrees of "turista"—upset stomachs—on the eve of the tournament.

Ben Hogan and Sammy Snead, the favored U.S. entries, were not hit.

Pills relieved the majority of those affected and tanks of oxygen at the ninth and 18th holes today will take care of others who have complained of the mile-and-a-half high altitude.

The brightest field yet for the International and Canada Cup matches went into action early this morning on the tough, but beautiful 7,216-yard, par 72 Club de Golf Mexico course.

The two-man team with the lowest combined score will win the Canada Cup.

BOWLING

Wally Mays led the individual scoring parade with a 591 three-game series last night in the Marin Bowl's Handicap League.

Team results: The Patio d. The Strikers, 3-0; Roll and Sons d. Bianco Motors, 3-0; Myers Plumbing d. Moore's Candy, 2-1; Currie Heating d. Swain Realty, 2-1; Marin Coffe Shop d. Marin Foreign Cars, 3-1; The Cellars d. Pelican Publishing, 2-1.

Fisher Named MVP Of Tam Grid Team

Quarterback Charles Fisher last night was honored as the Tamalpais Indians' "Most Valuable Player" as the Mill Valley high school's football players were treated to an awards dinner by the Tam Boosters Club at American Legion Hall.

Other varsity honors went to end Ron Cole as the most valuable lineman and to halfback Tim Farrell and fullback John Cleaveland as the most inspirational players.

Tam closed out its season last Frday with an upset 27-19 victory over Santa Rosa, boosting the Indians' over-all season won-lost-tied record to 4-4-1.

Center Mike Walsh was the most inspirational player and guard Harold Clements the most improved on the junior varsity while halfback Bob Albachten was named the freshman team's most improved.

Line Coach Vic Rowan of San Francisco State, the champion of the Far Western Conference, was main speaker.

Cal Beats Cards In Cross Country

BERKELEY (AP)—California beat Stanford in a cross-country race yesterday.

Cal finished with 26 points in the low-score event, Stanford 33.

The top three winners in the 4-mile race were Stanford's Keith Wallace, 19:59; Cal's Roger Price, 20:10; and Cal's Alan Gaylord, 20:11.

BIG GAME NOTES

Curtice Moans As Cards Lose Byrer

By ASSOCIATED PRESS

Moaning coaches aren't exactly unusual in Pacific Coast Conference football. But the anguished cries at the moment over injured players seem to have reached crescendo proportions in some quarters.

Stanford's Jack Curtice echoed this theme when he asked yesterday, "Don't we ever get a break?"

What he actualy meant was: "Why did we have to get that break in Jim Byrer's left foot?" Curtice had scheduled no-contact drills this week in the hope none of his Berkeley-bound Indians would be hurt.

Byrer, a senior and a starter at left half, managed to get a foot bone broken anyhow in a running play. He will be replaced by Rick McMillen or Skip Face when Stanford meets California Saturday at Berkeley in their traditional "Big Game."

California's Golden Bears accented pass defense. A victory in the Big Game means a straight course to the Rose Bowl for the Bears. Cal Coach Pete Elliott is mindful that the Indians have one of the strongest aerial attacks in the PCC.

Elliott termed the two-hour practice "only fair."

Curtice's troubles at Stanford appear minor when you listen to Southern Cal's Don Clark talk about his quarterback shortage as he gets ready for UCLA.

Clark tried some passing plays even though he is short on healthy throwers. He conceded afterward that Tom Maudlin and rookie Ben Charles both looked fair. Maudlin has been having shoulder pains and Charles tossed with a split middle finger suffered earlier in practice.

UCLA came up with the bad news that first string tailback Chuck Kendall, already troubled with a sore knee, has a wrist injury, too.

Kendall, the Bruins reported, will definitely not be a starter against Southern Cal. Bill Kilmer, who has logged only 48½ minutes of varsity ball this year, was tabbed to sub for Kendall.

Also on the ailing and doubtful list at UCLA are left end John Brown and guard Dave Dabov.

Putt Tourney Won By Mrs. Lilleston

Mrs. Clay Lilleston used only 12 putts to win first place yesterday in the Mill Valley Women's Golf Club's nine-hole low putt tournament at the Mill Valley links.

Mrs. Lloyd Seitzinger was second with 13, followed by Mrs. Hugh Cavalli, Mrs. R. G. Cornelius and Marcia Lee, each with 16 putts.

Third Major League Too Costly; Not Enough Talent To Go Around

CONNOLLY

Always give the other guy the benefit of the doubt is a fine creed to follow.

But sometimes it doesn't make sense. I'm referring to the news spewed all over the sports pages of the U.S.A. about the possibilities of establishing a third major league of the old "outlaw" variety.

It is not necessary or important that we enumerate the entire list of big money men eager and willing to pour their millions into such an enterprise.

All one has to remember is that when the last "outlaw" or "federal league" or whatever you choose to call it began they had the wholehearted financial support of such millionaires as Harry Sinclair, oil tycoon; Phil Ball, machinery equipment wizard; Charley Wegemann, big restaurant fellow of Chicago; the Ward Bacon people and many other terrifically wealthy business people. These folks dumped millions into the venture and wound up with nothing but headaches.

Ball and Wegemann later joined up with organized ball, the former St. Louis Browns and the latter with the Chicago Cubs. What became of the others I don't know.

In those hectic days the outlaw circuit had Chicago, St. Louis, Kansas City, Indianapolis, Buffalo, Newark, Brooklyn and Baltimore.

THE OWNERS of clubs in those cities chunked in all sorts of money, paid fat and juicy bonuses for players to "jump" organized baseball and did a lot of silly spending they lived to regret.

A fair guess would be that an undertaking today of a third major league of the outlaw type would cost $200 millions to put in action.

And then it couldn't succeed because it wouldn't have enough experienced players to spread around.

Today baseball has a pension plan for players. And once a player chunks his money into the pension he can never take it out until he retires. After 20 years, and at the ripe young age of 65, he can haul down $550 a month. At 50 years of age, and with 20 years in service, he can collect $450. And the pension plan takes care of the players in it on a graduating scale from 10 years upwards.

ANOTHER DRAWBACK to the third major league is the elaborate farm system existing in organized ball and the far reaching minor league combine that is tied so closely to the big league clubs.

So, if you read between the lines of that outlaw or third major league story of a few days ago, you can see the fine Italian hand writing of some baseball scribe with a flare for hot stove league gossip.

But the story hit the boys right between the eyes, especially the big shots of the National League who allowed New York to be deserted at least for the nonce.

CINCINNATI and Philadelphia are the only clubs in the present National League setup that might like to move into the spot vacated by the Giants.

But the Carpenter family, in Philly, is related to the Du Pont interests and, for civic purposes, might hesitate to shift over to New York.

Cincinnati recently signed a long-term lease on its park and might be hog-tied.

Another interesting as well as complexing problem is the availability of a ball park site in New York. The closest spot, I am told, is at Long Island where the World Fair was held. And that is seven or eight miles from the heart of New York and wouldn't do for the merchants what the Giants did for them for years.

WHEN I made some inquiries from the Giants family I was pledged to secrecy about using their names. But one of 'em said:

"There aren't 50 good major league prospects in all the minors today, so how do you expect to gather 400 or more without hitting the bottom of the barrel, talent-wise?"

So in case you've any spare change on hand and want to invest it, take it someplace else besides an outlaw or third major league.

Baseball needs a third major league like a reindeer needs a hatrack.

Jackie Jensen Most Valuable Player In American League

BOSTON (AP)—Jackie Jensen, whose slugging helped the Boston Red Sox to a third place finish, today was named the American League's most valuable player in the 1958 season.

The 31-year-old outfielder ended the New York Yankees' four-year hold on the coveted award by drawing 233 points in the balloting by a 24-member committee of he Baseball Writers' Assn. of America.

TURLEY SECOND

New York right-hander Bob Turley, the major league's pitcher of the year, was runnerup with 191 points, followed by Cleveland's Rocky Colavito with 181 and Kansas City's Bob Cerv with 164.

Mickey Mantle of the Yankees, the 1956 and '57 MVP winner, failed to gain a first place vote and was fifth with 127 points. Washington's Roy Sievers was next with 95 votes followed by American League batting champion Ted Williams of the Red Sox with 89.

The voting was by three baseball writers in each of the American League cities between the end of the regular season and the start of the World Series. A first place vote was worth 14 points, a second 9 points, a third 8, down to 1 for 10th.

Jensen, who led the league in runs batted in with 122, earned a place on all but one ballot. He received nine first place votes, six second, three thirds, two fourths, two fifths and one eighth.

Turley had seven first place votes, but was not named on three ballots. Colavito picked up four firsts but failed to earn a point from two voters.

Cerv, who despite injuries crashed 38 homers, drove in 104 runs and batted .305, was the only player named on all 24 ballots. He was placed on top on three ballots and had one second.

Chicago's Nellie Fox, who trailed Williams by a single point with 88, was the only other player awarded a first place vote. He was named on 17 ballots.

Jensen tapered off after a tremendous first half in which he hit 24 homers, drove in 68 runs and batted .311 to earn a starting berth in the All-Star game. He wound up with 35 homers and a .286 average.

Told of his award at his home in Lake Tahoe, Nev., Jensen said:

"Oh, that's wonderful. This thrills me to death. You have no idea how happy this makes me. The MVP is the ultimate to all ball players."

Jensen is the first member of a non-pennant winner to be voted the American League MVP honors since New York's Yogi Berra in 1954.

A standout football back at the University of California in 1948, Jensen played in the Rose Bowl and the East-West charity game. He also participated in a World Series with the Yankees. He has been a standout for the Red Sox and one of baseball's top run producers. In five seasons with the Red Sox, he has driven in 555 runs.

OTHER VOTES

Rounding out the top 10 in this year's voting were Sherm Lollar, Chicago White Sox catcher with 57 votes, and Boston second baseman Pete Runnels with 29. Runnels battled teammate Williams down to the wire before losing the batting crown by six points.

"While this was my best year," Jensen said, "I had hoped for a better one. But winning this (the MVP award) makes it as big as you can have."

Jensen is the third Boston player to win the MVP award. Jimmy Foxx won it in 1938, and Williams in 1946 and '49.

REDWOOD GETS TAM DISTRICT GRID TROPHY

The Tamalpais Union High School District football trophy will be presented to Redwood High School on Friday at a 10 a.m. rally assembly.

Jack Baat, assistant principal, said the trophy will be presented by Chester G. Carlisle, district superintendent.

The new school won the award on the basis of its 12-8 win over Tamalpais High and 12-7 win over Sir Francis Drake High.

The Redwood varsity and junior varsity will be honored tonight at a victory banquet sponsored by the Redwood Benchwarmers Club. The affair will be held at Hamie's Restaurant in San Rafael beginning at 6:30 o'clock.

Sportsmen Ask Marin To Lease State Land

Marin Rod and Gun Club wants the county to take long-term leases on state lands edging the creeks and shorelines of the county.

In a letter to the board of supervisors Tuesday, Paul B. Ware, secretary of the club, urged that the state lands along the bay and streams be reserved "for public hunting, fishing and general recreational purposes."

He asked the supervisors to negotiate for a lease on the lands and offered the services of the club as "custodian" of the properties.

County Clerk George Jones said Ware was referring to land along the bay which has been partly filled in. He said that farmers have been putting up dykes and draining the property, then using it for farming purposes, even though they have no lease or right to use it. Now, he declared, some of them are actually getting leases from the state when it should be public property.

The supervisors asked the Rod and Gun Club to send a delegation to one of its meetings to discuss just what property the club had in mind and what it proposed to do with it.

Steelhead Derby In Full Swing

The annual Russian River Steelhead Derby sponsored by the Guerneville Lions Club is in full swing, with fine catches reported from various points along the river.

More than 50 prizes donated by Guerneville merchants will be awarded to fishermen making the best catches. Prizes include a 10-foot boat which will go to the non-resident landing the largest steel head. A second 10-foot boat will be awarded to the resident within a 25-mile radius of the Russian River

Grant King, derby chairman, said weighing stations are located at King's Fish and Tackle Shop, Guerneville; Ferenz' Sport Shop, Guerneville, and Fern's Grocery, Monte Rio. The derby will end Feb. 28.

M.V. Boys Club's Basketball Loop Starts Tonight

Mill Valley Boys Club basketball league for 11-13 year-olds will get under way tonight with four teams in action on the Tamalpais High School courts.

Opening games send the Royals against the Dragsters and the Dragons against the Cool Flames.

Both games will start at 7:30 o'clock. The league will be in action every Tuesday and Thursday evening throughout the season.

O'Doul Rehired As Bat Coach For Giants Rookies

SAN FRANCISCO (UPI) — Lefty O'Doul took over again today as batting coach for the San Francisco Giants, and that was perfectly all right with Manager Bill Rigney.

The former National League batting hero, who led the loop's hitters twice, was signed yesterday to work with the rookies in spring training next March.

O'Doul was credited last season by Rigney with helping such rookie standouts as Orlando Cepeda, Jim Davenport and Bob Schmidt.

Lefty paced the National League batters in 1929 at Philadelphia where he hit .398 then again won the title in 1932 with a .368 mark at Brooklyn.

Young Actor Found Dead In Car Wreck

HOLLYWOOD (AP)—Like teenagers' idol James Dean, Tom Pittman was considered one of Hollywood's most promising young actors.

TOM PITTMAN
Career cut short

Like Dean, he was moody, a habitue of coffee houses. He never owned a suit—"I never go any place where you have to wear suits."

Like Dean, he had one love—speed. Both owned 175-m.p.h. Porsche Spyder sports cars.

Dean died in his when it crashed on a highway near San Luis Obispo three years ago.

Pittman's career was just beginning to roll. Friends say he earned at least $60,000 this year in radio, television and film roles. He appeared in "The Proud Rebel" with Alan Ladd and on TV's "Wagon Train," "Cimarron" and "Zane Grey Theater."

The 25-year-old actor wasn't exactly handsome. But his boyish charm and acting ability—in the Tony Perkins-Dean-Marlon Brando tradition—earned him good parts. Critics liked him.

Then last Halloween, Pittman disappeared.

He never showed up at his apartment after leaving a party at the home of Norma Stuart, former wife of actor Keefe Brasselle.

Pittman's father, TV-radio actor Frank Alten, filed a missing-persons report with the sheriff's office. Alten said his son, liked to drive fast around mountain grades and might have gone off a road.

Officer Roy Kerton decided to check the grades in the Hollywood Hills yesterday. At a sharp curve he found the broken railing. In the 150-foot ravine was the nearly hidden wreckage of Pittman's sports car.

Pittman, lying half in and half out of the car, had been crushed between steering post and door. Eight feet of guard rail stuck through the windshield to the rear of the car.

Police said an autopsy will have to determine whether Pittman may have lived for hours, even days, after the crash.

Pittman had just completed his most important movie role in a forthcoming picture called "Verboten."

Its producer, Sam Fuller, said: "We lost a great talent with the death of Tom."

In the picture, too, Pittman meets a violent death.

Husband Ignores Iron Lung Wife; She Gets Divorce

LOS ANGELES (AP)—Divorce court moved to the modest suburban home of Doris Murrill, paralyzed and in an iron lung for the past nine years.

She was granted a divorce yesterday on testimony that her husband, Robert, 36, a truck driver, didn't visit her for six months. She said he also refused to bring her their son, Jeffrey, who was born one month before Mrs. Murrill was stricken with polio in 1949.

"The boy is all I have left now," Mrs. Murrill testified. "He is the most important thing in my life."

Judge Burnett Wolfson approved a settlement giving Mrs. Murrill $17 a week support. The judge also gave her custody of Jeffrey with the provision that he remain in his father's home.

Mrs. Murrill, 29, lives with her parents in their Highland Park home.

POWER'S WIDOW IN TEARS — Mrs. Deborah Ann Power, widow of actor Tyrone Power, was in tears as she was driven from Hollywood airport after arriving last night for the actor's funeral. With her is Power's business manager, A. Morgan Maree. The widow lost her composure as she faced waiting newsmen at the airport.

Power's Body Flown Back To Hollywood

HOLLYWOOD (AP)—The body of motion picture star Tyrone Power was returned to Hollywood last night. The scene was filled with sadness for his widow, Deborah Ann.

Only a handful of newsmen and the late actor's close business associates were present when the canvas-covered casket was lowered from the cargo hold of a plane at International Airport.

Power, 44, died of a heart attack in Madrid Saturday.

Mrs. Power, 26, who accompanied the body from Spain, was escorted to a waiting limousine. She is expecting a child in February.

When flash bulbs started popping, she burst into tears and rushed into the arms of Power's business manager A. Morgan Maree.

As plans were completed for his funeral tomorrow in the Hollywood Cemetery chapel, a rift over procotol seemed over. Powers' second wife, actress Linda Christian, announced she and her two daughters would not attend the rites.

Instead, Miss Christian said, they planned to pray for him in St. Martin of Tours Catholic Church in Beverly Hills.

"Our children have a beautiful idea of death, and I wish to preserve that," she said.

Power's widow had been quoted earlier as saying, "A funeral is a private affair," and also that it was her wish that the actor's daughters—Romina, 8, and Taryn, 6—remember their father as he was in life.

Power's body will be interred near the crypt of Rudolph Valentino—movie idol of an earlier era.

Stag Dinner To Honor Mountanos

A stag testimonial dinner honoring Louis P. Mountanos, Sausalito police chief and Marin County sheriff-elect, will be held at 7:30 p.m. Dec. 16 at the Alta Mira Hotel in Sausalito.

Principal speaker will be Sheriff Matthew J. Carberry of San Francisco. The undersheriff of San Francisco and San Francisco Judges Clarence Morris, William O'Brien and Walter Carpeneti have also indicated they will attend.

Master of ceremonies will be Ernie Smith of Sausalito, radio and television personality.

Co-chairmen of the committee arranging the dinner are Sausalito City Councilman George E. Keeney and John J. Candido of San Francisco. Other committeemen are John F. Figone, John Lunt, Dr. R. B. McKenzie, Sol Langsam, Frank Bosl, Sausalito Fire Chief Matthew J. Perry and Alan Scurfield, former Sausalito mayor.

Mountanos will be given a gold star and a 10-gallon hat "so he will be well dressed for Marin parades," Keeney said.

S. Thompson Walker Tells Of Junior Museum Activities

S. Thompson Walker, director of the Marion Junior Museum in San Rafael was the speaker at the West Novato Parent-Teacher Assn. meeting held recently.

The Junior Museum is housed in a building built for about $3,000 and is worth $45,000 Walker told his audience. Operation costs are kept to $11,000 annually "But needs the support of the community," he added.

He explained to the audience that "Because of the growth of population, people tend to look to intriguing things of science rather than surroundings," adding, "Marin County is lucky to have wild life and nature so close at hand." Walker emphasized to his audience that "Someplace there is something that appeals to everyone. It is the cheapest kind of hobby requiring no binoculars, just understanding and observance," speaking on studying nature.

Walker urged his audience to teach their children while they are young about nature.

Marin County, Walker told the audience, has over 200 different kinds of birds that come through this way during each year and there are over 2,000 different plants in Marin as well as many rocks and minerals and marine resources on three sides. Marin is on "Big Zoo" that is rapidly depleting, but progress is necessary, he said. Some things have to go, as in the case of the buffalo, but he urged, "We must learn to respect, preserve and protect the things that we are dependent upon."

The Junior museum has been established to educate not entertain. Animals are loaned, field trips are conducted during the summer; it was an information service; traps are loaned; stray animals and snakes are picked up and it had a television program for one year.

The museum will show a benefit movie Nov. 28, at three Marin theaters titled "The Great Adventure" which is about Norwegian wild life. This film is recommended for the whole family.

The museum has a membership program and is open from 9-5 o'clock Tuesday through Saturday and from 2-5 o'clock on Sunday. It is closed on Mondays.

During the business portion of the P-TA meeting the administration requested through the P-TA that no Christmas gifts from children to teachers be brought. Mrs. Nona Ritzinger mentioned the need of records to create a record library for the West Novato School and Mrs. James Cuzner, library chairman, asked for help in operating library books.

A MARIN GROUP made merry at Saturday night's Beaux Arts at the Sheraton-Palace in San Francisco and two of the members took home prizes for their costumes. In the group were (left to right) Mrs. Dudley Deane, Mr. Deane, Mrs. Arthur Dettner Jr. and Mr. Dettner, Jr.; Mrs. Marvin Wood of Sausalito, Mrs. Les Vogel of Kentfield and her husband, Miss Eleanor Judah of San Francisco and Mr. Wood. The latter won second prize and Mr. Dettner Jr., third.

Officers' Wives To Be Feted At Sausalito Club's Tea

With the wives of the men who command the Nike stations in the area as honored guests, the Sausalito Woman's Club will be hostess to the United States Army Air Defense Officers' Wives Club of the San Francisco-Travis Air Force Base area at tea following the regular business meeting of the Club on Thursday, Dec. 4.

The Sixth Region, United States Army Air Defense Command at the Presidio of San Francisco recently invited the General Federation of Women's Clubs to a meeting to introduce the members and acquaint them with the officers and their wives who command the Air Defense in the San Francisco-Travis Air Force Base area. The representatives of the Federated Women's Clubs throughout the region witnessed a parade of the men who operate and control the intricate electronic NIKE guided missile equipment.

The SF-TAFB Air Defense has 16 NIKE batteries divided into four battalions of four batteries each. Two batttalions comprise the 30th group and are stationed at Fort Barry in southern Marin with Col. Iver A. Peterson in charge. Col. M. F. Gilchrist is in charge of the 29th Group headquartered at Travis Air Base.

Maj. Gen. E. J. McGaw is in general command of this portion of the Army Air Defense on the West Coast. His headquarters are at Fort Baker, south of Sausalito.

The interesting and informative meeting was attended by Mrs. Brookner Brady and Mrs. John Koenig, Sr. of Sausalito representing the Sausalito Woman's Club.

Mrs. Koenig will head the committee in charge of the tea on Dec. 4 andt he members of the Club are urged to attend to show appreciation to the men who defend our country against enemy supersonic bombers and to welcome the wives to the area.

Team Spirit Of Models High At Tuesday 'Big Game' Luncheon

The "Big Game Hunt" of fashions scored a touchdown in originality for the popular "Fashion Focus" series of Tuesday luncheons at Rickey's Rancho Rafael.

Stepping into Rickey's spotlight were the Junior Museum Service League, leaving their natural "big game" habitat (rabbits, rats and raccoons at the Junior Museum!) and watching as eight of their members formed the "first string" modeling team.

Team spirit of the models ran high on Tuesday as each showed the glamorous holiday hair styles created by the House of Kwan Yin to compliment fashions from the Ross Valley Shop of Kentfield who carried the ball for the festive holiday ahead which traditionally begins with the California-Stanford "Big Game."

Regardless of the team they cheer in Saturday's classic, the Tuesday luncheon guests agreed on one point, the best fashion "passes" in Marin are made by the Ross Valley Shop where names like Lanz, Mr. Mort., Jerry Gilden, Eloise Curtis and Caryle offer holiday glamour for everyone whatever their figure, whether "fullback," "halfback" or too centered!

Next "Big Game Hunt," in the form of fund raising, for the Junior Museum Service League will be a special showing of "The Great Adventure," the prizewinning Swedish film on Friday afternoon, Nov. 28 at the Sequoia, Rafael and Tamalpais Theaters. Adults and children will be charmed by the fascinating film depicting life in the fields and woods surrounding a Swedish farm. Tickets are available at the Junior Museum in San Rafael, and all proceeds from the movie will be used to further the Museum's educational fund.

GAME CHEERS

On Tuesday at show time, Marion Bellamy, coordinator of the series, welcomed the guests with a non-partisan cheer, "California, Stanford; California, Stanford, somebone's bound to fall; but a fashion "big game hunt" never fails, when Ross Valley Shop carries the ball!" Theme girls were Mrs. Preston Jones as the Stanford coed garbed in Lanz red flannel tapers, and white hooded carcoat; and Mrs. John Fraklin as the Cal rooter in black lego-tards, blue and gold plaid bermudas, white cardigan and gold scarf.

The "Big Game" fashion lineup included "Fraternity lunch," best dressed alumna Mrs. Kenneth Scott arriving in Jerry Gilden's mink collared wool jersey jacket, snug over a wool jersey sheath.

"50 yard line," cheers for the team and Mrs. John Franklin's blue and green sheer wool sheath, and perky Madcap hat.

HALF TIME

"Half Time," Mrs. Kenneth Hulme sporting Caryle's gray sheer wool, jewel detail accenting the Empire bodice.

"Big Game Dinner," eyes on Mrs. Huntley Bennet, in Mr. Mort's gamut of greens on pure silk, a satin waistband empired with a flat French bow.

"Cal Capers," causing commotion Mrs. Warren Tracy, a blend of blues, rusts, and turquoise in a silk crepe print.

"Stanford Shindig," turning heads, Lanz's pure silk Paris pink organza, unpressed pleats falling into a full skirt, the tiny waist of Mrs. Richard Bettini accented by a cumberbund; her holiday hair fashion by "Kwan Yin" a French twist.

"Victroy Dance," Mrs. Roger Thaning twirling in Jerry Gilden's cocktail dress, the bodice wool jersey, sleeves and scoop neck; thee skirt black taffeta, harem draped; wide flat wool jersey belt, the accent touch.

"Post-game magic," white crepe sheath by Eloise Curtis, deep V'd back edged with silver beads; Mrs. Preston Jones adding the interest!

Marin Women

Auxiliary Will Hear Miss Barbara Holden

Miss Barbara Holden, director of Religious Education at St. John's Episcopal Church, Ross, will be the guest speaker at the meeting of St. Mary's Chapter of the Woman's Auxiliary to be held in the parish house on Tuesday, Nov. 25 at 11 a.m.

Miss Holden will talk about her work at St. John's. Mrs. Frederick W. Wilhelmi, worship chairman, will be chairman-of-the-day. Members of the community are invited to attend and bring a box lunch. Tea and coffee will be served.

5 PERFORMANCES SCHEDULED FOR 'CHRISTMAS ON ICE'

For the second year, the Sunny Hills Junior Auxiliary will sponsor the "Christmas on Ice" presentation of the Raydine School of Ice Skating in San Anselmo. Last year's three performances were such a sellout that this year there will be five performances on Dec. 5 at 7 p.m., Dec. 6 at 3 p.m. and 7 p.m., and Dec. 7 at 1:30 p.m. and 4 p.m. Tickets will go on sale at Raydine's on Dec. 1, and proceeds from the shows will be used by the Sunny Hills Junior Auxiliary for the benefit of the children at the Sunny Hills Home in San Anselmo.

As a prelude to the show, Nadine and Ray Schramm, owners of the school and former Ice Follies stars, will skate an exhibition number. Ed McLaughlin of Radio Station KTIM will preside as master of ceremonies, and 100 children will take part in the show, which will consist of five colorful skating acts including "Santa's Workshop," "Dogpatch U.S.A.," "A Spanish Fiesta," "School Days," and "A Winter Wonderland."

Costumes are being designed by Mrs. William L. Cuneo; music, Mrs. Ralston Hodgson, and special lighting, Jack Cimino.

Sunny Hills Junior Auxiliary special chairman is Mrs. Sidney B. Ford, assisted by Mesdames Donald R. Watts, tickets; Robert Franchini, programs and posters; Robert Elliott, ushers, and Roy Farrington Jones, publicity.

WCTU Will Meet At Barstow Home

The November meeting of the Woman's Christian Temperance Union will be held on Friday at the home of Miss Irene Barstow, 824 E street, San Rafael.

The business session will begin at 11:30 a.m., followed by noontide prayer and luncheon hour.

The afternoon program will carry out the Thanksgiving spirit.

Mrs. James Lodwick will report on "For What Are We Most Thankful" from the review of the past year's work of the Woman's Christian Temperance Union, prepared by the state president, Mrs. Nellie Miller.

Mrs. Orbie S. Griffith will read an article entitled, "A Man-Eating Octopus," written by Dr. Dale Crowley, Washington's radio minister and author of a book, "The Curse of a Nation."

A questionnaire pertinent to WCTU problems will be conducted by Mrs. Minnie L. Resanovich. Taking part in a skit entitled, "The Way To Do It" will be Mesdames A. C. King, W. A. Marklinger, Lauretta L. Johnson and Miss Barstow.

Triple C Hears Talk On Park

A talk by Mt. Tamalpais State Park supervisor George E. Holmboe and welcoming of 13 new members were highlights of the Mill Valley Community Church Club's recent fall luncheon meeting.

After his introduction by program chairman Mrs. N. W. Symmes, supervisor Holmboe talked on the interesting geological aspects of Mt. Tamalpais and its camping site facitities.

Following devotionals presented by Mrs. P. R. Burris, Mrs. Walter Evernar, club president, conducted a brief business meeting.

Welcomed and presented with corsages by membership chairman Mrs. Charles Crawford were new members Mesdames Victor Novacek, William Fleming, Thomas Zilka, David Reed, Art Kermoyan, Robert Matson, Fred N. Nestler, James Verby, Don Niessen, George Saxton, Richard Beedle, William Moore and Mrs. Mabel E. Moxon.

Mrs. Everhart displayed the robe the Triple C has purchased and presented to the Rev. Gordon Foster.

For the luncheon prepared by Mrs. Emma Krohn and her committee tables were beautifully decorated with fall fruits and flowers by Mrs. William Pemberton.

Assisting Mrs. Krohn were Mesdames Norval Merritt, W. B. Mason and Jean Crane.

New Arrival

Mr. and Mrs. Eric A. Pedley of San Francisco are announcing the birth of a daughter on Tuesday at St. Francis Memorial Hospital in San Francisco. The new arrival has been named Alison, and has a brother, Eric Sherman, one and one-half years old.

Rod And Gun Auxiliary Sets Birthday Dinner

Sunday, Nov. 25 the Marin Rod and Gun Club Auxiliary will hold its fifth birthday dinner at the clubhouse at Point San Quentin. Refreshments will be served at 6 o'clock, with dinner at 7 p.m. Mrs. Sam Rouder is chairman of the event.

Following dinner, a business meeting will be conducted by Mrs. Jerry Moon, president, and nominations will be forthcoming for 1959 officers and directors. Birthday dinners are a major social event of the year for the Auxiliary.

The Christmas party which will be held on Dec. 16 at the clubhouse will be under the cochairmanship of Mrs. John B. Lytle and Mrs. Virginia Murphy.

St. Brigid's Guild Elects New Officers

Mrs. Harry Edward Beebe was elected president of St. Brigid's Guild of Christ Episcopal Church of Sausalito at the November meeting of the Guild held recently at the home of Mrs. Victor H. Wollam.

Mrs. George Wells Thorpe, president, was in charge.

The panel of officers for next year was presented by the nominating committee composed of current Guild officers and was accepted unanimously.

Installed were the president and vice president Mrs. Willard A. Hall, Mesdames Hiram W. Spence, secretary; Robert M. Walt, treasurer; L. S. Zipperian, coordinator of projects; W. W. Erskine II, hopsitality; Rosemary Seal, publicity and Frances Andre, coffee hour chairman.

Retiring officers for 1958 include Mrs. Thorpe and vice president Mrs. Spence, Mesdames Richard F. Grambow, secretary; Brian T. Rowlands, treasurer; James F. McIndoe, projects; Frank B. Williams, hospitality; John W. Camp, publicity and Clyde F. Trudell, coffee hour.

Following the meeting, refreshments were served. Mrs. Harry Parker Graves and Mrs. Frederic Palmer, III, assisted the hostess. Mesdames Charles H. Merrill Jr. and Joseph S. Doron poured.

The next regular meeting of the Guild will be held at the home of Mrs. Spence on Tuesday, Jan. 13, inasmuch as St. Brigid's does not meet in December.

SETTING THE STAGE for the Holiday Bazaar on Saturday in Turley Hall are members of the San Rafael Methodist Church. The bazaar will also feature a ham dinner served by the Methodist Men. Left to right, are Mesdames John Parsons, general chairman; Mathilda Hagner, Edith Smallman and W. W. Reynolds.

THE CHURCH WIDE event will get underway at 10 a.m. with Mrs. Clifford Hanssen and committee serving doughnuts and coffee. At this work session are, left to right, Mesdames Melville Holmes, John Parsons, Charles Anderson, and, in back, Mrs. Frank Wesel.

HAM DINNER

Methodist Bazaar Will Be Saturday

Final plans have been made by members of the San Rafael Methodist Church for its holiday Bazaar to be held Saturday in Turley Hall.

Mrs. John Parsons is general chairman of the event.

The event will begin at 10 a. m. with Mrs. Clifford Hanssen and committee serving coffee and doughnuts.

Booths decorated in the holiday theme will feature home canned foods, pies, cakes, cookies, aprons, fancy work, dolls, baby clothes, plants, Christmas cards, Thanksgiving napkins, party favors, candy, dry flower arrangements, Christmas decorations and handkerchiefs.

Salad and nut bread will be offered at noon and in the evening the Methodist Men will serve a ham dinner at 5:30 o'clock.

Committee chairmen for the event include Mesdames Hanssen and Nat Cooper, doughnuts; Robert Woodhurst, salad lunch; Glenn Tarwater and Leroy Johnson, baked goods; Moffett Rhodes and W. W. Reynolds, aprons; Gordon Cooper and Homer Hildabrand, fancy work; Frank Wesel, Mithilda Hagner, Christmas decorations and dry arrangements; John Parsons, handkerchief tree; W. A. Marklinger and Josephine King, plants; Melville Holmes, Bernie Heare, Christmas cards, napkins, stationery; Ed Jacobs, fish pond, choir, party favors, candy; and Milton Adams and Reynolds, publicity.

Sterling Rainey will be chef for the men's ham dinner.

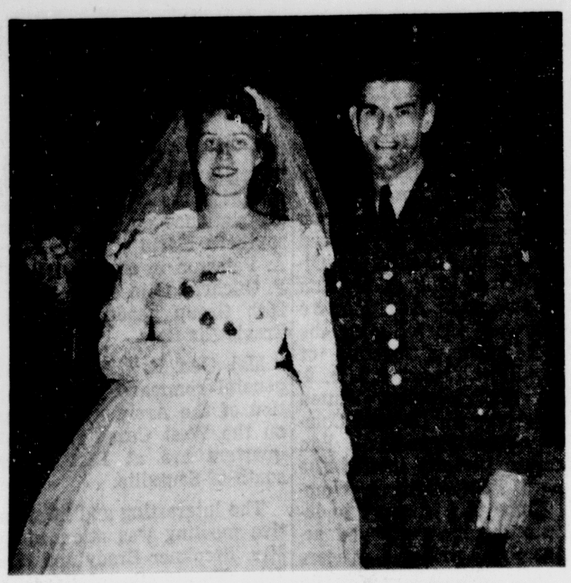
Camp Fire Groups Elections Monday

Marin County Camp Fire groups in the Southern District No. 1 are busy with preparations for their annual meeting and election of officers on Monday, Nov. 24. It will take place at 8 p.m. in the Mill Valley Methodist Church.

Special name cards are being designed by Mrs. Rita Goodman's group; Mrs. W. C. Kibbee's group is practicing a skit; and flag salute and songs will be given by Mrs. Bea Bright's Blue Birds.

Hostess duties at dessert will be performed by Mrs. Marion Kroner's group, and at the door by Mrs. Bobbie Bell's Horizon Clubbers.

Reservations may be made with Mrs. Adolph Stoll, general chairman, or with Mrs. Fred Drexler, district chairman. All persons interested in Camp Fire girl activities are invited to attend.



OF INTEREST here is the wedding of Shirley Jean Hendersen, daughter of Mr. and Mrs. Archie L. Poulin of Rapid City, S. D., formerly of Marin County, to William A. Peters of Luzerne, Pa. The wedding was performed in the Ellsworth Air Force Base Chapel in South Dakota.

Shirley Henderson Becomes Bride In South Dakota

Shirley Jean Hendersen, daughter of Mr. and Mrs. Archie L. Poulin of Rapid City, S. D., formerly of Marin County, became the bride of William A. Peters of Luzerne, Pa., in a recent ceremony at the Ellsworth Air Force Base Chapel in South Dakota.

The 3 o'clock ceremony was read by the base chaplin.

Given in marriage by her father, the bride wore a floor length gown of white lace over satin fashioned with scalloped neckline and net over tulle skirt. Her shoulder length veil was attached to a sequin and pearl coronet and she carried a bouquet of carnations and red roses.

Mrs. Jim Yonchewski of Rapid City, as matron of honor, wore a blue velvet sheath gown fashioned with net overskirt and she had white elbow length gloves. She carried a colonial bouquet of white carnations.

Jim Yonchewski of Rapid City was best man.

For her daughter's wedding, Mrs. Poulin wore a beige linen sheath dress with brown accessories and a yellow rosebud corsage.

A reception followed the ceremony at the Ellsworth Non-Commissioned Officers' Club.

The bride was graduated from Tamalpais High School. She is now employed at City Hall in Rapid City.

The bridegroom is a graduate of Luzerne High School and is with the U. S. Army.

The couple will make their home in Rapid City.

Jolene Ferrari Becomes Bride At Picturesque Bavarian Rites

Like a scene in fairyland was the wedding of Jolene Marie Ferrari and Gerhard Walter Scholten on Saturday at St. Peter's and Paul's Catholic Church in Tutzing-am-See, Bavaria, on Saturday morning. Snow was falling on the beautiful baroque church, built in 1659, as the young couple exchanged vows at the 11 o'clock nuptial mass.

Deep red velvet were the princess-styled gowns of the two attendants who preceded the bride down the aisle and they wore white ermine headbands and sprays of holly were caught to the mock ermine muffs they carried. Mrs. Karl Schreiber and Mrs. Eberhard Ketterer, the bridegroom's sisters, were matron of honor and bridesmaid respectively.

Two children, both two years old, whose uncle is the bridegroom, were in the wedding party. They were Ulrika Schreiber, flower girl, and Stefan Ketterer, ring bearer.

The bride, who was given in marriage by Dr. Hans Garrelt, a close family friend, wore an intermission length gown of white Duchess satin, designed with a deep square neckline, three quarter length sleeves and full paneled skirt studded with rhinestones. The gown was designed by Mrs. Richard Merriam, a fashion artist of San Rafael, a close friend of the bride, and of her mother, Mrs. Florence Ferrari of San Rafael. A Juliet cap of white satin held the bride's fingertip length illusion veil. White roses and lilies of the valley were in the bride's bouquet with a background of ivy and her crystal and silver rosary beads were a gift of her friend since childhood, Sister M. Gilbert, O.P. of the Dominican Convent, San Rafael.

The bridegroom's brother, Gustav Scholten, was best man. Mr. and Mrs. Richard A. Anderson (Sari Borden) of San Rafael, who are staying in Switzerland, came to Bavaria for the wedding and he was an usher. Other ushers were Eberhard Ketterer and Karl Schreiber.

The Rev. Karl Katzenchwanz officiated at the double ring ceremony before an altar decorated with laurel plants and white pompon chrysanthemums. White satin covered the kneeler.

The reception following the ceremony took place at the bridegroom's home in Tutzing. The three tiered colonnaded wedding cake was topped with two white doves and a golden ring and decorated on the sides with white roses and silver leaves. Gardenias centered the bride's table. Mrs. Anderson, who speaks German fluently, was in charge of the guest book. It had been sent by the bride's mother and before it was mailed sisters at Dominican and other friends of the bride, had written their names in it.

The bridegroom's mother, Mrs. Gustav Scholten of Tutzing, wore a black and white flower print peau de soie sheath and black satin hat. The white orchids in her corsage were sent by Mrs. Ferrari who also sent white orchids to the bridegroom's grandmother, Mrs. Herman Fischer. Her husband, the late Dr. Fischer, was a member of the German Reichstag and president of the German Bank. The bridegroom's father, the late Dr. Scholten, was chief of the Gynecological Hospital in Munich.

The newlyweds left by automobile for a two weeks' honeymoon at Garmisch-Partenkirchen, a famous skiing resort in the Bavarian Alps. They will reside at Sprungleitenweg 3, Tutzing.

The bride whose, father is Milton Ferrari of San Francisco, is a graduate of Dominican Convent and Dominican Upper School and Stanford University and she received the B.A. degree in German at Munich. She was president of the German Club at Stanford and was a member of Sigma Phi Sigma and Stanford Ski Club. She was also one of the Pink Ladies at Marin General Hospital. The bride is now a private secretary with Radio Free Europe in Munich. She is the granddaughter of Mrs. Joseph Ferrari of San Francisco

The new benedict was graduated from Wittelsbach High School in Munich, University of Freiburg and will be graduated from the University of Munich, where he is studying for a degree in law, in the spring. He will then engage in the practice of corporate and industrial law.

WSCS Hears Review By L. E. McCormick

Thirty members of the Women's Society of Christian Service of the Novato Community Methodist Church heard Leonard E. McCormick review "Something To Stand On" by Dr. Lewis Dunnington recently.

The book is a compilation of sermons by Dr. Dunnington specifically intended to satisfy students of the University of Iowa that the basic principles of the Bible, if approached with intelligence, are completely acceptable in the light of modern science.

Prior to the review reports were given by Mesdames James Melmic, Dan Andersen and Mark Wills.

The devotion for the afternoon was led by Mrs. Jack Lewis and Mrs. Ray Laird introduced the guest speaker.

The next meeting of the society will be held on Dec. 8, at 8 p.m. at the church, located at 1413 South Novato boulevard.

THE FIRST METHODIST Church in Napa was the setting for the recent wedding of Yvonne Maria Barri of San Rafael and Kenneth Richard Hymer of Napa. The bride is the daughter of Mr. and Mrs. Andrew F. Sandusky of San Rafael. (Stutzman photo)

IN NAPA

Yvonne Barri Bride Of Kenneth Hymer

Pedestal baskets of white stock, white chrysanthemums and snapdragons were at the altar of the First Methodist Church in Napa for the recent marriage of Yvonne Maria Barri, daughter of Mr. and Mrs. Andrew F. Sandusky of San Rafael, and Kenneth Richard Hymer of Napa.

The bridegroom is the son of Mr. and Mrs. George R. Hymer of Napa.

The Rev. Andrew Juvinall officiated for the 2 o'clock double ring ceremony.

Robert Burris sang "Because" and "The Lord's Prayer" preceding the ceremony. Helen Ayers was at the organ.

Given in marriage by her stepfather, the bride wore a full length gown of white Chantilly lace fashioned with modified sweetheart neckline and Empire bodice. The full skirt ended in a chapel train. Her fingertip veil of illusion was attached to a coronet of seed pearls and lace. Her only jewelry was a single strand of pearls with pearl earrings. She carried a cascade shower bouquet of white carnations and stephanotis.

Vilma Bremmer of Kentfield, as maid of honor, wore a capucine ballerina length taffeta gown fashioned with insert panels of embroidery. She wore short white gloves and shoes to match her gown. A velvet bandeau with circular veil matched her dress and she carried a bouquet of tangerine carnations.

Gowned like the maid of honor were bridesmaids, Mabel Kehl, Berniece Robello and Ruth Madsen of San Rafael. Marina Brignoli, cousin of the bride of Napa, was junior bridesmaid. Her gown was identical to the honor attendants.

Ronald Keith Stukey of Napa was best man and ushers were James Barri of San Rafael, the bride's brother, Michael Sandusky of San Rafael and Gene Hymer, the bridegroom's brother, of Napa, and Charles Stumpf of San Rafael.

For her daughter's wedding, Mrs. Sandusky wore a dress of steel blue lace over satin with mauve accessories and an orchid corsage.

The bridegroom's mother wore an aquamare taffeta dress with black accessories and an orchid corsage.

A reception for 300 guests followed the ceremony at the Eagle's Hall in Napa. White chrysanthemums were carried out in arrangements. A buffet luncheon was served and prepared by Mr. and Mrs. Vincent Denegri of San Rafael and music was provided for dancing.

The bridal table was covered with a hand crocheted tablecloth made by the bride's maternal grandmother, Mrs. Mary Quaini of Napa. She made the cloth for Yvonne's wedding.

The guest book was in charge of Ronda and Kathy Quaini of Napa, cousins of the bride.

For a wedding trip to Lake Tahoe, the bride wore an Italian silk print dress of gold and green with black accessories and fur stole. She had an orchid corsage.

The bride was graduated from San Rafael High School.

In 1956, Yvonne won a beauty contest sponsored by the San Rafael Junior Chamber of Commerce and was the original Miss Marin. She was "Miss Bridge Fiesta Queen" for the opening of the Richmond-San Rafael Bridge. She has been employed by Bank of America in San Francisco for three years and transferred to the Napa branch in October.

The bridegroom is a graduate of Napa High School and served four years with the U. S. Navy. He is now employed at Travis Air Force Base.

The couple will reside in Napa.

Dorcas Says Lunch-Bazaar Big Success

The semi-annual bazaar and luncheon of the Dorcas Society of the Congregational Community Church of Fairfax was held last week. So many people came to the luncheon that extra tables had to be set up in the bazaar hall.

The tables were decorated with fall leaves and grapes. The sales at the bazaar booths moved quickly from early in the morning until the closing hour. More money was taken in at this event than at any previous bazaars, which have been held semi-annually for 38 years. The Dorcas Society was started in 1920.

Booth committees were Mesdames C. B. Brook, sewing; A. P. Wurz and Thomas Humphry, plants; L. B. Curtis and John Campbell, white elephant; Thomas Teare and Florence Diercks, Christmas decorating; Louis Dallara, Christmas cards. The Women's Fellowship booth conducted by Mrs. J. C. Uhte, sold food, pies, cakes, cookies, etc. The Couplers Club booth, conducted by Mrs. Don R. Miller, sold Christmas wrapping paper. The serving committee for the luncheon, home-cooked by nearly all the members of the society, included Mrs. W. J. Bennis, chairman, and Mesdames D. B. Johnson, Robert Roy, W. J. Fisher, G. W. Hiltabrand, Austin Boulter, Mary Hightower, Charles McLain and C. F. Campbell.

The next meeting of the society will be on Tuesday, Nov. 25 beginning at 1:30 p.m. Refreshments will be served first. The hostess committee includes Mesdames Johnson, Fisher and Roy. The meeting will be conducted by the president, Mrs. C. J. Bergstrom.

Guild To Hold Holiday Bazaar

The Blessed Sacrament Women's Guild will hold its regular meeting Nov. 24 at 8 p.m. in the Parish Hall in Santa Venetia.

A final report will be made on the fashion show held recently. This very successful event had as its chairman Mrs. Roberta Carlson, and as co-chairman Mrs. Jackie DeNevers.

The Guild will hold a Christmas Bazaar Dec. 7 from 8 a.m. to 2 p.m. in the Parish Hall. All types of interesting and decorative articles will be for sale.

Christmas cards and wrappings are being sold in the hall after each Mass on Sundays.

Baby Is Christened In Episcopal Rite

Mr. and Mrs. James T. Pinkard and their baby daughter, Mary Katherine, have returned to their home in Santa Maria after a visit with Mrs. Pinkard's parents, Mr. and Mrs. John K. Taylor of San Rafael.

Highlight of their visit was the christening of Mary Katherine at St. Paul's Episcopal church in San Rafael, with the Rev. Henry Getz, rector, officiating. Afterwards Mr. and Mrs. Taylor entertained the christening party at a dinner at their home in Loch Lomond.

This was a triple celebration, as it was Mrs. Pinkard's birthday and the day before her husband's birthday.

Godparents of the baby are Mr. and Mrs. V. E. Haley of San Francisco and Mrs. Thomas Beyers (Carol Desimore) of San Rafael.

'JUST FOR FUN' PARTY PLANNED BY GREENOAKS UNIT DEC. 13

"Just For Fun," will be the no-host cocktail party for members of the Greenoaks Unit of the Friends of Arequipa, and their husbands, to be held Saturday, Dec. 13, at the home of Mr. and Mrs. Frank Cox in Greenbrae. The party, which has become a Holiday tradition with the Greenoaks Unit, was held originally in combination with the dress rehearsal for the Christmas show with which, each year, the members of this group entertained the patients at the Arequipa Sanatorium.

Since Arequipa this year is being used as a recreation center for the Society of Crippled Children and Adults, and as such has no resident patients, there will be no Christmas show and no dress rehearsal. However the Unit, under the chairmanship of Mrs. Max Boone, decided to hold the party anyway, as a combination Christmas celebration and a reward for a year's work well done.

Scout Groups Set Semi-Formal Dance

The annual fall semi-formal dance of Marinership No. 132, Girl Scouts and Explorer Post, No. 39, Boy Scouts, will be held tomorrow night at 8:30 through 12 p.m. at the San Rafael Improvement Club.

Chairman of the dance arrangements is Barbara Cassin who is assisted by Jean Lang, Tanya Lazar, Skippy Shapiro, Sally Withero and Bunny Brown.

On the Post committee are Richard Pingatore, advisor and Pete Dawson, Mike Standish and Larry Grubert.

Chaperons for the dance will be Mr. and Mrs. Leonard Schoff, advisors for Marinership No. 132 and Mr. and Mrs. Edwin E. Brown and Mr. and Mrs. Richard Pingatore.

Mrs. Stout Marks Birthday At Party

The 85th birthday of Mrs. Mamie Stout of San Francisco was the occasion for the gathering of five generations, including residents of Novato as well as San Francisco.

Her birthday party was held at the home of Mrs. Stout's son, Virgil Stout, in San Francisco. Completing the group were her grandson, James Kimbell Sr., of Novato; her great grandson, James Kimbell Jr., of Novato, and her five-weeks-old great great granddaughter, Julie Marie Kimbell.

News Of Newborn

A son, Kurt Walton, was born Nov. 7 to Mr. and Mrs. Arthur Sears of Novato. He is the first brother of Linda 8 and Teri, 5.

Mr. and Mrs. Sears have lived in Novato for six years. Art, who was born and reared in Marin, is branch manager for Pepsi-Cola Beverages of Marin County. Mrs. Sears (Ann) was born in Georgia but her father, Lt. Col. Shirley H. Workman, now of Los Altos, retired from the Air Force at Hamilton Air Force Base in 1950, where he was executive officer of the Overseas Replacement Depot there.

In addition the children's maternal grandparents, Lt. Col. and Mrs. Workman, his paternal grandparents are Mr. and Mrs. F. W. Lawrence of San Rafael and Walton Sears, for whom the baby was named, of Mill Valley.

Check Your Tax Bills If You Were Given Reduction

In recent weeks many letters have been written to the Board of Supervisors complaining that tax adjustments given either by reappraisal officials or the supervisors themselves were not reflected in tax bills now being received.

What shall we do? wail the overcharged taxpayers.

They have a wail coming.

Not only that, there is something they and the supervisors can do about it.

This is the problem. Not many days remain between now and Dec. 10, deadline for the first tax installment. Some of the taxpayers are threatening to withhold payment.

Don't do it, says County Counsel Leland Jordan. If the payment isn't made, there will be a penalty on the properly due amount and no one can get you out of that.

But payment can be made under protest, Jordan noted. Any taxpayer who is unhappy about his taxes can pay but protest that portion of the taxes which he thinks is unfair.

This is important! You can't protest the whole payment and then expect to get part of it refunded. Protest only that part which you think is unfair. If you protest the whole thing and the case should go to court, a court would rule you either owed it all or none, Jordan said. So you'd be stuck. Protest only that part which is in dispute. You're willing to pay your fair share, aren't you?

What this does is give you time. It gives you six months to either work it out with the assessor and/or the supervisors, go to court for legal redress, or forget the whole thing.

Most of the cases which have come before the board recently need never get to court. Most of them are actual clerical errors, mistakes in omitting or exceeding the instructions of the supervisors in adjustments granted during regular equalization hearings. They may be rectified either before or after the deadline for first half payments. If before, no excess payment will be demanded, if after, a refund can be made of excess taxes paid.

There are certain steps you should go through if you plan to pay under protest. You can get these steps from the county tax collector; he'll be glad to help you.

But the important thing right now is to examine your tax bills and make sure you got all the adjustments granted you. If not, you better get in touch with the supervisors right away.

RAINBOW HANDS A GIVEAWAY

An 8-year-old boy was caught "red and purple" handed after turning in a false alarm in Portland, Me., not long ago.

Local firemen had been fooled by a bogus alarm. So, they devised a plan that would surely identify the next culprit. They covered the handle of the alarm box with a red and purple dye. Anyone attempting to turn it would be left with a tell-tale double-colored smear on his hands.

When the second false alarm was sounded the next day, firemen closely checked the youngsters gathered to watch the fire trucks. It wasn't difficult to spot one small boy with "rainbow" hands. The surprised youngster was turned over to police for a lecture.

Those who indulge in any form of mischief or wrong-doing seem at times to fool everybody and give the impression that "crime does pay." But in their hearts they realize that the Lord knows them for what they are.

Live up to your obligations to God and man and you will always have peace of mind and heart.

"Man seeth those things that appear, but the Lord beholdeth the heart."

Another Family Storm Survived: Faith In Santa Still Strong

NEW YORK (AP) — We have just survived one of those storms of doubt that shake family life to the roots.

It was a new crisis in an old belief — a crisis for which I was quite unprepared.

Without any warning my daughter, Tracy, who is nearly half-past 5, looked up from the floor, and asked: "Daddy, do you think there's a Santa Claus?"

"Well, if there isn't," I replied absent - mindedly, "I don't know what the Democrats will do in 1960."

"Well, you know what I hear? I hear there ain't really any Santa Claus at all. It's just your father and mother all the time."

"Where did you hear that?"

"Never mind," said Tracy, leering up craftily. "But the word's going around. All the kids are talking about it."

There was a lengthy silence as my mind churned frantically.

"Well, Daddy, what do you think about Santa Claus?" prodded Tracy. "Tell me truly."

"WHEN I WAS a little boy we used to hang up our stocking every Christmas eve," I replied evasively. "And we always tried to get the biggest stocking we could find. We hoped Santa Claus would fill it up.

"The next morning, sure enough, it was full of nuts and candy — and right at the bottom of the sock was a great big orange, the best gift of all. People didn't have an orange every day then. What do you think of that?"

"It sounds to me like Santa Claus was pretty hard up in those days," said Tracy in one of the classic understatements of the 20th century.

BUT SHE DROPPED the subject. The other night when I came home she climbed up next to me on the sofa. She held a pencil and paper.

"Daddy, there are an awful lot of liars in this neighborhood," she said, smoothing out her dress.

"I mean about Santa Claus. They been saying it's just your father and mother. But I went to the department store with Mommy this afternoon. And guess who I saw.

"Santa Claus himself! He's even fatter this year. He's even fatter than" — words failed her for a moment — "He's even fatter than you."

The Civilian Conservation Corps has made a material contribution toward relieving California's crime problem, Warden Court Smith of San Quentin Prison said.

Success of Marin County's unremitting war on roadside advertising was recounted by Chairman Charles T. Lund of the county planning commission in an address before the Marin Conservation League.

Plans neared completion for a spectacular highway celebration at the top of Puerto Suello Hill, when Gov. Frank F. Merriam and a large delegation of state and federal highway officials were to officially open the seven and one-half miles of state highwya from Ignacio wye to San Rafael.

Another San Rafael business expansion became effective when the Marin Automotive Parts firm moved into recently acquired property at 308 Fourth street.

Why The Attack On Raccoons?

EDITOR,
Independent-Journal:

I hope that Mrs. O'Hartnett enjoyed spending the dollar she earned for presenting the tail of a 'coon.

These little animals come to our door every evening for food. They mean as much to us as our house pets.

I can not understand how anyone could so cruelly kill one of these little creatures for a dollar.

What, oh Board of Supervisors, have they done to deserve your condemnation?

Marin is one of the few counties in the Bay Area where the fast dwindling wildlife still runs free. What is the reason for this unprovoked attack on these harmless animals?

Tale To End Tales Of Appraising

EDITOR,
Independent-Journal:

Here is a letter to all Marin County Taxpayers:

Let us tell you a tale that will end ALL tales on the accuracy of our so-called "tax appraisers." In 1956, the City of San Anselmo had a "tax" sale, and the undersigned bought a "swimming pool," aptly named by Chief Don Wood, who conducted the sale for the city.

Now this lot was appraised by the City of San Anselmo as not worth more than $50. There were no other takers, so more as a gag we bid $50 and became the legal owners of this lot, located on Butterfield Road, and upon examination found it to be a creek, extending from the street and back the entire length of the lot.

We have laughed many times about it and called it our "Midsummer Night's Dream." Our city and county taxes were fixed last year at $13, excessive, but who could get hurt?

BUT, just let our appraisal committee, from the comforts of their desks (paid by you, Taxpayers) — well, a lot on Butterfield Road, surely must be valuable — so, dear Taxpayers, they just at random jot down the figure that they had been appraising the rest of the lots on Butterfield Road — $3,500.

Now mind you, if the undersigned had received that little notice mailed in April with this RIDICULOUS figure, there would have been a marathon race to the county office, but as with many others this important document never reached us. Every taxpayer cannot check these things each and every year, they must believe in the integrity of their appraisers. Imagine our surprise when we received tax bills in the amount of $66.67, more than we paid for the lot. The county had placed a marketable value on it of $3,500 and adding insult to injury, the City of San Anselmo must copy the mistakes of the county and place a value of $1,250 on their $50 lot.

If this is an example of the ability of the appraisers to place a MARKETABLE VALUE on Marin County properties then we say, Heaven help us all, Taxpayers.

Legislature Faces Problems In Switching To Continuous Session

SACRAMENTO (CNS) — Transition of the working operations of the state Legislature must be made from the old and established practice of having a 30-day recess, to a continuous session, as voted by the people in Prop. 9 at the Nov. 4 general election. It is going to take quite a bit of effort, and much work on the part of the Rules Committees of the Assembly and Senate.

Alan Miller, chairman of Assembly Rules, says, however, that he believes the transition can be accomplished without too much trouble. Miller has been holding hearings on the subject and announced he would call another meeting about the middle of December to wind up the details.

THE FIRST problem encountered is that of bill introduction. In the past, senators and assemblymen were permitted to introduce all the bills they wanted to introduce during the 30 day period following the opening of the session on the first Monday in January.

Under the new constitutional amendment, however, bills may be introduced at any time, and may not be acted upon until 30 days following introduction. This means, of course, that the legislators will have ample opportunity to introduce as many bills as they choose during the first 30 days, and theoretically, at least, could complete action on these bills in 60 days after the opening of the session.

HOWEVER, LEGISLATORS do not look for any such Utopia, because of the normal delays on bill action, the hearing demanded before committees and the many changes that are effected during the course of a bill's trail through the Legislature.

And then the fact that legislators can continue to introduce bills following the opening 30 days presents another problem to the Rules Committee.

The discussion now is to permit unlimited introduction of bills during the first 90 days of the session, and following that period, adopt a rule not actually limiting introduction, but requiring a two-thirds vote to permit introduction of a new bill, and accompany the bill with a statement of purpose, a digest and other information legislators and the public might want.

THIS PROCEDURE undoubtedly would keep the bills down and give legislators more of an opportunity to spend their time on the measures already before the house.

"The public," said Miller, "has mandated the Legislature to get busy and get its work done. Many of us feel that a rule is necessary which will make the introduction after a 90-day period a highly important event, and require much explanation and a consent before the measure comes before the two houses."

Many other problems will arise, primarily the printing of a bill digest, but Miller expects that all will be solved before January.

Firemen About Break Up Council Meeting, Find Only The Police Car

Corte Madera Council meetings, noted for their generation of heat, but not always light, acquired a new diversion Monday night.

At precisely 9:40 p.m. the alarm horn atop the town hall started booming out its signal. The 50 council meeting spectators sitting below were somewhat startled.

Twenty seconds later a fire truck engine had been started. (This statistic is contributed by Councilman Edward Colthurst, who is a volunteer fireman.)

The fire truck rolled up to the top of Corte Madera grade and found Police Officer William Anderson standing some what sheepishly next to his patrol car. The car wiring had caught fire but it was out on arrival of the fire crew.

THE GROUP that turned up at the council meeting was made mostly of old friends and familiar protestors. Even when you are on different sides of the fence, familiarity seems to breed a sort of affection.

Adolph E. Lubamersky got chuckles from the audience with his impassioned plea against extending Tamal Vista drive, on which he happens to live. Armed with a pointer he stood in front of a Corte Madera map and declared:

"Yes, we do object to through traffic.

"You're telling us the state goofed and now we should be nice citizens and let the road go through.

"Two buses went through the other day and it felt like an earthquake. Our house is built on fill, you know."

Lubamersky pictured himself as a constant do-it-yourselfer with sheet rock in one hand and a hammer in the other if heavy trucks made a habit of going along Tamal Vista to get to industrial property to the north.

The council, for this and other reasons, turned down an agreement to extend Tamal Vista through the Charles E. Paganini property and into the Fifer industrial tract.

The residents of Tamal Vista were safe for a while longer from earthquakes on wheels going by outside their doors.

WHILE THE COUNCIL was still talking about Tamal Vista, Planning Commission Chairman John Adlard stood up, puffed his cigar and began to pontificate on the subject of good planning.

In measured words he gave his opinion that "extension of Tamal Vista is the one logical route . . . better than Lakeside drive."

One part of the now-discarded agreement with Paganini had provided for 10 days notice to the town whenever Paganini had a use permit pending before the County Planning Commission. (The 14-acre Paganini property is an unincorporated island surrounded by Corte Madera.)

Adlard declared that notification was not apt to do Corte Madera much good because "the county planners aren't in sympathy with our problems."

He has recently found that the county planners don't entirely go along with the Corte Madera general plan, but still hopes that the county supervisors will.

President, Congress, Governors Must Act To Resolve Integration

Current headlines read: "Little Rock Ordered To Resume Integration"; "Little Rock School Board Quits"; "Catholics, Protestants Support Integration"; "Integrated School Dynamited."

One thing is excruciatingly evident: It is that the problem of public school integration is not going to be resolved by continuing to ignore it, to neglect it, to try to pretend that it doesn't exist.

It is simply no longer good enough for the President and Congress to base policy on the wishful hope that if they close their eyes tight enough, it will go away.

It won't, and it is reckless to tranquilize our minds longer to the fact that what is now a national danger will soon become a national calamity unless something is done about it.

THE NEED IS to replace a policy of neglect and default with positive action by the President, the Congress, and the governors.

As the basis for useful federal-state action, it seems to me that these facts must be fixed clearly in mind:

The integration ruling can only be changed by a reversal of the Supreme Court's unanimous decision or by constitutional amendment. Neither of these things is going to happen.

Either the 14th Amendment, as interpreted by the court, is going to be carried out or massively evaded and if at any level of government citizens are to accept only those decisions of the Supreme Court they like, then our very system of law and order is on the way to breaking up.

WISE, PATIENT, prudent but steady enforcement is attainable but only if the President, the Congress and the governors act to attain it.

Already 400,000 Negro students are attending integrated Southern schools and nearly 800 — about 27 per cent — of the South's bi-racial school districts have some desegregation.

Two conclusions emerge.

It is wishful to expect that mass integration is possible of early attainment in the South, but it is equally untrue to contend that no integration in the South is possible, because it is already taking place and being slowly extended.

What, then, needs to be done?

The need is to further the judicious extension of the desegregation process while at the same time making it clear that integration is not going to be imposed massively overnight before local opinion has been prepared.

This process will not be furthered by just hoping for it. It demands positive action by the President and Congress in cooperation with the governors.

One proposal which reaches in this direction is that of Gov. Leroy Collins of Florida, which would set up federal-state commissions to recommend how, where and at what pace integration can be carried forward.

The alternative to some such action is chaos.

North Marin Consuming More Water

Water consumption in North Marin Water District is at a rate twice that of this time last year, district directors have been informed.

Jerome B. Gilbert, district engineer, reported consumption for October and thus far in November is 100 per cent above the rate for the corresponding period of 1957. For this year to date, he said, consumption exceeds that of last year by about 20 per cent.

Gilbert reported also that the Coyote Dam project in Sonoma County, being developed by the Sonoma County Flood Control and water Conservation District, should be considered as a possible new source of water for Novato. Several other new potential sources are being studied also, he said.

Al Jackson, district auditor, reported that $132,000 was advanced by subdividers for pipeline extension work during the first four months of this year.

Bolinas School To Invite Parents

Rape Charge Against Olema Man Dropped

Rape charges will be dismissed against Billy Gene Gravette, a 21-year-old Olema mill worker accused by a 40-year-old Inverness Park housewife last Saturday.

As a result of lie detector tests, voluntarily taken by both Gravette and the woman, the district attorney announced that evidence is insufficient to press the charge.

Asst. Dist. Atty. Roger P. Garety said the woman agreed to drop the accusation.

Fairfax Schedules Dec. 4 Hearing On Apartment Zoning

A public hearing on apartment zoning for 5.3 acres between Sir Francis Drake boulevard and Olema road will be held at 8 p.m. on Dec. 4 by the Fairfax Planning Commission at the council chambers, 18 Bank street.

The city council on Monday evening annexed the land to the City of Fairfax. The council told developers Robert Roumiguiere and William J. Watt of San Anselmo that final action on zoning would not be taken until they presented evidence of a water connection to the property.

The council by resolution asked the planning commission to amend the present zoning ordinance to include an apartment zone designation. After the planning commission hearing the council must hold two public hearings before it may act on the proposed zoning.

Permit Sought To Dredge Channel

A group of 19 owners of property along the east shore of Strawberry Point has applied to the Army for a permit to dredge an existing channel in waters off the point and fill their tideland properties with the dredged material.

The application was filed by Peter L. Humphrey, 235 East Strawberry drive, on behalf of himself and 18 other owners.

Any objection to the plan should be filed in triplicate with the Army Corps of Engineers in San Francisco by Dec. 17, it was announced.

Sausalito Manager To Advertise For Successor To Mountanos

With Councilman George E. Keeney dissenting, the Sausalito City Council has authorized City Manager Donald A. Duerr to advertise for applicants to fill the job of Sausalito police chief when Louis P. Mountanos steps into the sheriff's office.

Duerr had set a tentative date of January 8 for close of applications.

Keeney's objection stemmed from Duerr's proposal that a combination written-oral examination for the job be held in January. Keeney contended Tuesday evening that the post should be filled by a promotion from the ranks of the Sausalito police force.

"I'm surprised that we go out for an examination," declared Keeney. "You might come up with a quiz kid. I think you're breaking morale when we have two sergeants who might qualify for the spot and thereby open another spot for others to move up."

Present police sergeants are Stanley Kelly and Howard Goerndt.

City Attorney John B. Ehlen said any examination would be required under the city's civil service ordinance. He conceded, however, that the ordinance did not specify the exact type of examination.

Duerr recommended the examination be weighted 75 per cent on written and 25 per cent on an oral tests. He proposed that Louis J. Kroeger Associates of San Francisco conduct the examination.

The oral portion of the examination, the city manager proposed, would be conducted by "three recognized authorities, including at least two police chiefs." An applicant would have to score at least 70 per cent in the written test to qualify for the oral test.

Duerr proposed qualifications for candidates, including at least five years of police work with at least three years as sergeant or better, maximum age of 50, minimum of high school graduation or equivalent education and satisfactory physical condition.

(Chief Mountanos would scarcely have made it under Duerr's proposed qualifications. When Mountanos was appointed chief on resignation of Alden Ingalls in November, 1954, he had five years of police experience only if experience in the Navy Shore Patrol were counted, and had been sergeant only one year.)

The council declined to approve the recommended qualifications until more study had been given,

Councilmen indicated they would take action on the qualifications at their Dec. 2 meeting.

Activity Seen Main Counter To Senility

By JOHN MORGANTHALER

SACRAMENTO (AP)—"Can't we get him over there somehow? He just sits around the house and mopes and nags at his grandchildren. Frankly, he's just in our hair."

The young woman on the telephone was describing her 72-year-old father to a social worker at the old folks' community center.

It took real effort to get the retired bookkeeper to the center. He didn't want charity, and he was leery of a bunch of other old has-beens.

But he finally went, and discovered a talent he never knew he had—oil painting. He got very interested and went to the center often.

After a year he was teaching other old folks—one class had an average age of 78—how to handle a paint brush, mix paints and put them on canvas. He even sold several of his own paintings—to legitimate buyers who wanted them.

He moved out of his daughter's home and took his own apartment. Last summer he took an ocean voyage—a vacation from his busy life as a painter and teacher.

That kind of success story isn't too frequent among California's old folks. But state experts see community effort to provide creative or productive activity for idle retired people as a main hope in the fight against senile depression and mental illness.

"I don't find senility here," said Miss Betty Stetler, social worker at Menlo Park's "Little House," a model project for old people. "I find it very refreshing. These people are valued and respected for what they are."

The Ford Foundation has given $50,000 for a study started last July at Little House to learn what old folks are seeking there, and how such a program should be set up.

Dr. Ernest Hilgard of Stanford's psychology department is heading the study which will take three years.

Self-respect and a feeling of importance is what people must have at any age, says Louis Kuplan, executive secretary of the California Citizens Advisory Committee on Aging.

"Much senility can be prevented by activity," he says. "Sixty-five is not old any more. It's just the latter part of middle age.

"Arbitrary retirement is ridiculous and harmful. But since we're apparently stuck with it, why not prepare for it—instead of just putting off the evil day?

"The problem can't wait until you're 65. Training has got to start in school. Retirement is a way of life, part of our modern life."

Kuplan, a vigorous, 52-year-old man with graying hair and twinkling eyes, travels up and down the state selling that philosophy.

"If we don't keep the aged occupied," he says, "there will be a terrific bill for hospitals, and we will pay for it politically.

"We will force the aged into a homogeneous political bloc. It's not what these pension promoters promise. It's that they put the old folks to work, and make them feel they belong."

Kuplan is an optimist. He doesn't think old age is a worse time now than it was in the good old days of the three-generation farm family.

"Read our literature," he says. "It shows that family life wasn't as happy then as people say it was."

Nor does he think we should copy the Orientals, where age is respected, wise or not.

"But are we going to prolong life just so people can vegetate?" he asks.

"We must find ways to help old people work and give community service."

FINDS A HOUSE

Marin's Mr. Miller Goes To Washington

WASHINGTON (AP) — Rep.-elect Clement W. Miller conferred with Democratic congressional leaders yesterday, seeking support for his bid for assignment to the House Banking and Currency Committee.

Miller, Corte Madera landscape consultant elected to succeed Rep. Hubert Scudder in the 1st District, told newsmen he believed he had a good chance to land on the banking committee and its subcommittee on housing.

He said there is no West Coast Democrat on the committee at present and only seven from west of the Mississippi River.

Seeks committee post

He said California, where one new house in every seven is being built, needs representation on the committee that handles housing legislation.

Miller said he seeks the assignment because it is a natural for his district.

Lumber, he said, is the major industry in the northern part of his district, and home building is the major activity in the southern counties.

Miller said he had been promised the support of Rep. Cecil King (D-Calif.), a member of the House Ways and Means Committee which handles committee assignments for the Democrats in the House. Miller made his desire known also to Chairman Wilbur Mills (D-Ark.) and the other Ways and Means Committee Democrats.

Meanwhile, Miller said his wife was successful in house hunting and they have rented a house in northwest Washington. The family includes five daughters ranging age from 3 to 11.

Miller will bring William Duddleson of the Santa Rosa Press-Democrat staff to Washington as his legislative assistant in January. This week in Washington, Miller is interviewing applicants for three other positions on his office staff.

He said he will engage a field representative to establish a contact office for him in Santa Rosa.

Minister Tells Correct Church

Rev. Samuel L. Banks of Marin City, whose car was damaged by his angry wife last Saturday, said today he is the minister of the Village Chapel Community Church.

Present pastor of the First Baptist Church is Rev. J. W. Harris.

Rev. Banks also noted that the car involved was a 1958 model. A typographical error gave the year as 1948 in Tuesday's Independent-Journal report.

Rev. Banks also scaled down the damage from the $1,000 first reported to $400.

Third-Graders Can't Drive In School Yard ..

Ross third-grader Marshall Swett thought he had found just the place to drive his midget car—the Ross School playground.

But Monday night the school trustees decided that even on Saturdays and Sundays, the school yard was no place for a small car with a 2½-horsepower motor. Their message to the young petitioner was: "You'll have to find another spot."

Jobless Claims Drop In Bay Area

SAN FRANCISCO (UPI)—Two state agencies have reported that unemployment claims in the San Francisco Bay Area dropped in October—although the number of persons employed in factories also declined.

Claims for unemployment insurance went from a weekly average of 26,500 in September to 23,200 in October, according to the Department of Employment.

However, industrial employment declined by 6,400 in October to a total of 190,900 workers. The Department of Industrial Relations attributed the decrease to cutbacks in fruit and vegetable canning.

Orange Count Nearly Double Jordan's Edge

SAN FRANCISCO (AP) — Secretary of State Frank M. Jordan's narrow lead over Henry P. Lopez, his Democratic opponent in the Nov. 4 election, nearly doubled yesterday with the completion of the long missing count from Orange County.

The Republican incumbent moved up to a lead of 18,923 with returns from all but 22 of California's 26,896 precincts.

The unofficial count was Jordan 2,429,641, Lopez 2,410,718. Still missing were an estimated 90,000 or more absentee ballots.

Heavily Rebublican Orange County gave Jordan a 10-7 edge. The unofficial tally had stopped there with only 590 of its 837 precincts counted. The complete Orange County total—Jordan 105,155, Lopez 70,556—was announced today by the county registrar of voters.

Leprosy Treatment Lags In Red China, Marin Medic Tells Parley

TOKYO (AP)—Communist China has between one and two million persons suffering from leprosy, two American doctors attending an international congress on leprology here said yesterday. Indications are they are not being properly treated.

"We don't know what they are doing about it," said Dr. George L. Fite, research director of the U.S. Public Health Service hospital at Carville, La.

Red China does not report to the rest of the world on leprosy. Of the 41 nations represented at the six-day congress, there were no delegates from Communist countries.

"But one delegate to the conference came by way of Russia and Communist China," said Marin County dermatologist Dr. Paul Fasal.

"He was impressed with the work being done in Russia but very unfavorably impressed in China," said the Kentfield doctor.

The Soviet Union has made several international reports on leprosy, but no clear picture has been presented, the doctors said.

"But we believe in China they are reverting to traditional herb medicine instead of modern treatment," Dr. Fasal said.

Dr. Fasal said leprosy in Nationalist China was being treated with "a modern approach," but gave no figures on the number of cases.

In the U.S., there are 1,200 leprosy patients, both doctors said. The number has been roughly stationary for years.

Congress this year made the first American government grant for leprosy research, a $91,000 allocation, Dr. Fite said. The Carville hospital is a government institution with a $1,900,000 annual budget for care, treatment and rehabilitation for leprosy.

"It is an obligation by law for the federal government to care for leprosy," said Fite. The law was passed in 1918.

The disease is endemic only in Louisiana and southernmost Texas, and most cases elsewhere were acquired outside the U.S., the doctors said.

Leprosy's seven-year incubation period made diagnosis of the disease in immigrants extremely difficult.

The Carville hospital gets about 25 new cases a year and releases about the same number, Dr. Fite said. Dr. Fasal said he found about 14 new cases a year in California, most of them originating outside the country.

"The main problems are early diagnosis and correct diagnosis," Dr. Fasal said, explaining that leprosy was sometimes mistaken for tuberculosis, skin tumors or nerve disease.

"American physicians are not too aware of or familiar with leprosy," he said. "We need a higher index of suspicion."

He stressed that the disease was not a public health problem in the United States.

"We must not make these people outcasts," he said. Some with contagious leprosy are capable of working and visiting their families "as long as there is no prolonged intimate contact."

Fairfax To Decorate For Yuletide

Dec. 1 is the target date of Fairfax merchants to have 30 giant "candy canes" in place around the Fairfax Parkade, complete with outsized toy soldiers, strings of lights and a 30-foot Christmas tree.

Holes for placement of the 14-feet-tall poles painted red and white are to be drilled on Nov. 28 by Pacific Telephone and Telegraph Co. crews. The poles will be placed by Pacific Gas and Electric Co. workmen. The Fairfax City Council this year gave $1,000 for the decorations which can be used more than once.

The plywood soldiers will be fastened to the poles and colored lights will be strung between the poles. The decorating is a project of the Fairfax Merchants Assn.

Explorer Program To Be Explained

Adults interested in the new Marin Boy Scout Explorer program for teen-agers will have an opportunity to learn about it Saturday and Sunday at orientation sessions to be held from 1 to 6 p.m. in Scout Hall, Second and A streets, San Rafael.

The Sunday session will duplicate that held on Saturday, said James Tomlinson of San Rafael, chairman of Explorer planning for the Marin Boy Scout Council.

The Explorer program is for high school age boys. They need not have been Scouts to qualify for participation. It includes social events, vocational exploration and outdoor, citizenship and service experiences. Personal fitness is emphasized.

State Probing Hopps' Link With New Firm

The state Insurance Department is attempting to learn whether Belvedere financier Stewart Hopps has any connection with a proposed new insurance firm headed by a former associate of his.

The company is Key Insurance Exchange, which last May filed for a permit to do business in California and, four months later, amended the application by denying "any present business or financial connection whatsoever" with Hopps.

President of the proposed firm is Harold Burk of San Francisco, onetime official with Hopps' United States Marine and Foreign Securities, Ltd., in San Francisco.

Key's application was amended Sept. 29 after the Insurance Department became curious about a possible link with the firm. The amendment said the Belvedere financial wizard "has no interest, direct or indirect," with the company and claimed "no arrangements of any type exist whereby Mr. Hopps will acquire" such interest.

In 1956, another proposed insurance company headed by Burk gave up attempts to secure a state permit when the Insurance Department started checking into the possibility Hopps had some connection with it. The company, Union Insurance Exchange, was financially backed by an Alabama insurance firm in which, the department learned, Hopps held some 400,000 shares of voting stock.

The department recently concluded its investigation of International Guaranty and Insurance Co., a Tangier, Morocco, firm Hopps allegedly controls. California assets of the company were seized by the state on grounds it was operating without a state license. The department now is seeking to liquidate these assets.

Meanwhile, Asst. State Atty. Gen. Harold Haas disclosed he will fly to Providence, R. I., next week to oppose a compromise offer by Hopps for settlement of a $7,040,351 damage suit involving the Rhode Island Insurance Co. Hopps has proposed a $170,000 settlement. The suit originally was filed in Marin Superior Court. It charged Hopps mismanaged the firm and caused its failure.

Precious, Fleeting Baby Days— Safeguard Memories With Camera

Our children's baby days are precious. So are their toddler days. Are you keeping graphic records of your children's growth? I hope so. Don't trust your memory. Today your wee one can hardly lift her head. Tomorrow she lies on her tummy, raises her noggin confidently, and grins at the world. By next year you've forgotten the thrill. Right?

Take lots of pictures. Not just posed pictures, through they're better than none. Keep a simple camera loaded with film on a handy shelf. Good pictures don't wait for fancy adjustments. Be sure to have Grandma and Grandpa in front of the lens frequently. Don't forget snapshots of yourself with the children. Take the trouble to put the pictures in albums. Organize them by months and years. They'll mean more to you with each passing season.

Use a movie camera if you can. Catch those wonderful first steps. And the first big birthday party. Sound recordings are easily made. I took some of my children talking and singing. The recordings are only six years old, but they're worth their weight in gold. The baby lisps and odd pronounciations still are there. They'd be gone and forgotten, without the recordings.

I repeat. Keep regular records of your children's growth. The days are precious and fleeting. You won't be sorry.

READERS' FORUM

Ralph M. "Why should motherhood make my sister such a fool? She has twin sons. Formerly she was a reserved, quiet person. Now she laughs and coos at those babies in a way which disgusts me. Have parents no shame? I'm a bachelor. I suppose you'll say I can't understand?"

Reply. Yes, that's why I'll say. You don't really live until you become a parent. Then you find your former attitudes toward babies need revision. You become unselfish. You take sincere delight in the simple things your babies do. Try to talk with your sister about this. Don't get sarcastic or critical. She'll help you sense the difference.

INDUSTRY QUEEN CONTEST TO BENEFIT NURSES

Four Marin County young women, standing beside Spanish-American War cannon at the San Anselmo Legion Log Cabin, receive nursing scholarship certificates from Guido Ostaggi and Ray Greenberg Sr. of the Societie des 40 et 8 of Marin. The scholarships are from proceeds of the 40 and 8's "Queen of Industry" contest last year. The nurse trainees (from left) are Maureen Quadros of Sausalito, Mary O'Liva of San Anselmo, Diane Dana of Larkspur and Barbara O'Liva of San Anselmo. Nearly 40 contestants are vying for the "Queen of Industry" title in this year's contest, now under way. The winner is to be crowned at a ball at the Corinthian Yacht Club on Dec. 20.

ROSS UNVEILS HALF CENTURY PLAQUE SUNDAY

A plaque honoring the first 50 years and the first governing body of the Town of Ross will be unveiled at 12:30 p.m. Sunday on the town hall lawn.

The town was incorporated on Aug. 21, 1908, by Ross citizens who told the county supervisors they wanted Ross to remain a "purely country town."

The one surviving member of the original board of trustees, Edward G. Schmiedell, now 89, will be present for the plaque unveiling, said Mayor Arthur Kanzee Jr.

Health Studio To Open In Novato

A new health studio offering individually designed courses for women is planned to open on Novato's Grant avenue before the first of the year, Edward Lord of Vallejo, who will be the proprietor, announced today.

The studio will open at 847 Grant avenue after remodeling of the building is complete, he said. Offered will be steam baths, vibrating tables, weight lifting devices and beauty bars.

Lord is co-proprietor with his wife of the Village Style Salon in Vallejo. He was formerly connected with the sales department of a health studio in Vallejo.

The Novato studio will be open from 10 a.m. to 10 p.m. daily, including Sundays, he said. A professional health instructor will conduct the classes exclusively for women.

Boat Yard Loss May Hit $20,000

Loss in Monday night's boat yard fire in Marinship at Sausalito may reach $20,000 when a check of damage is completed.

The shop, operated by Edward V. (Barnacle) Burke, was in a structure owned by Shirley Morgan and Ed Peterson of the Sportfishing Pier and Harbor. The building was gutted.

Losses at the shop included three new plastic boats; a 15-foot racer, Miss Frisco Belle, owned by Burke, which won the San Francisco Bay marathon in August; 13 motors, nine of which belonged to customers, plus a variety of tools, equipment and supplies, according to Mrs. Burke. She estimated her husband's loss at $15,000 with about $9,000 covered by insurance.

Mrs. Burke said the business would remain in operation from the Burke home at 727 Spring street, at least temporarily.

The fire is the second misfortune to befall the Burkes. They lost most of their home furnishings during the 1955 winter storms when their home at 165 Woodland avenue in Sausalito slid from it sfoundations.

Terra Linda Soon To Have Firehouse

Terra Linda Community Services District's new firehouse is nearing completion on Del Ganado road, Fire Commissioner Elmer Johnson has reported.

He said a ceremony will be held to mark the opening of the station, but no date has been set as yet. Construction started Oct. 11.

Johnson said he is still awaiting word on whether the district con obtain a 750-gallon pumper for about $350 from government surplus. At present, the district has only one fire truck.

Next meeting of the board will be held Dec. 2 at 8 p.m. in Bernard Hoffman School.

Watch That Filibuster! It May Be Shakespeare

By BOB THOMAS

HOLLYWOOD (AP)—U.S. senators may be hearing quite a bit of Shakespeare in the next six years. California is sending to the Senate a man who can spout long passages of the Bard at the drop of a filibuster.

He is Clair Engle, rugged, plain-spoken former representative from the so-called cow counties of northern California. Two weeks ago, he performed a major political feat by whipping one of the state's ace vote getters, Gov. Goodwin J. Knight, for the Senate.

But then, Engle is full of surprises, not the least of which is his knowledge of Shakespeare. Before he left for Washington, I asked him if his cow county constituents were surprised by it, too.

CLAIR ENGLE
A fan of the Bard

"I haven't made any hoop-araw about knowing Shakespeare," he replied. "But I don't think they would be surprised or shocked. I've found some of the best-read people I've ever known up in that country. Up there, they've got a lot of time to read—and to think."

He added: "I've never made any pretensions about being an expert on Shakespeare. I think there are too many people in the world who pretend to be experts."

His interest in the plays goes back to his youth. "I first began studying Shakespeare intently when I was in college," he said. "But I was reading it even before that. My father had the best edition of Shakespeare I've ever seen. It was set in big, readable type, and I've been trying to find that edition ever since."

He has read all of the plays, some of them many times.

"I don't often work the quotations into speeches," he said. "The great value I find in Shakespeare is how it helps you in phrasing." Any of his opponents can vouch for that. He has a gift for the picturesque and stinging phrase.

The senator-elect carries a volume of the collected works with him during his extensive travels. His favorite plays?

He chose "Hamlet" among the tragedies and "Twelfth Night" of the comedies.

Recreation Program Eyed In Ross

A summer recreation program at Ross School is a likelihood for next summer, reported Supt. Stephen L. Parodi after the Monday evening meeting of the Ross School trustees.

The Ross Parent-Teacher Assn. is making a community survey to find out how many children would participate. A recreation program about six years ago was not well attended, but since then the number of children in Ross has increased. The trustees decided that a program for summer of 1959 would consist of recreation, not summer school.

In other business, trustees received two letters from the American Federation of Teachers, signed by William Malin, vice president. One asked that teachers be paid extra if the school year is more than 175 days (in Ross it is 179 days).

The second letter asked that teachers be permitted to find employment outside school hours.

No action was taken by the trustees on either letter.

Superintendent Parodi reported that KQED's educational television programs might be received at Ross School when the station's signals are increased in strength. All attempts for far to get reception at the school have been futile.

3 To Be Added To Newspaper Hall Of Fame

Three early-day California newspapermen will be added to the state's Newspaper Hall of Fame during the California Press Assn.'s annual meeting Dec. 5-6 at the Clift Hotel in San Francisco, it was announced today by Justus F. Craemer, co-owner of the Independent-Journal and president of the association.

Names of the new Hall of Famers will be announced at an awards dinner Dec. 5. The Hall of Fame was started last year, when three newspapermen were named. They were James King of William, early editor of the San Francisco Bulletin; Walter Colton, early publisher of the Monterey Californian, and Robert Baylor Semple, who was associated with Colton in California's first newspaper.

Joseph R. Knowland, publisher of the Oakland Tribune, is chairman of the selection committee.

DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

WIRE NEWS BRIEFS From Everywhere

Ike To Fly South

WASHINGTON (AP) — President Eisenhower travels south today to the vacation retreat he likes best of all—the Augusta National Golf Club in Georgia.

Planning about a 10-day stay through the Thanksgiving weekend, the President scheduled a midday departure aboard his private plane, Columbine III.

The flight takes about 1 hour and 45 minutes, so he will have time after arrival to play 18 holes of golf if the weather is good.

This is Eisenhower's 21st trip to Augusta since he was elected in 1952. He likes it there because the seclusion is as close to complete as any President ever gets.

N. Y. Awaits Royalty

NEW YORK (AP) — Prince Rainier and Princess Grace of Monaco are expected to arrive here Sunday for a visit.

Pan American World Airways said yesterday the couple have booked passage on a transatlantic flight originating in Rome. The princess is the former actress Grace Kelly of Philadelphia.

AF Continues Search

OGDEN, Utah (AP) — Civilian patrols gave up the hunt for the missing navigator of a C119 transport plane, but Air Force ground parties searched again today in the mountain country east of here.

Sheriff Leroy Hadley called off the Civilian volunteers, saying there was no hope of finding Capt. Donald Liggett alive. Liggett, 40, of Indianapolis, bailed out of the crippled plane into a snowstorm last Friday with seven companions.

Three of the men died in a weekend blizzard and four were rescued.

100th Birthday Busy

TWIN FALLS, Idaho (AP) — Farmer Herschel Sonner has been pretty busy — removing old fruit trees from his orchard and clearing weeds from the sheep pasture.

But he had to take a day off yesterday to chin with some 30 relatives. It was his 100th birthday, and the family wanted to have a nice party for him. He planned to get right back to his chores.

Rock 'N' Roller Jailed

STOCKHOLM (UPI)—Swedish rock 'n' roll singer "Little" John Wahlbaerg today began an 18 month jail sentence for rape.

Wahlbaerg was convicted yesterday after the prosecutor charged he and another youth threatened to burn an 18-year-old girl with cigarettes to force her to disrobe. The unrepentant singer shrugged off the charge, telling the court: "Sometimes you have to use force to get what they won't give you."

Boy Killed In Gang War

NEW YORK (AP)—A 16-year-old boy was slain and another seriously wounded last night as two Brooklyn street gangs clashed in the borough's Brownsville section.

Police seized seven members of the Janquils in the fatal stabbing of John Ingram and the knife-slashing of Sidney Rhodes, also 16.

The Janquils, police said, were responding to an invasion of their territory by another all-Negro gang, the Corsairs Lords. Ingram and Rhodes were members of the latter gang, police said.

'Very Little Help'

PHOENIX (AP) — Republican State Sen. William Bourdon listed expenses of $497 in his unsuccessful campaign for re-election. In a footnote to his financial statement, he said "I received no financial help from anyone and very little of any other kind."

Chaplin Jr. Must Pay

LOS ANGELES (UPI) — Actor Charles Chaplin Jr. was ordered yesterday to pay his wife, an expectant mother, $150 monthly alimony pending a divorce hearing.

The 33-year-old Chaplin revealed during the superior court hearing that he is writing a book about his famous father entitled "My Father Is a Very Funny Man." Chaplin Jr. and his estranged wife, actress Susan Magness, 22, were married last August and separated two months later.

Long Courtship Fizzles

CHICAGO (UPI)—Agnes Esch, 58, has filed a $100,000 breach of promise suit against Morris Goldberg, 58, charging he gave her an engagement ring in 1953 but still refuses to marry her.

Mrs. Esch said in the suit yesterday that when Goldberg started his courtship 30 years ago as a poor young man, she spent her savings buying him gifts and throwing parties for him.

"Now that he is wealthy," said attorney Louis Z. Grant, "he refuses to have anything to do with her."

Argentine Crisis Eases

BUENOS AIRES (AP) — The mysterious affair of Vice President Alejandro Gomez subsided today with many observers convinced it had been trumped up to divert public attention from serious economic and labor problems.

Congress accepted the resignation of Gomez, whom President Arturo Frondizi accused of trying to oust him and form a coalition government. Gomez denied the charge, saying he had only warned the administration that a military plot was brewing.

9 Strep Cases Listed In Marin

Nine cases of streptococcic infections headed the list of communicable diseases reported last week to the Marin County Health Department.

Dr. Carolyn B. Albrecht, county health officer, announced five of the "strep" cases were in Novato, with one each in Belvedere, Tiburon, Fairfax and San Rafael.

Two cases of gonorrhea were reported, one in San Rafael and one in a rural area. There was a case of measles in Marin City and a case of mumps in Novato.

MARIN CITY HOUSING
INVITATION FOR BIDS

The Housing Authority of the County of Marin will receive sealed bids for the general construction of the Marin City Low-Rent Housing Project (CAL-52-1) until 2:00 P. M. Pacific Standard Time on the 17th day of December, 1958, at the office of the Executive Director, Administration Building (Post Office Box 336), Marin City, California at which time and place all bids will be publicly opened and read aloud.

The project is to consist of eight five-story reinforced concrete buildings and twenty-one one-and two-story concrete block and frame buildings located as shown on the drawings on the southern and southeastern portion of the land once occupied by the original development. The buildings listed include a one-story administration and maintenance building and contain a total of 300 one, two, three and four bedroom dwelling units.

Proposed forms of contract documents, including plans and specifications, are on file at the office of the Housing Authority of the County of Marin at Marin City, California and at the office of John Carl Warnecke, A.I.A., 111 New Montgomery Street, San Francisco California and will be issued only to bona fide contractors who intend to submit bids to the Local Authority. No documents can be issued to subcontractors or material men. Reference sets of all documents will also be available for use at the Marin Builders Exchange, 53 Jordan Street, San Rafael, the San Francisco Builders Exchange, 850 South Van Ness Avenue, San Francisco, the Oakland Builders Exchange, 190 MacArthur Boulevard, Oakland, and the Builders Exchange of Contra Costa County, 15 Espee Avenue, Richmond.

A single set of contract documents may be obtained by depositing $100.00 with the Local Authority or the Architect, an additional set by depositing an additional $50.00 and a third set by depositing $100.00 more. The deposit must be in the form of a certified check or bank draft made payable to the Housing Authority of the County of Marin. $50.00 of the $100.00 deposited for the third set of documents will not be refunded. All other such deposits will be refunded to each depositor who returns the plans, specifications and other documents complete and in good condition within ten days after bid opening.

Each bid shall be accompanied by a certified check or bank draft in an amount equal to five percent of the bid and made payable to the Housing Authority of the County of Marin, by U. S. Government bonds of an equivalent value or by a satisfactory bid bond in the said amount executed by the bidder and acceptable surety authorized to issue surety bonds in the State of California.

The successful bidder will be required to furnish and pay for satisfactory performance and labor and material bonds.

The general prevailing rate per diem wages for each of the aforesaid classifications is the rate per hour indicated herein, multiplied by eight (8), except that the per diem rate for some crafts shall be in accordance with the prevailing laws established by collective bargaining in the industry in this area.

The wage rates above specified are straight hourly wage rates and do not include health and welfare contributions or any other benefits. Attention is directed to the fact that some collective bargaining agreements in the construction industry provide for such benefits. Sundays and Holidays—not less than the overtime rates specified above, or as otherwise specified in the Union agreement applicable to the particular crafts. The holidays upon which rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project. Apprentices may be employed provided they are properly indentured in full compliance with the provisions of Section 1777.5 of the Labor Code.

Attention is directed to the fact that not less than the above specified rates shall be paid to all laborers, workmen and mechanics employed in the execution of the proposed contract.

The attention of bidders is directed to the fact that the work proposed herein to be done will be financed, in whole or in part, with Federal funds and, therefore, all of the applicable Federal statutes, rulings and regulations will apply to such work.

The Housing Authority of the County of Marin reserves the right to reject any or all bids or to waive any informalities in the bidding.

No bid shall be withdrawn for a period of thirty (30) days subsequent to the opening of bids without the consent of the Housing Authority of the County of Marin.

BRAND NEW

1959 PLYMOUTH

or

1959 DE SOTO

or

1959 INTERNATIONAL TRUCK

Here's How . . .

We lease you the car or truck and pay all service maintenance, lubrication, tires, taxes, and license fees. Your only expense is gasoline oil and insurance.

Here's Why . . .

1. AVOID the high cost of owning your own car.
2. AVOID tie-ups of valuable cash.
3. AVOID depreciation loss.
4. AVOID expensive bookkeeping on company owned cars. One monthly check will pay all your maintenance and car payments.
5. Get bigger tax benefits. Many companies and individuals are able to take advantage of a complete write-off.

OUR RATES START AS LOW AS $65 PER MONTH

SHE'LL BE HEARD ON KTIM

Rett Russell of San Anselmo, whose popular song recordings are often heard on Wayne Thomas's show over radio KTIM, will be heard in person at 12:15 p.m. tomorrow when she is interviewed by Don Davis on his new "According to Hoy" program. Rett opened this week at the Purple Onion in San Francisco after an engagement at Facks II.

'Twentieth Century' Films Available To Marin Groups

Films of "The Twentieth Century" documentary television series are now available for loan to local groups, Don May, in charge of the Prudential Insurance Co.'s San Rafael office, announced today.

The local office has made arrangements through the Prudential education department, Newark, N. J., for release of the films here, May said. They may be ordered directly through the company's San Rafael office at 181 West End avenue.

Many of the films are regarded as classic portrayals of major historic episodes during the past 50 years and some 7,000 showings have been made to schools throughout the country. Loan of the films is now being extended to civic, service, church, and fraternal groups.

Among the films available are "Churchill, Man of the Century," "Revolt in Hungary," "Brainwashing," "The Face of Crime," "Enter with Caution: The Atomic Age," "Rockne of Notre Dame" and "Woodrow Wilson." New film will become avaliable after their initial presentation on television.

"The Twentieth Century," shown on CBS-TV, has won television, education and public service awards for its documentary presentations.

Athletic Commissioner

SACRAMENTO (AP) — Gov. Goodwin J. Knight has appointed Bob Voigt of Glendale, a former boxer and sports editor, to the state Athletic Commission. Voigt, 40, succeeds Rev. Robert E. Richards of La Verne, who resigned.

Networks Hand Artist Union Ultimate Offer

NEW YORK (UPI)—The major television and radio networks and the American Federation of Television and Radio Artists adjourned a nine-hour session of negotiations on a new contract early today and scheduled talks later today to consider an "ultimate in offers" by the networks.

The "ultimate in offers" was handed union negotiators at the end of the latest in a series of meetings to avert a threatened strike. In the meeting, the union withdrew its demand for a flat 10 per cent wage increase and substituted demands covering specific classes of performers.

Dick Jackson, spokesman for AFTRA, said the substitute covers such problems as fees for dancing and singing duos, and sportscasters' fees. He said the union wants each member of a duo to get the single performer's fee.

He said the substitute wage demand "will in the end accomplish the wage increases we sought in the first place."

The networks offered a reduction in rehearsal time covered in a performer's basic fee, and agreed to eliminate concrete floors for dance rehearsals no later than six months from the date of the new contract.

The union had contended that dancers suffered physically and professionally from rehearsing on concrete floors.

The networks also offered to supply $50,000 insurance policies on performers when a show is produced anywhere outside the United States, except Canada.

KQED TO OFFER TV COURSE IN RUSSIAN

SAN FRANCISCO (UPI)—A 15-week course in conversational Russian will be offered on San Francisco's educational TV channel beginning tomorrow, station KQED announced today.

The half-hour lessons, from 7:30 to 8 p. m., will be conducted by Harry Collis of San Francisco's Polytechnic High School.

KPIX To Report On 'Hoodlum Era'

Television station KPIX will present a Bay Area report on "The Hoodlum Era," from 8:30 to 9 p. m. tomorrow.

The program was conceived in the wake of a seeming increase in juvenile violence in Bay Area communities, including Marin, station authorities said.

WIVES VISIT SHIP SURVIVORS—Frank Mays (left) and Elmer Fleming, only survivors of freighter which sunk Tuesday in Lake Michigan, got a welcome visit from their wives at Charlevoix, Mich., Hospital yesterday. (AP Wirephoto)

No Hope Seen For 15 Still Missing From Ship Sunk On Lake Michigan

CHARLEVOIX, Mich. (UPI)—Coast Guardsmen held virtually no hope today for the 15 crewmen of the ill-fated Great Lakes cargo ship Carl D. Bradley still missing in the storm-tossed waters of Lake Michigan that smashed and swallowed the craft.

A Coast Guard spokesman said search efforts would continue all day today but veteran seamen said there was little chance anyone could have survived in the icy waters since the disaster Tuesday.

Of the 35 men aboard the limestone hauler, only two survived. Eighteen bodies have been found so far and 15 still are missing.

"We prayed like we never prayed before," said First Mate Elmer Fleming and deck watchman Frank Mays, both of Rogers City, Mich., who were saved yesterday.

"It was useless for us to shout because of the tremendous roar of the gale," Mays said. He told reporters that at one time during the 14-hour nightmare he and Fleming were within half a mile of the rescue ship Sundew, but the 60 mile an hour winds and 20-foot waves made communication impossible.

After the pair repeatedly were washed from their frail life raft and their frozen fingers were barely able to cling to it, the Sundew spotted them. Rescue men pulled them from the small raft and took them to Charlevoix along with eight corpses.

Fleming's description of the sinking and night at sea paralleled terrifying accounts of 14 survivors told May 11, 1953, when the Henry Steinbrenner, an oil carrier, foundered in the lake with a loss of 17 lives.

"The entire stern of the ship was sagging," Fleming said. "I knew we were going to sink. I asked someone to get me a life jacket but he couldn't find one so I went to my room and got my own.

"As I came up the ship was listing badly.

"The superstructure of the ship rolled over on its side. The ship sank beneath me and I found myself in the water," he said.

Temperatures dipped below freezing during the seemingly endless night and ice formed in the 43-year-old Fleming's hair.

Fleming and Mays, 26, heard shouting and managed to direct two men to their wave-tossed raft. They grabbed the men's limbs and pulled them aboard only to have both of them washed away to watery graves while Fleming and Mays clung tenaciously to the tiny raft.

They were taken to Charlevoix Hospital where their tearful wives embraced them. Dr. Lawrence E. Grate, who examined Fleming and Mays, said they were in fairly good condition despite exposure and shock.
